*The Last Story* Arthur Kane, 2024-04-30 THE LAST STORY The Murder of an Investigative Journalist in Las Vegas is an exclusive deep dive into a chilling true tale of sex ambition retribution and homicide Jeff German a veteran Las Vegas Review Journal investigative reporter was no stranger to controversy or the danger of his work For more than four decades he wrote stories relentlessly confronting the mob corrupt politicians and greedy bureaucrats As a result he was often threatened enough that he and his friend and fellow investigative reporter Arthur Kane sometimes joked about reporting on these threats if they were ever acted upon Then in the spring of 2022 German received a tip about abuses at a little known county office His subsequent investigation unearthed a scandalous sexually incriminating video of a rising politician Robert Telles The resulting stories in the Review Journal ended Telles s political aspirations Less than six months later on September 3 German s lifeless body was discovered outside his home with multiple stab wounds His dedicated newsroom colleagues including Kane vowed to find the killer In doing so they exposed the true depths of corruption and malice in Sin City Meanwhile the police struggled to identify a suspect until they released a photo of the suspect s vehicle to the media That tip led them to none other than Robert Telles who was subsequently arrested In August 2024 with the national media in attendance at his trial Telles was convicted of first degree murder and later sentenced to twenty years in prison In THE LAST STORY Kane delivers an intense narrative of courage betrayal and the unrelenting quest for justice

**The Return of the Absent Father** Haim Weiss, Shira Stav, 2022-02-25 The Return of the Absent Father offers a new reading of a chain of seven stories from tractate Ketubot in the Babylonian Talmud in which sages abandon their homes wives and families and go away to the study house for long periods Earlier interpretations have emphasized the tension between conjugal and scholarly desire as the key driving force in these stories Haim Weiss and Shira Stav here reveal an additional layer of meaning to the father figure s role within the family structure By shifting the spotlight from the couple to the drama of the father s relationship with his sons and daughters they present a more complex tension between mundane domesticity and the sphere of spiritual learning represented by the study house This coauthored book presents a dialogic encounter between Weiss a scholar of rabbinic literature and Stav a scholar of modern Hebrew literary studies Working together they have produced a book resonant in its melding of the scholarly norms of rabbinics with a literary interpretation based in feminist and psychoanalytic theory

Steinrück,2008 The suitors in the Odyssey strikingly resemble a very specific audience of iambic poets such as Archilochus or Semonides Justifying these young men's deaths the Odyssey engages in a polemic intertext with Archilochus attacks against the threatening epic discourse This study is concerned with reading both the traces of this often hidden quarrel in the Odyssey and the answers we can find within the iambic texts Although iambus and epos have been connected in earlier studies the direct portrait of the iambic audience within the Odyssey has not been examined This book allows the reader to see these issues in the larger social context *Human Cognition and Social Agent Technology* Kerstin Dautenhahn,2000
