Communication Technologies (ICT) by West African Educators Toure, Kathryn,2016-08-06 West African teachers and
professors who are appropriating information and communication technologies ICT are making it part and parcel of
education and everyday life In Mali and beyond they adapt ICT to their milieus and work as cultural agents mediating
between technology and society They yearn to use ICT to make education more relevant to life facilitate and enhance African
participation in global debates and scholarly production and evolve how Africa and Africans are projected and perceived In
