The Church as the Family of God and the Care for Creation Khisi, Maximian, 2019-02-19 Of late there has grown in African Catholicism the concept of Church as the Family of God Familia Dei which has enhanced greater social cohesion among the members of the Church and strengthened interpersonal relationships among them This book is an endeavour to offer a path towards the solution of the problem of environmental crisis through the theological discipline of ecclesiology Using the Catholic Archdiocese of Lilongwe's understanding of Church as the Family of God the book concludes that the application of the concept of Church as family of God while bringing great social cohesion among the people failed to extend to human relationships with the natural world in fact It has broadened the human feeling of superiority over the natural environment The book provides an ecclesiological complementarity which promotes a universal fraternity among people and the natural world and recommends an ecclesiological concept of Church as New Creation Nova creatio This would serve as a call for human beings to make a new ecological conversion leading new lifestyles change in their models of nature worldviews and change in the models of production and consumption The Way of the Sea Roald Kverndal, 2008-01-01 The sea has been both a source of bounty and a bridge of communication through the ages The Way of the Sea explores the unique role of seafarers in promoting the revealed plan of the Creator and Redeemer of both land and sea As a follow up to The Seamen's Mission Kverndal's comprehensive survey of maritime mission presents both historical and current perspectives While The Way of the Sea provides a much needed tool for the developing field of maritime Missiology people from all walks of life will learn from the rich history and culture of kingdom minded seafarers *The New Evangelization*, 2015-02-26 The Second Vatican Council endorsed an engagement with the modern and secularized world through a renewed proclamation of the Gospel John Paul II described this as the New Evangelization and in 2010 Benedict XVI confirmed this priority by creating the Pontifical Council for Promoting the New Evangelization to re propose the perennial truth of the Gospel The New Evangelization was the subject of the Synod of Bishops in 2012 and in 2014 Pope Francis gave his
