New apps appear daily promising they will make you more productive, and countless blog posts, YouTube videos, and podcasts tell you to try this or that new innovative idea. The truth is the only way you will get more done is to do more. No new app, system, or idea will ever replace that simple fact. But there is a problem with this. To get more done, you have to do more in a way counter to the culture we live in today. We are supposed to take more breaks, be more gentle with ourselves to protect our mental health, and slow down when we feel tired. All good advice, but it does not help us to be more productive if to be more productive means we have to do more. In *Your Time, Your Way*, Time Well Managed, Life Well Lived, Carl Pullein gives you the secrets, tools, and processes you need to make more time in your work life and personal life to do more better. **A Spy for the Union** Corey Recko, 2013-09-20.
