

STATEMENTS ON RESPONSIBILITIES IN TAX PRACTICE

SEPTEMBER 1964

Introduction

The Program

The program contemplates publication of a numbered series of Statements on Responsibilities in Tax Practice by the Institute's committee on Federal taxation.

The Significance of Statements

The series of statements is intended to constitute a body of opinion on what are good standards of tax practice, delineating the extent of a CPA's responsibility to his client, the public, the Government, and his profession. Each statement will cover a particular aspect of tax practice. In addition to a consideration of the legal requirements of the taxing authority (applicable to all tax practitioners), the statements will present the committee's opinions of what it considers to be appropriate standards of responsibility in tax practice.

The Objectives

The principal objectives of the program are:

1. To identify and develop appropriate standards of responsibility in tax practice and to promote their uniform application by CPAs.
2. To encourage the development of increased understanding of the responsibilities of the CPA by the Internal Revenue Service.

*Issued by the Committee on Federal Taxation of the
American Institute of Certified Public Accountants*
