has brought humanity to the brink of extinction Heather is one of the few who know the mountain a place city dwellers have always been forbidden to go Her dad took her up the mountain when she was a child on a misguided quest to heal her legs damaged at birth The tragedy that resulted has shaped her life bringing her both great sorrow and an undying connection to the deep magic of the mountain made real by the beings she and her dad encountered that day Estajfan a centaur born of sorrow and of an ancient impossible love and his two siblings marooned between the magical and the human world Even as those in the city around her led by Tasha a charismatic doctor who fled to the city from the coast with her wife and other refugees struggle to keep everyone alive Heather constantly looks to the mountain drawn by love by fear by the desire for rescue She is torn in two by her awareness of what unleashed the meteor shower and what is coming for the few survivors once the green and living earth makes a final reckoning of the usefulness of human life and finds it wanting At times devastating but ultimately redemptive Amanda Leduc s fable for our uncertain times reminds us that the most important things in life aren t things at all but rather the people we want by our side at the end of the world **Nor and the Centaurs** Ron Baca,2021-08-30 No silver spoon for this prince From the time of his birth life for this prince has been anything but privileged or easy Now this prince some thirteen winters of age and his eleven similarly aged companions must endure a life changing journey into manhood Their primary task is to take the undesirable sickly children to the Tree of Sorrow where they are to bind and leave these poor young souls behind for the evil warlock to take to maintain peace This is where their true journey begins as their destiny awaits them The young prince and his companions will discover that their future and fate are tied together not just in this journey but upon returning home and after The innocence heartbreak courage betrayal evil love bonds of friendship and the hardships of these seven to nine foot tall warriors shall captivate you to your very core and take you from pillar to post from beginning to endor is it the end **American Journal of Philology** Basil Lanneau Gildersleeve,Charles William Emil Miller,Benjamin Dean Meritt,Tenney Frank,Harold Fredrik Cherniss,Henry Thompson Rowell,1912 Each number includes Reviews and book notices **Max Klinger and Wilhelmine Culture** Marsha Morton,2017-07-05 The Wilhelmine Empire s opening decades 1870s 1880s were crucial transitional years in the development of German modernism both politically and culturally Here Marsha Morton argues that no artist represented the shift from tradition to unsettling innovation more compellingly than Max Klinger The author examines Klinger s early prints and drawings within the context of intellectual and material transformations in Wilhelmine society through an interdisciplinary approach that encompasses Darwinism ethnography dreams and hypnosis the literary Romantic grotesque criminology and the urban experience His work in advance of Expressionism revealed the psychological and biological underpinnings of modern rational man whose drives and passions undermined bourgeois constructions of material progress social stability and class status at a time when Germans were engaged in defining themselves following unification This book is the first full length study of Klinger in English and the first to consistently address his art using methodologies adopted
