Kondo,2003-06-30 Many companies that are achieving the most significant business results today made a shift in focus from
the management of quality in the twentieth century to the quality of management in the twenty first century The big
difference is that these companies focus on quality as a fundamental organization and market wide strategy for their
company s competitiveness Quality into the 21st Century Perspectives on Quality and Competitiveness for Sustained
Performance focuses on the call for a more expansive use of quality practices throughout business in the twenty first century
than in their original application in manufacturing It also calls for a definitive emphasis on the use of quality principles
throughout health care education technology medicine and government The editors compiled a collection of papers that focus
on the emerging themes in quality including social values privacy security and software quality *EC Law Facing the New
