The Kingdom of God graf Leo Tolstoy,1946 **The Kingdom of God and Peace Essays** Leo Tolstóy,1942 *The Kingdom of God and Peace Essays* Leo Tolstoy,1946 **Tolstoy's Search for the Kingdom of God** Javier Sethness Castro,2025-03-11 Building on its predecessor *Queer Tolstoy A Psychobiography* 2023 this book uncovers queer anarchist dimensions of the second half of Count Lev Nikolaevich Tolstoy s life 1828 1910 and of the Russian writer s later art works It features queer friendly readings of *Anna Karenina* 1875 1877 *The Gospels In Brief* 1881 *The Death of Ivan Ilych* 1886 *The Kreutzer Sonata* 1889 *Master and Man* 1895 and *Resurrection* 1899 among other classics However the argument does not overlook the gross misogyny expressed by Tolstoy in either his art or his marriage with Countess Sofia Andreevna Tolstaya Rather the author explores the fundamental contradictions between sexism and anti authoritarianism while critiquing Tolstoy s self defeating commitment to patriarchy The text also praises the writer s late turn toward preaching Christian anarchism as it traces aspects of Tolstoy s artistic and political resonance in the twentieth century including pacifist plant based communes the Russian and Mexican Revolutions the Bloomsbury Group the Catholic Worker and Soviet era hippies *The English Catalogue of Books Published from January, 1835, to January, 1863* ,1864 **Christian Anarchism** Alexandre Christoyannopoulos,2022-02-17 Christian anarchism has been around for at least as long as secular anarchism Leo Tolstoy is its most famous proponent but there are many others such as Jacques Ellul Vernard Eller Dave Andrews or the people associated with the Catholic Worker movement They offer a compelling critique of the state the church and the economy based on the New Testament **The Kingdom of God and Peace Essays** Léon Nikolaïevitch Tolstoï,1960 **Global Nonkilling Leadership Forum Book of Proceedings** Glenn D. Paige,2008 *Brill's Companion to Anarchism and Philosophy* Nathan J. Jun,2017-09-25 Despite the recent proliferation of scholarship on anarchism very little attention has been paid to the historical and theoretical relationship between anarchism and philosophy Seeking to fill this void Brill s *Companion to Anarchism and Philosophy* draws upon the combined expertise of several top scholars to provide a broad thematic overview of the various ways anarchism and philosophy have intersected Each of its 18 chapters adopts a self consciously inventive approach to its subject matter examining anarchism s relation to other philosophical theories and systems within the Western intellectual tradition as well as specific philosophical topics subdisciplines and methodological tendencies **Global Peace and Anti-nuclear Movements** Badruddin,2003 This Book Presents In Depth Observation And Analysis Of Global Peace Movement Organizations Both In Historical As Well As Contemporary Dimmension **Anarchism and Authority** Mr Paul McLaughlin,2012-10-01 Examining the political theory of anarchism from a philosophical and historical perspective Paul McLaughlin relates anarchism to the fundamental ethical and political problem of authority The book pays particular attention to the authority of the state and the anarchist rejection of all traditional claims made for the legitimacy of state authority the author both explaining and defending the central tenets of the anarchist critique of the state

The founding works of anarchist thought by Godwin Proudhon and Stirner are explored and anarchism is examined in its historical context including the influence of such events as the Enlightenment and the French Revolution on anarchist thought. Finally the major theoretical developments of anarchism from the late nineteenth century to the present are summarized and evaluated. This book is both a highly readable account of the development of anarchist thinking and a lucid and well reasoned defence of the anarchist philosophy.

Just Peace Theory Book One Valerie Elverton Dixon, 2012-11-29

In these essays I often refer to social contracts such as the Declaration of Independence the Constitution of the United States the Universal Declaration of Human Rights and other international conventions that describe a vision of just human relations especially in the area of culture and health care. We do not live behind a veil of ignorance where we enter into contemplation of questions of right and wrong without an awareness of our own particularities. Moreover we do not always determine what is right based on reason. But we do make decisions every day about how we will live within the social contracts that govern our lives. Many of us go along to get along with a let's not rock the boat preserve the status quo caution. Then there are those of us who use the documents of our social contracts to secure more justice and more peace. The purpose is to rock the boat and to disrupt the status quo when it is unjust. I understand Christ as a title not as a person. It is a designation of an anointing. This in my opinion is the anointing of radical love. Christ is the human incarnation of divine love. We each ought to strive to become this whether or not we are Christian whether or not we are even believers. Those of us who are Christians believe that Jesus paid it all. There is no more need for blood shed sacrifice. Murder is never holy. God does not need it or want it. Our work now is to become living sacrifices that will redeem this world through justice and peace. That is the meaning of these essays.

From the Introduction

The Kingdom of God and the Yellow Barn Church Doug Hickerson, 2006

All his life author Doug Hickerson repeated Thy Kingdom come in the Lord's Prayer. Yet God's kingdom seemed irrelevant to him even as a seminary student and a church layman. Hickerson was a liberal Protestant active in a mainline denominational church and in community causes. He became curious about spiritual paths to God beyond the Church. While in his midfifties and still active in his church he started a spiritual journey that included exploring other religions and spirituality. Steeped in the popular New Age spirituality of the 1990s he wrote about the coming new millennium. He felt that humankind was evolving spiritually and was headed for an enlightened utopia the Age of Aquarius. His humanistic visions ended abruptly when he met families who belonged to the yellow barn church in his village. In their fellowship it became clear that God not man is in control and lovingly rules our destiny. He awakened to the Kingdom of God present now on earth with its fulfillment yet to come. At age sixty eight Hickerson's life changing experience in the evangelical Church and in God's kingdom is deeply personal and grounded in the Bible and solid theology. The warm and at times humorous narrative in *The Kingdom of God and the Yellow Barn Church* details God's providence and promptings over Hickerson's lifetime.

Within You PRADIPTA KUMAR DAS.,2015-11-12 This book delves deep into the genesis and power of human thought Human civilization has consistently grown over few millennia but the exponential growth during last few centuries of industrialization and particularly during the last half a century due to digital revolution can be attributed to one single phenomenon called Human Thought Processes The idea of an acronym for Generation Operation and Destruction G O D by human thought has a spiritual background based on Karmic Principles argues the author in the book The delicate balance in the brain chemicals that are responsible for harmonious thought processes can sometimes be severely derailed due to modern day anxiety and stress causing immense agonies leading to serious mental health problems The author had a firsthand experience of such a mental health crisis in July 2000 while during his PhD study in Adelaide Australia almost leading to a Near Death Experience which he not only survived but could convert the crisis into an opportunity to harvest immense knowledge and wisdom for self growth The author has adopted partly an autobiographical approach to put across ideas that he thinks can find some resonance with people struggling to overcome similar mental health problems in life While researching into concepts of life after death he raises few questions about the current understanding of human consciousness The ultimate realization of the author that Humans are infinite spiritual beings in finite bodies has been systematically and logically brought out to enable a conviction that mental health problems are better handled with medico spiritual practices The title of the book suggests that to achieve happiness and bliss in life human beings anywhere in this world need not

search elsewhere because it is all there within The author has outlined all the practical steps which helped him not only overcome his serious crisis but achieve his desired goals and thus sublime happiness He strongly believes in the universal application of the principles enumerated **An Essay on the Way to Restore and Perpetuate Peace, Good Order, and Prosperity, to the Nations** Bryce Johnston,1801 Books in Print ,1961 *Second Tolstoy* Steve Hickey,2021-11-12 Very few if any have devoted more years to practicing and teaching others to practice the precepts of Jesus s Sermon on the Mount than Leo Tolstoy He stands apart in the history of interpretation and has had enormous influence on others and other countries Yet Gandhi or others often get the glory Tolstoy is remembered as a great writer but his religious and philosophical works are by and large unknown or disparaged even in scholarly Tolstoyan circles His contribution is substantially under appreciated and misunderstood In *Second Tolstoy* The Sermon on the Mount as Theo tactics Steve Hickey captures the particulars and dynamics of Tolstoy s interpretation of the Sermon on the Mount from a deliberately sympathetic vantage point Underlying this project is shared belief with Tolstoy that the Sermon on the Mount is liveable and to be lived While from the vantage point of traditional orthodoxy Tolstoy got much wrong there remains a lack of appreciation for what he got right radical obedience to the teachings of Jesus A new vocabulary is proposed to more precisely capture Tolstoyan lived theology namely the political and social expressions of Tolstoyan Christianity with the hope that these theories and practices will gain a wider consideration understanding and following
