The Dead Husband Cookbook Danielle Valentine, 2025-08-05 One husband well done When infamous chef restauranter and television personality Maria Capello s husband died the media circus was intense and quick to cast the blame Whispers claimed Maria murdered her husband to build her culinary empire on his bones and that there was an all too grisly reason his body was never recovered Yet for the past few decades the Capello family maintained their stoney silence until now Thea Woods has no idea why she was chosen to work with Maria on her sure to be infamous memoir but she doesn t question her luck Spirited away to the Capello s rustic upstate farm she s soon embroiled in the mystery and cut off from the rest of the world It should be the job of a lifetime but something s not quite right with the close knit clan and Damien Capello isn t the only one to go mysteriously missing over the years As the true story of Maria's past unfolds and the stench of rot hidden behind the kind coastal grandmother veneer rises Thea finds herself trapped and desperately afraid Because there are reasons why Damien's body was never found and why in over thirty years Maria Capello has never revealed the secret ingredient in her most famous recipe Mystery Stories David Helwig, 2010 These stories are peopled by revenants shades of their characters remembered lives lovers who died friends who betrayed them or whom they betrayed apparitions in dreams visions and voices that speak unexpectedly out of the past The mystery of personality keeps them vividly present even when they are long dead These are absences that contain lives an artist Reuben Sachs who painted an image of a hanged man and a few weeks later shot himself leaving an irreparable indelible impression on the mind of a young neighbour A blind man in dreams relives the beauty of the city of Venice which he visited many years before but could not see An independent woman a boldly adventurous young war reporter is reduced to an ancient bedridden body who on her hundredth birthday finds a faint voice to ask a young visitor if he has seen her book indicating the record of her life which lies nearby on a table A man thinks back to the day he as small boy hid on a staircase and looked down at a now long vanished fashionable crowd dancing and drinking at a New Year's celebration in 1950 in an old hotel owned by his parents in which he will spend his entire childhood and youth These are varied and intricate tales told by observers and keepers of the past The mystery they so sharply catch and elucidate is the essential one each asking What am I What were those others who meant so much to me What is this life that I have lived Short stories The New Great American Writers Cookbook Dean Faulkner Wells, 2009-10-20 Published in 1981 The Great American Writers Cookbook was a treasure trove of recipes submitted by the country's most celebrated authors.
