Strategies to Support Struggling Adolescent Readers, Grades 6-12 Katherine S. McKnight, Lisa Hollihan Allen, 2018-03-02 When students are in elementary school a teacher who has expertise in teaching the fundamentals of reading instructs them At the middle and high school level that stops and the timing could not be worse The literacy demands increase exponentially yet typically schools do not teach adolescents how to successfully read the increasingly difficult materials they encounter throughout their

day As the rigor increases in their classes student coping skills become less effective Consequently the achievement gap becomes wider and more difficult to close during the adolescent years When it comes time to prescribe an intervention middle and high school teachers are hitting a wall Decoding and comprehension materials are often presented at an elementary level The students feel bad enough that they struggle with reading assigned baby work increases the stigma This book addresses the need for 6 12 teachers to have appropriate literacy intervention materials to use with struggling adolescent readers This book will also help teachers learn how to support any adolescent reader struggling or not when they encounter challenging text The book features two strands decoding and comprehension Each strand contains lessons materials a difficulty dial tips for implementation and student samples *The Guided Reading Classroom* Nancy L. Witherell, 2007 Teacher resource containing organization tips mini lessons sample weekly plan classroom scenarios and reproducible materials for activities to assist students in developing their reading abilities *No More Theories Please!* L. K. Masao, 2009-01-16 No More Theories Please A Guide for Elementary Teachers is a classroom management guide for current and prospective elementary classroom teachers In the book Masao discuss the 3 Rs of management rules routines and reinforcement as well as behavior management plans and organization Some chapters provide templates of management systems that the author created and implemented successfully in her own classroom Unlike many other education texts this book does not speak in theoretical terms Rather it provides a how to guide that clearly defines each strategy and procedure The book is divided into three sections organization routines rules and reinforcement and classroom behavior management systems Each section has three or four chapters and provides tangible and pragmatic steps that can be taken to create the structured environment desired Masao writes with a conversational tone guiding the reader through the process
