Writing the Social History of the Ancient World* Jean-Jacques Aubert,Zsuzsanna Várhelyi,2012-06-28 This volume commemorates the 65th birthday of William Vernon Harris on September 13 2003 when a group of his former students agreed to honor him with a collection of essays that would represent the wide variety of interests and influences of our

advisor and friend The fifteen papers in fact range chronologically from the first Olympics to late antiquity and discuss various questions of imperialism law economy and religion in the ancient Mediterranean world The essays share a social historical perspective from which they challenge as many commonly accepted notions in ancient history The contributors acknowledge their intellectual debt to the formative scholarly acumen of William V Harris which adds up to the tall order of engaging with his work **Goodbye, Friend** Gary Kowalski,2012-02-12 The loss of an animal companion can be a painful wrenching experience In Goodbye Friend Gary Kowalski takes you on a journey of healing offering warmth and sound advice on how to cope with the death of your pet Filled with heartwarming stories and practical guidance on such matters as taking care of yourself while mourning creating rituals to honor your pet s memory and talking to children about death Goodbye Friend is a beautiful and comforting book for anyone grieving the loss of a beloved animal Healing Death Christopher Levan,2020-09-16 The apostle Paul said Oh death where is your sting 1 Corinthians 15 55 And yet when faced with their own end most believers are very anxious We know death is a fact of living but we are not too keen to go through the pain and anguish associated with it And it is how we address death s anguish that is the subject of this book Through a close examination of the recently legalized medical assistance in dying MAID Levan suggests that Canadians can now face their own end with a different spirit While death is the disease that will get us all he points out that dying is a process that can be healed if we are given the time and permission to face it Taking insights that arise from the Abrahamic religious traditions Levan shows how palliative care can be enhanced by MAID a new tool in the repertoire of end of life therapies For newcomers to the subject Levan outlines the facts on MAID what is allowed and who is excluded He studies the many taboos surrounding the taking of one s own life and points a way forward for believers Healing Death is a fresh and inspiring perspective on a very old and anxiety ridden subject Subject Index of Modern Books Acquired British Library,1971
