The Dancer of Shamahka Armên Ohanian, 1923 **Fine Black Lines** Lois Tschetter Hjelmstad, 1993-10 Written by a breast cancer survivor and hailed by professionals and patients as an excellent resource loved by its thousands of readers the award winning Fine Black Lines provides courage comfort and hope through its introspective journal entries startling photographs succinct poetry and reflections *The Hour of Our Death* Philippe Aries, 1982-02-12 An absolutely magnificent book The New Republic the fruit of almost two decades of study that traces the changes in Western attitudes toward death and dying from the earliest Christian times to the present day A truly landmark study The Hour of Our Death reveals a pattern of gradually developing evolutionary stages in our perceptions of life in relation to death each stage representing a virtual redefinition of human nature Starting at the very foundations of Western culture the eminent historian Phillipe Ari's shows how from Graeco Roman times through the first ten centuries of the Common Era death was too common to be frightening each life was quietly subordinated to the community which paid its respects and then moved on Ari's identifies the first major shift in attitude with the turn of the eleventh century when a sense of individuality began to rise and with it profound consequences death no longer meant merely the weakening of community but rather the destruction of self Hence the growing fear of the afterlife new conceptions of the Last Judgment and the first attempts by Masses and other rituals to guarantee a better life in the next world In the 1500s attention shifted from the demise of the self to that of the loved one as family supplants community and by the nineteenth century death comes to be viewed as simply a staging post toward reunion in the hereafter Finally Ari's shows why death has become such an unendurable truth in our own century how it has been nearly banished from our daily lives and points out what may be done

to re tame this secret terror The richness of Ari s s source material and investigative work is breathtaking While exploring everything from churches religious rituals and graveyards with their often macabre headstones and monuments to wills and testaments love letters literature paintings diaries town plans crime and sanitation reports and grave robbing complaints Aries ranges across Europe to Russia on the one hand and to England and America on the other As he sorts out the tangled mysteries of our accumulated terrors and beliefs we come to understand the history indeed the pathology of our intellectual and psychological tensions in the face of death *My Father's Son* Dawyck Haig,2003-10-21 Dawyck Haig the only son of the great Field Marshal was born in 1918 the year of his father s victory His life has been hugely influenced by the legendary status accorded to his father and after 1932 to himself This unique memoir reveals a side of the Field Marshal that has never been seen before and makes mandatory reading for those who seek to understand one of the foremost military figures of the age The author goes on to tell of his own experiences as a soldier in The Royal Scots Greys in World War Two of his capture and imprisonment in Colditz Designated a Prominente he and other sons of well known men were singled out as potential hostages on the orders of Hitler and as a result lived under continuous threat of execution This important memoir is sensitively written It is heavily illustrated with photographs of Field Marshal Haig that have never been seen before A fascinating and compelling book **Harper's Weekly** John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton McClellan Harvey,Norman Hapgood,1879 **The Edinburgh Review** ,1877 *Asia and the Americas* ,1922 *Loving Bella & Somewhere to Call Home* Renee Ryan,Janet Lee Barton,2019-11-05 Facing an uncertain future *Loving Bella* by Renee Ryan Fleeing scandal celebrated opera singer Isabella O Toole seeks refuge in Denver Colorado Working as an assistant to Dr Shane Bartlett is worlds away from her glamorous old life and she loves it Loves the work loves the chance to reconnect with her family and her faith and slowly begins to love the handsome doctor Until her dark secret finds her again threatening her new life and her chance for Shane s heart *Somewhere to Call Home* by Janet Lee Barton Some might call it a proposal Violet Burton knows it s blackmail and she refuses to marry the unscrupulous banker who holds the mortgage on her Virginia home Instead she ll find employment in New York City and pay her debts before returning home But reconnecting with childhood friend Michael Heaton makes her long to stay in New York Could the home she seeks be one they can share together The Family Herald ,1869 Practical Dreamers Mike Hoolboom,2004-04-14 The streets are full of admirable craftsmen but so few practical dreamers Man Ray Welcome to the world of fringe movies Here artists have been busy putting queer shoulders to the wheels or bending light to talk about First Nations rights and making it funny to boot or demonstrating how a personality can be taken apart and put back together all during a ten minute movie which might take years to make In *Practical Dreamers* twenty seven artists dish about how they get it done and why it matters The conversations are personal up close and jargon free smart without smarting Mike Hoolboom talks footage recycling with

They Did Not Grow Old Tim Lynch, 2013-10-01 In June 1918 135 teenagers arrived in France as part of the thousands sent to reinforce the British Expeditionary Force on the Western Front The German Spring offensive had failed but it was far from over The coming months would see some of the fiercest bloodiest yet least remembered fighting of the war as these young men finally broke the trench stalemate and forced the enemy into retreat During this time one in four of these teenaged soldiers would be killed and over half of them wounded Looking beyond the war as portrayed by poets and playwrights Tim Lynch tells the story of Britain's true Unknown Soldiers the teenage conscripts who won the war only to be forgotten by history These were not the naive recruits of 1914 who believed it would all be over by Christmas but young men who had grown up in wartime men who knew about the trenches the gas and the industrialised slaughter but who when their time came answered their country's call anyway For the first time following the experiences of a typical reinforcement draft this book explores what turned men so often dismissed as shirkers into a motivated efficient and professional army but it also reminds us that in the cemeteries of France and Flanders behind every headstone is a personal story

Fallen Grace Mary Hooper, 2011-02-01 Poor orphaned Grace Parkes is in a horrible situation Her illegitimate child has just died in childbirth so she's traveled to the Brookwood Cemetery to place the small infant's body in a rich lady's coffin Following the advice of a kindly midwife this is the only way that Grace can do right by the little baby and to avoid the disgrace of a pauper's grave Grace meets two people at the cemetery who will have a most unusual affect on her life though she doesn't know that yet For now Grace has to suppress her grief and get on with her meager life scraping together enough pennies selling watercress for rent and food and looking after her older sister who is incapable of caring for herself But a great fraud has been perpetrated on young Grace and she is secretly the recipient of a most unusual legacy if only she is able to claim it Of course the rich only get richer in this gothic tale of class distinctions mysterious secrets and malicious fraud

Cocktail Hour Under the Tree of Forgetfulness Alexandra Fuller, 2011-09-15 *Cocktail Hour Under the Tree of Forgetfulness* tells the story of the author's mother Nicola Fuller Nicola Fuller and her husband were a glamorous and optimistic couple and East Africa lay before them with the promise of all its perfect light even as the British Empire in which they both believed waned They had everything including two golden children a girl and a boy However life became increasingly difficult and they moved to Rhodesia to work as farm managers The previous farm manager had committed suicide His ghost appeared at the foot of their bed and seemed to be trying to warn them of something Shortly after this one of their golden children died Africa was no longer the playground of Nicola's childhood They returned to England where the author was born before they returned to Rhodesia and

to the civil war The last part of the book sees the Fullers in their old age on a banana and fish farm in the Zambezi Valley They had built their ramshackle dining room under the Tree of Forgetfulness In local custom this tree is the meeting place for villagers determined to resolve disputes It is in the spirit of this Forgetfulness that Nicola finally forgot but did not forgive all her enemies including her daughter and the Apostle a squatter who has taken up in her bananas with his seven wives and forty nine children Funny tragic terrifying exotic and utterly unself conscious this is a story of survival and madness love and war passion and compassion

The Flower Sisters Michelle Collins Anderson, 2024-04-23 Drawing on the little known true story of one tragic night at an Ozarks dance hall in the author's Missouri hometown this beautifully written endearingly nostalgic novel picks up 50 years later for a folksy character driven portrayal of small town life split second decisions and the ways family secrets reverberate through generations From the new Fannie Flagg of the Ozarks a richly woven story of family forgiveness and reinvention for readers of Kristy Woodson Harvey Donna Everhart Sue Monk Kidd Jeannette Walls and Rita Mae Brown Anderson weaves a rich and poignant tale of a small Ozarks town's factual tragedy its generational secrets and the juxtapose of searching and belonging Vivid and evocative this is a debut to savor Kim Michele Richardson New York Times bestselling author of The Book Woman of Troublesome Creek series on The Flowers Sisters Daisy Flowers is fifteen in 1978 when her free spirited mother dumps her in Possum Flats Missouri It's a town that sounds like roadkill and in Daisy's eyes is every bit as dead Sentenced to spend the summer living with her grandmother the wry and irreverent town mortician Daisy draws the line at working for the family business Flowers Funeral Home Instead she maneuvers her way into an internship at the local newspaper where sorting through the basement archives she learns of a mysterious tragedy from fifty years earlier On a sweltering terrible night in 1928 an explosion at the local dance hall left dozens of young people dead shocking and scarring a town that still doesn't know how or why it happened Listed among the victims is a name that's surprisingly familiar to Daisy revealing an irresistible family connection to this long ago accident Obsessed with investigating the horrors and heroes of that night Daisy soon discovers Possum Flats holds a multitude of secrets for a small town And hardly anyone who remembers the tragedy is happy to have some teenaged hippie asking questions about it not the fire and brimstone preacher who found his calling that tragic night not the fed up police chief not the mayor's widow or his mistress not even Daisy's own grandmother a woman who's never been afraid to raise eyebrows in the past whether it's for something she's worn sworn or done for a living Some secrets are guarded by the living while others are kept by the dead but as buried truths gradually come into the light they'll force a reckoning at last A vivid blend of sensorial writing historical detail and memorable characters await in this compelling surprising insightful story of the weight of long held secrets and the resulting hunger for truth Susan Meissner USA Today bestselling author of Only the Beautiful Inspired by the true story of the Bond Dance Hall explosion a tragedy that took place in the author's hometown of West Plains Missouri on April 13 1928 The cause of the blast has never been determined
