The Lads in Blue Paul Harrison,1995-01-01 British Sport: Local histories Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **British Sport - A Bibliography to 2000** Richard Cox,2014-02-04 Volume two of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian Stokoe, Sunderland and 73 Lance Hardy,2011-01-20 50th anniversary edition of the story of the team that caused the last great FA Cup upset Times have changed but this book is an engrossing reminder for all fans INDEPENDENT ON SUNDAY An essential piece of British football history for fans of any club Brilliantly researched and written with an undisguised passion Guy Mowbray BBC s Match of the Day Today it seems inconceivable that a team from the lower reaches of the Championship could beat the likes of Chelsea or Manchester United in the FA Cup Final Yet on 5 May 1973 that is exactly what happened Six months earlier Bob Stokoe took on an ailing Sunderland team struggling at the bottom of the second division But the long road to Wembley sees them beating Arsenal and Manchester City to reach the final where they face Don Revie s mighty Leeds United in a game few expect them to win Yet what lies ninety minutes ahead is the greatest FA Cup Final shock of all time Sunderland s victory was arguably the last fairytale of recent footballing times In STOKOE SUNDERLAND AND 73 Lance Hardy talked with all the Sunderland players who turned out at Wembley that day and to the family of Bob Stokoe to produce the definitive account of an unforgettable game **Sporting Ancestors** Keith Gregson,2011-11-30 Sport in its many forms is an important part of British heritage and our family histories are littered with amateur and professional sporting references As people moved from country to town sport became fashionable and organised and our ancestors left us with records of their sporting deeds Newspaper reports minute books club histories team photographs and even cartoons are all available to the family historian Discover which sports were played when where and why Read example case studies find out how to begin your own research and learn what resources are available to help you progress From Victorian prizefighters to Edwardian ladies archery from inter war football teams to the shin kicking contests of the Cotswold Olimpicks Sporting Ancestors is the essential guide for those wanting to explore what part sport has played in their national and family history

International Sport: A Bibliography, 1995-1999 Richard William Cox,2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the

growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new [A Football Compendium](#) Peter J.
