and Monongahela Rivers that join to create the great Ohio River that opened the West to adventurous Americans At the time Germany was unified in 1871 Pittsburgh was a village of 75 000 inhabitants Today it is a thriving metropolis the fifth largest city in the United States It was steel that created work for thousands of families Steel provided them with schools hospitals fine roads and tall buildings At the same time we learned that Berlin was on a parallel growth pattern I believe that such growth is the result of peace throughout both lands We can all agree that war is absent as economic growth brings full bellies and general happiness to the people The audience shouted Hoch Hoch Hoch I want to share with you a secret I ve kept for many years I am not only an industrialist I am a preacher The audience fell silent awaiting an explanation from the diminutive elder Yes dear friends I am a preacher but a very special type I preach peace I preach the peace that our Lord Jesus Christ desired for all mankind As I turn and face his Majesty Wilhelm II I see a man who also preaches peace for the world When I first met the Emperor a decade ago he told me that Europe is too small to be divided into so many small states He said that he had long considered a plan for a federation of Europe I asked him what such a scheme would accomplish
