**Achsah's Story , The Ilkhanid Book of Ascension** Christiane Gruber,2010-02-28 The traditional account of the Prophet Muhammad s ascension has inspired generations of writers and storytellers from the beginnings of Islam until today By the tenth century narratives describing Muhammad s encounter with prophets and angels his colloquy with God and his visits of heaven and hell lead to the formation of the Book of Ascension a novelizing and engaging literary genre most commonly written in Arabic and Turkic dialects This is the study of an extremely rare Persian Book of Ascension which was written in Persian by an anonymous author and dates from the Ilkhanid Period 1256 1353 Christiane Gruber presents an English translation alongside the original manuscript text together with critical commentary on the text as well as a series of Ilkhanid ascension paintings The text appears to promote adherence as well as to encourage conversion to Sunni Islam providing a fascinating insight into the interplay between artistic practices and missionary efforts aimed at promoting Sunni Islam in Persian lands during Ilkhanid rule *Into the King's palace* Annie M. White,2013-02-05 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the

builder the tiller of the soil the traveler and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God s loving interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34 35 Natural things were the medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ s parables are links in the chain of truth that unites man with God and earth with heaven In this volume the parables are grouped according to their subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to the common surroundings of everyday life *Christ's Object Lessons* Ellen Gould White, 1930 In this age when the study of nature is receiving so much attention the teachings of Christ from the things of nature form an interesting addition to the bibliography Both young and old will find pleasure and profit in reading this comment upon Christ s Parables
