Watchman Keith Albin, 2008-01-09 When Jesus left this earth He said He would return and for all to be prepared However in order to be prepared one must have at least a general knowledge of what is going to happen Jesus also told us that He has foretold all things and the Bible does indeed contain all the information needed for preparation So why do we need these poems These poems contain nothing new and if everyone was reading Gods Word with understanding there would have been no need for these poems to have ever been written However because so few people are reading the Bible and because so much misinformation has been attached to Christianity especially on the subject of eschatology God has decided in these final days to speak unto man in terse sundry ways These poems are given as a brief summary of the gospel and the prophets They are intended to give the reader enough of a review of the Bible to be prepared for that time ahead when Satan and his fallen angels will be back on this earth These poems contain enough information to allow the reader to recognize the sequence of events when the four winds are released These poems will provide the reader with the necessary knowledge to recognize and refuse the mark of the beast when it is time to make that choice So that there will be no confusion as to the sequence of events relating to the Second Advent of Christ let us hear the words of Paul Let no man deceive you by any means for that day shall not come except until there come a falling away first and that man of sin be revealed the son of perdition who opposeth and exalteth himself above all that is called God or that is worshipped so that he as God sitteth in the temple of God shewing himself that he is God For the mystery of iniquity doth already work only he who now letteth will let until he be

taken out of the way And then shall that wicked be revealed whom the Lord shall consume with the spirit of his mouth and shall destroy with the brightness of his coming even him whose coming is AFTER the working of Satan with all power and signs and lying wonders and with all deceivableness of unrighteousness in them that perish because they received not the love of the truth that they might be saved 2Thess 2 1 10 It is important to note that Satan will come first pretending to be God or more accurately the returning Christ and that the real Christ comes after Satan is allowed his hour of temptation This will be a time of testing and only those who receive the love of the truth of Gods Word will be able to survive the test In other words those who are not familiar with what God has spoken through his Word the Bible about this time in history will be like the five virgins who had no oil for their lamps Mt 25 1 13 The most important truth to know from Gods Word about this time ahead is that the false comes first This piece of information will clear up many misconceptions and misinterpretations of Bible warning scriptures There is also a false doctrine that has been introduced into the Church within the last 175 years that teaches that true believers will be raptured off the earth prior to Satans allotted time This is a dangerous concept for it will just make Satans work of gathering souls to fill the ranks of hell that much easier The Bible teaches that Christ is only coming back one more time and that is AFTER Satans allotted time on earth No one is going anywhere until this time of testing is completed Bear in mind Satan and his fallen angels will possess supernatural powers and will be capable of deceiving even some of the most knowledgeable and faithful Are you prepared for that In the parable of the ten virgins Mt 25 1 13 Jesus is warning us what will happen if we are not prepared The use of the word virgins is apropos since Paul has stated that he wants to present the Church to Christ as a chaste virgin 2Cor 11 2 The oil f **roses of bitter sorrow** Christopher Goben the Raven,2011-01-05 Roses like love are a thing of beauty but should be admired from afar The sting of the rose s thorn drives under the skin of humanity so does loves bitter sorrow Those who know well the feel of the broken heart and that of shattered dreams knows the muck of the world Like all that is written here among these poems They will know that they are not alone in their gloomy world of darkness As here through my words I give them all and you as well a gift I give the understanding that times are not always as bad as they sometimes seem I give you all Roses of Bitter sorrow *The Vine of a Naked Child II* Mary Elizabeth Moorman,2009 People who think they know everything are not willing to change anything Some people think that all they have in life is what is in front of them So they settle They stay weak Looking at Mary Thompson she has it all in tact the perfect painted face the perfect hairstyle and is well dressed however underneath the woven layers lays dormant a killer of souls He is all she knows or is it Mary Thompson never expected to grow up the way she did abused misused and rejected around each corner All grown up looking in the mirror is when her true enemy reveals himself to her She discovers that he is her family s enemy too Only Mary stands a chance of saving them from an eternal death But can she save them Can she even save herself from sliding deeper into a dark pit only to have the enemy ravish her again Will she have enough strength to carry that endless burden Psychologically destroyed unstable and inexperienced in

Death is set during the Boxer Rebellion 1898-1901 an anti imperialist struggle waged by North China's farmers and craftsmen in opposition to Western influence Against a broad historical canvas the novel centers on the interplay between its female protagonist Sun Meiniang and the three paternal figures in her life One of these men is her biological father Sun Bing an opera virtuoso and a leader of the Boxer Rebellion As the bitter events surrounding the revolt unfold we watch Sun Bing march toward his cruel fate the gruesome sandalwood punishment whose purpose as in crucifixions is to keep the condemned individual alive in mind numbing pain as long as possible Filled with the sensual imagery and lacerating expressions for which Mo Yan is so celebrated Sandalwood Death brilliantly exhibits a range of artistic styles from stylized arias and poetry to the antiquated idiom of late Imperial China to contemporary prose Its starkly beautiful language is here masterfully rendered into English by renowned translator Howard Goldblatt
