Surprise For Mitzi Mouse:

A Surprise for Mitzi Mouse Kathleen Bullock, 1989 Mitzi a young mouse resents the presence of her new sister Fifi until she comes to like having her around **Using Wordless Picture Books** Katharyn E. Tuten-Puckett, Virginia H. Richey, 1993 This companion guide to Wordless Almost Wordless Picture Books offers hundreds of ideas for using wordless picture books in the classroom or library A special author section focuses on ten major authors another section focuses on recent titles with annotations and bibliographies **The Whole Story** John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences Children's Book Review Service Children's Book Review Service, 1989 Something about the Author Diane Telgen, 1994 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers Entries cover personal life career writings and works in progress adaptations additional sources and photographs The Horn Book Guide to Children's and Young Adult Books , 1990 Prefixes and Other Word-Initial Elements Urdang Staff, 1996 **Paperbound Books in Print** , 1991 *Forthcoming Books* Rose Arny, 1990 **Multiple Worlds of Child Writers** Anne Haas Dyson, 1989 Based on a two year study of first graders at a magnet school in the San Francisco Bay Area Multiple Worlds of Child Writers Friends Learning to Write provides an important missing link in the study of emergent literacy the peer group and the classroom contexts that surround it Using four richly detailed case studies the author portrays the process through which Margaret the teacher and her children form a community one supported by and supporting of the children s growth as writers Dyson offers new perspectives by displaying the quality of life in the classroom through children s talk drawings and writing The theoretical framework presented here for understanding children s growth moves what is usually considered background to the foreground for study Most works on children s writing stress that children must disembed or decontextualize their written texts from dependency on other symbolic media and other people Dyson however shows that to develop as writers children s text must become progressively more embedded in the social affective and intellectual parts of their lives The book also emphasizes the nature of the classroom rather than the home as a distinctive context for early literacy growth Moreover the classroom is an urban one that includes children from diverse social and ethnic backgrounds The classroom and children whose lives fill this book challenge current thinking about such critical issues as the developmental links between writing and other symbol systems sequence and variability in early writing growth the relationship between form and function in young children s writing and the development of literary language This book is a must for early childhood educators reading and language arts specialists and scholars researchers in the field of literacy
