The Last Day The Final Warning:

The Complete Idiot's Guide to the Last Days Richard H. Perry, 2006-11-07 Get ready for Judgment Day For centuries humans have dreaded and anticipated the end of the world These fears fueled by natural disasters famines world wars and the writings of people like Nostradamus and Jeane Dixon have left us with more questions than answers In *The Complete Idiot's Guide to the Last Days* Richard H Perry goes to the definitive source on the subject the Bible itself While the book is as exciting as an action adventure novel the author's primary source is the Bible and he guides his readers to an understanding of the Last Days by using related Scripture Covers Bible basics and the Signs of the Times Includes timelines of every stage leading up to the Last Days and after *The Revelations And Warnings Of Jesus To His Church* Albert Heaney, 2018-09-25 Given that Jesus has issued a warning that in the end times the church will be infiltrated with false prophets that will mislead many and given that the book of Revelation was given to reveal future events in the end times and given that various interpretations of prophesies in the book are given by present day biblical scholars this book attempts to clarify an understanding of the revelations provided in the book by closely adhering to the messages given and avoiding giving interpretations that are not explicitly provided in scripture It is important that the church becomes aware of the messages God has given to the church of our day so that it can be prepared to face the future and be ready to endure to the end The author believes that the book of Revelation was not given as a puzzle to be decoded by scholars but rather as a series of messages that can be understood by ordinary people so as to open their eyes as to all that God has prepared for those who love Him
