Books Out Loud ,2004 *Words on Cassette*, 2002 R R Bowker Publishing,2002 **Books in Print Supplement** ,2002 **Index to Jewish Periodicals** ,2002 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **The Miracle of the Kurds** Stephen Mansfield,2014-10-14 New York Times best selling author Stephen Mansfield was witness to much of the modern history of the Kurds In this riveting account Mansfield movingly tells the stories of the people who have fashioned one of the greatest economic and cultural resurrections in human history They are the largest people group in the world without a homeland of their own Despised and persecuted the world over they even call themselves the people without a friend Saddam Hussein tried to wipe them from the face of the earth killing several hundred thousand of them in the attempt Their sufferings have become legend They are the Kurds descendants of the ancient Medes best known today from the pages of the Bible inhabitants of what the world now calls Northern Iraq Yet today the Kurds are rebuilding so brilliantly from war and oppression that even their enemies call it a miracle Six star hotels stand where bombs once fell shopping malls and gleaming schools rise where massacres once occurred National Geographic and Conde Nast have listed modern Kurdistan as a must see tourist destination **Praying for Miracles** Newton Walkin, *The Crisis* ,2002-03 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens

Ain't Nobody Be Learnin' Nothin' Caleb Rossiter,2015-04-01 America s most challenged families are segregated into high poverty schools Despite a 20 year experiment in nationwide school reform few students make it over the slippery bridge to the middle class In this book you will meet the students families teachers and administrators who struggle inside this failed system and consider proposals to give them a fighting chance Caleb Rossiter recounts his experiences as a math teacher of African American 9th and 10th graders in the poorest wards of the nation s capital He describes the obstacles facing teachers who are held accountable for the performance of students whose average skills are years below grade level Rossiter also a professor of statistics at American University explains how the No Child Left Behind law allows school districts to use so called data driven measures of teacher and even school effectiveness that ignore learning deficiencies and behavior patterns that began before a child s first day in school These measures violate basic norms of statistical analysis yet are used to make comparisons and draw policy level conclusions He exposes the pretense of success claimed by school reformers who pressure teachers to award unearned grades and if they won t paper over failure with imitation classes euphemistically termed credit recovery He then offers reasonable solutions that would enable children who attend school ready to learn to be

freed from the disruption of poorly socialized peers who can be better served in alternative settings Beyond the Miracle Allister Sparks,2003-10-15 In Sparks third book on South Africa he writes about the outcomes and continuing struggles of a post Mandela elected government The democracy faces a widening gap between rich and poor continued racial and ethnic tensions and conflicts with other countries such the Congo and Zimbabwe He describes it as a land where the First and Third World meet with examples that are important to other countries facing the same challenges The Rivals Jeremiah Clemens,1860 **The Rivals** Hon. Jere. Clemens,2022-08-03 Reprint of the original first published in 1860 American Foreign Policy and Political Ambition James Lee Ray,2013-08-20 In his eagerly awaited second edition of American Foreign Policy and Political Ambition James Ray revisits his deceptively simple premise that the highest priority of leaders is to stay in power Looking at how political ambition and domestic pressures impact foreign policymaking is the key to understanding how and why foreign policy decisions are made The text begins by using this analytic approach to look at the history of foreign policymaking and then examines how various parties inside and outside government influence decision making In a unique third section the book takes a regional approach not only covering trends other books tend to miss but giving students the opportunity to think comprehensively about how issues intersect around the globe from human security and democratization to globalization and pollution Guided by input from adopters and reviewers Ray has thoroughly re organized the book and streamlined some coverage to better consolidate the historical institutional regional and topical chapters and focus the thematic lens of the book Ray has also brought the book fully up to date addressing the latest events in American foreign policy including the wars in Afghanistan and Iraq the killing of Bin Laden the WikiLeaks scandal and its aftermath the impact of social media on foreign policy and world affairs nuclear proliferation developments in U S Russian relations climate change and more New York Magazine ,1992-11-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea China's Global Engagement Jacques deLisle,Avery Goldstein,2017-05-30 Assessing China s rapidly changing role on the international stage China is again undergoing a period of significant transition Internally China s leaders are addressing challenges to the economy and other domestic issues after three decades of dramatic growth and reforms President Xi Jinping and other leaders also are refashioning foreign policy to better fit what they see as China s place in the world This has included a more proactive approach to trade and related international economic affairs a more vigorous approach to security matters and a more focused engagement on international cultural and educational affairs In this volume China specialists from around the world explore key issues raised by a changing China s interaction with a changing world They chronicle China s emergence as a more capable actor whose engagement is reshaping international

affairs in many dimensions These include global currency and trading systems patterns of cooperation and competition in technological innovation economic and political trends in the developing world the American led security order in the Asia Pacific region the practice of international military and humanitarian intervention the use of naval power the role of international law in persistent territorial and maritime disputes in the East and South China Seas the international human rights regime the circulation of Chinese talent trained abroad a more globalized film industry and programs to reshape global cultural awareness about China through educational initiatives Across these diverse areas China s capacity and desire to influence events and outcomes have risen markedly The results so far are mixed and the future trajectory remains uncertain But across the wide range of issues addressed in this book China has become a major and likely an enduring participant
