that follows the film's narrative but which remains focused only on what is depicted within the film frame Horton pairs Kubrick's stylized images of weapons technology and cold war brinkmanship with his own low tech replicas Horton's mimicking counter strike replicates at a remove not so much the conflicts of technologies and nations at war but the games by which systems and simulations communicate with one another The commanding power of this whole is further emphasized by the fetishized presentation within the installation of the artist book that completes the project which has been produced for Horton's first solo exhibition in a public gallery **Doctor Strangelove** Peter George, David Bowker, 2001 Crazy General Ripper has sent his planes to destroy the USSR and nobody knows how to stop them A humorous story with unforgettable characters but also a frightening warning that nuclear war might start by mistake Dr Strangelove is an extraordinary film directed by Stanley Kubrick **Heritage Auctions Vintage Movie Poster Auction Catalog #7008, Dallas, TX** Grey Smith, 2009-06 **Heritage Vintage Movie Poster Signature Auction 2005 Catalog #617** Ivy Press, 2005-06

Kubrick's Men Richard Rambuss, 2021-03-02 A provocative re-reading of Stanley Kubrick's work and its focus on masculine desire The work of Stanley Kubrick amounts to a sustained reflection on the male condition past present and future The persistent theme of his filmmaking is less violence or sex than it is the pressurized exertion of masculinity in unusual or extreme circumstances where it may be taxed or exaggerated to various effects tragic and comic or metamorphosed distorted and even undone The stories that Kubrick's movies tell range from global nuclear politics to the unpredictable sexual dynamics of a marriage from a day in the life of a New York City prizefighter preparing for a nighttime bout to the evolution of humankind These male melodramas center on sociality and asociality They feature male doubles pairs and rivals They explore the romance of men and their machines and men as machines They figure intensely conflicted forms of male sexual desire And they are also very much about male manners style taste and art Examining the formal thematic and theoretical affiliations between Kubrick's three bodies of work his photographs his documentaries and his feature films Kubrick's Men offers new vantages on to the question of gender and sexuality including the first extended treatment of homosexuality in Kubrick's male oriented work *Classics of International Relations* Henrik Bliddal, Casper Sylvest, Peter Wilson, 2013-07-24 Classics of International Relations introduces contextualises and assesses 24 of the most

Dramatising Disaster Christine Cornea, Rhys Owain Thomas, 2013-02-14 The imagining of disaster has intensified across a wide range of media entertainment formats and genres in recent years and themes of disaster are regularly deployed in fictional films television drama series drama documentaries comic books and video games This being the case it is therefore vital that film and media scholars pay attention to the ways in which disaster is presented to us to the figurative strategies employed to the representational history of disaster in media to the metaphorical resonances of disaster themes and even to the ways in which entertainment media texts might be understood as part of a broader discourse of disaster within certain historical and cultural contexts *Dramatising Disaster* presents new and innovative research from both early career and more established academics Some of the chapters in this edited collection are based upon papers originally presented at a highly successful conference study day held by the School of Film Television and Media at the University of East Anglia in 2011 while others are specifically solicited contributions Distinct from previous more particularised film and media studies in this area this edited collection is focused not upon a specific disaster or specific disaster context but upon the wider topic of disaster in popular culture
