

Slow Days Fast Company The World The Flesh And La Tales

M Lipman

Slow Days Fast Company The World The Flesh And La Tales:

Slow Days, Fast Company Eve Babitz, 2016-08-30 No one burned hotter than Eve Babitz Possessing skin that radiated its own kind of moral laws spectacular teeth and a figure that was the stuff of legend she seduced seemingly everyone who was anyone in Los Angeles for a long stretch of the 1960s and 70s One man proved elusive however and so Babitz did what she did best she wrote him a book Slow Days Fast Company is a full fledged and full bodied evocation of a bygone Southern California that far exceeds its mash note premise In ten sun baked Santa Ana wind swept sketches Babitz re creates a Los Angeles of movie stars distraught over their success socialites on three day drug binges holed up in the Chateau Marmont soap opera actors worried that tomorrow s script will kill them off Italian femmes fatales even more fatal than Babitz And she even leaves LA now and then spending an afternoon at the house of flawless Orange County suburbanites a day among the grape pickers of the Central Valley a weekend in Palm Springs where her dreams of romance fizzle and her only solace is Virginia Woolf In the end it doesn't matter if Babitz ever gets the guy she seduces us **Tin House: Tribes (Fall 2014)** Win McCormack, Rob Spillman, Holly MacArthur, 2014-09-09 Tin House is an award winning literary magazine that publishes new writers as well as more established voices essays as well as fiction poetry and interviews Rahel Varnhagen Hannah Arendt, 2022-02-22 A biography of a Jewish woman a writer who hosted a literary and political salon in late eighteenth and early nineteenth century Germany written by one of the twentieth century s most prominent intellectuals Hannah Arendt Rahel Varnhagen The Life of a Jewish Woman was Hannah Arendt s first book largely completed when she went into exile from Germany in 1933 though not published until the 1950s It is the biography of a remarkable complicated passionate woman and an important figure in German romanticism Rahel Varnhagen also bore the burdens of being an unusual woman in a man's world and an assimilated Jew in Germany She was Arendt writes neither beautiful nor attractive and possessed no talents with which to employ her extraordinary intelligence and passionate originality Arendt sets out to tell the story of Rahel s life as Rahel might have told it and in doing so to reveal the way in which assimilation defined one person s destiny On her deathbed Rahel is reported to have said The thing which all my life seemed to me the greatest shame which was the misery and misfortune of my life having been born a Jewess this I should on no account now wish to have missed Only because she had remained both a Jew and a pariah Arendt observes did she find a place in the history of European humanity

The Corner That Held Them Sylvia Townsend Warner, 2019-09-10 A unique novel about life in a 14th century convent by one of England's most original authors Sylvia Townsend Warner's The Corner That Held Them is a historical novel like no other one that immerses the reader in the dailiness of history rather than history as the given sequence of events that in time it comes to seem Time ebbs and flows and characters come and go in this novel set in the era of the Black Death about a Benedictine convent of no great note The nuns do their chores and seek to maintain and improve the fabric of their house and chapel and struggle with each other and with themselves The book that emerges is a picture of a world run by women

but also a story stirring disturbing witty utterly entrancing of a community What is the life of a community and how does it support or constrain a real humanity How do we live through it and it through us These are among the deep questions that Picture Lillian Ross, 2019-04-30 A classic look at Hollywood and the lie behind this rare triumph of the novelist s art American film industry by The New Yorker's Lillian Ross and named one of the Top 100 Works of U S Journalism of the Twentieth Century Lillian Ross worked at The New Yorker for more than half a century and might be described not only as an outstanding practitioner of modern long form journalism but also as one of its inventors Picture originally published in 1952 is her most celebrated piece of reportage a closely observed and completely absorbing story of how studio politics and misguided commercialism turn a promising movie into an all around disaster The charismatic and hard bitten director and actor John Huston is at the center of the book determined to make Stephen Crane's The Red Badge of Courage one of the great and defining works of American literature the first modern war novel a book whose vivid imagistic style invites the description of cinematic into a movie that is worthy of it At first all goes well as Huston shoots and puts together a two hour film that is he feels the best he s ever made Then the studio bosses step in and the audience previews begin conferences are held and the movie is taken out of Huston's hands cut down by a third and finally released with results that please no one and certainly not the public It was an expensive flop In Picture which Charlie Chaplin aptly described as brilliant and sagacious Ross is a gadfly on the wall taking note of the operations of a system designed to crank out mediocrity Leopoldo Alas, 2016-10-04 The unlikely hero of His Only Son Bonifacio Reyes is a romantic and a flautist by vocation and a failed clerk and kept husband by necessity who dreams of a novelesque life Tied to his shrill and sickly wife by her purse strings he enters timidly into a love affair with Serafina a seductive second rate opera singer encouraged by her manager who mistakes Bonifacio for a potential patron Meanwhile Bonifacio s wife experiences a parallel awakening and in the midst of a long barren marriage surprises them both with a son but is it Bonifacio's In the accompanying novella Do a Berta the heroine of the title an aged poor but well born woman forfeits her beloved estate in search of a portrait that may be all that remains of the secret love of her life While largely unknown outside of Spain Leopoldo Alas was one of the most celebrated writers of criticism in nineteenth century Spain and employed his satirical talents to powerful and humorous effect in fiction His Only Son was Alas s second and final novel full of characteristic humor naturalistic detail descriptive beauty and moral complexity His frail and pitiful characters irrational emotional actors drawn inexorably toward their foolish fates are yet multidimensional individuals often conscious of their own weaknesses and stymied by their very yearnings to be more than the parts they find themselves playing History is Our Mother: Three Libretti Alice Goodman, 2017-07-18 The first appearance of Alice Goodman's two internationally renowned and controversial libretti alongside one of her masterful translations An NYRB Classics Original Nixon in China and The Death of Klinghoffer played a crucial role in bringing opera back to life as a contemporary art form and they have been popular and in the case of Klinghoffer highly controversial ever

since they were first staged by the director Peter Sellars in the eighties and nineties Both operas were conceived from the start as collaborations between composer and writer and their power is due as much to the dazzlingly constructed and deeply felt libretti of the poet Alice Goodman as they are to John Adams s music Nixon in China is a story at once heroic comic and unnerving of men and women making history and of their different conceptions of what history is and what it means to makes it Klinghoffer by contrast has at its center the tragedy of an innocent man condemned at the cost of his life to play a part in history History Is Our Mother which takes its title from a line sung by the title character in Nixon in China brings Goodman's two libretti together for the first time in book form Included alongside Goodman's no less inspired translation of Emanuel Schikaneder's famous libretto to The Magic Flute these vivid dramas of character and searching meditations on fate are here revealed as among the most original ambitious and accomplished poetic achievements of our time São Bernardo Graciliano Ramos, 2020-05-05 A masterwork about backcountry life by one of Brazil's most celebrated novelists Paulo Hon rio is a sometime field hand who has kicked and clawed and schemed his way to prosperity becoming master of the decrepit estate S o Bernardo where once upon a time he toiled He is ruthless in his exploitation of his fellow man but when he makes a match with a fine young woman he is surprised to discover that this latest acquisition as he sees it may be somewhat harder to handle It is in Paulo Hon rio s own rough hewn voice that the great Brazilian writer Graciliano Ramos often compared to William Faulkner tells this gritty and dryly funny story of triumph and comeuppance a tour de force of the writer s art that is beautifully captured in Padma Viswanathan s new translation Motley Stones Adalbert Stifter, 2021-05-04 The first complete English translation of the nineteenth century Austrian innovator's evocative elemental cycle of novellas For Kafka he was my fat brother Thomas Mann called him one of the most peculiar enigmatic secretly audacious and strangely gripping storytellers in world literature Often misunderstood as an idyllic poet of beetles and buttercups the nineteenth century Austrian writer Adalbert Stifter can now be seen as a radical experimenter with narrative and a forerunner of nature writing s darker currents One of his best known works the novella cycle Motley Stones now appears in its first complete English translation a rendition that respects the bracing strangeness of the original In six thematically linked novellas including the beloved classic Rock Crystal human dramas play out amid the natural cycles of the Alps or the urban rhythms of Vienna environments so keenly observed that they emerge as the tales most indomitable protagonists Stifter's human characters are equally haunting children braving perils eccentrics and loners harboring enigmatic torments We seek to glimpse the gentle law that guides the human race Stifter famously wrote What he glimpsed more often than not was the abyss that lies behind the idyll The tension between his humane sensitivity and his dark visions is what lends his writing its heartbreaking power Ernesto Umberto Saba, 2017-03-28 A coming of age story that is a classic of gay literature now in English for the first time An NYRB Classics Original Ernesto is a classic of gay literature a tender and complex tale of sexual awakening by one of Italy s most admired poets Ernesto is a sixteen year old boy from an educated

family who lives with his mother in Trieste His mother is eager for him to get ahead and has asked a local businessman to give him some workplace experience in his warehouse One day a workingman makes advances to Ernesto who responds with willing curiosity A month of trysts ensues before the boy begins to tire of the relationship finally escaping it altogether by engineering his own dismissal And yet his experience has changed him and as Umberto Saba s unfinished autobiographical story breaks off Ernesto has struck up a new oddly romantic attachment to a boy his own age

Decoding **Slow Days Fast Company The World The Flesh And La Tales**: Revealing the Captivating Potential of Verbal Expression
