Steiner's assassination ignited the fires of civil war and now secessionist factions clamor for rebellion against the Federated Commonwealth. The rebels' plans hinge on gaining control of the Skye March and thus controlling the crucial Terran Corridor. Throughout the March, civil and military leaders plot to take up arms against Prince Victor Steiner Davion. The final piece of the plan requires the secessionist forces to gain access to the planet Glengarry and the legendary mercenary group that calls it home, the Gray Death Legion. A HOMEWORLD UNDER SIEGE. When Prince Davion summons Grayson Death Carlyle and his wife Lori Kalmar Carlyle to the Federated Commonwealth capital, the rebel forces seize their chance to establish a garrison on Glengarry. But they didn't expect the legion's newest members to take matters into their own hands, and soon these rebels will learn what countless adversaries across the galaxy have learned never but never try to defeat the Gray Death Legion.

The Encyclopedia of Best Films by Jay Robert Nash, 2019-10-23. This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system, which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e., animated, drama, sports, mystery, adventure, etc., as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.
