Arizona Revised Statutes, Annotated Arizona, 1956 **Small Town America** Clifton Cedric Edom, Edom, Vi, Verna Mae Edom Smith, 1993 These documentary photographs are the best from the University of Missouri Photography Workshop's 43 years truly an historical record of the heartbeat of America of family of tradition of change Small town America's uniqueness and universality is revealed in 215 duotone prints **The Little Theatre on the Square** Beth Conway Shervey, 2000 Beth Conway Shervey examines the cultural consequences of an Equity theatre in a small midwestern farm town Although many in the Midwest and beyond know the story of The Little Theatre On The Square in Sullivan Illinois Shervey is the first to consider what the existence of such a theatre means to perceptions of life in the town To tell the story of Sullivan and of its star theatre in a cornfield from the perspective of the residents involved Shervey uses oral history and and dozens of photographs by David W Mobley the theatre's longtime photographer Sullivan resembles most small towns in the Midwest and The Little Theatre differs little from most professional summer stock theatres Yet taken together the small town and its theatre are clearly unusual and the existence of the theatre obviously alters perceptions of life in the small town Before the theatre opened in 1957 Sullivan decidedly was a product of its time the town sported a strong local chapter of the WCTU moral people avoided taverns liberals and Catholics were the minorities and the population was predominantly white While the theatre didn't effect instant change it did introduce people to Sullivan who were obviously different Stars such as Betty Grable Cesar Romero Margaret Hamilton and Pat O'Brien came into town Aspiring actors and those behind the scenes also mingled with the residents of Sullivan As a result Shervey finds Sullivan faced such issues as racism homophobia urban liberalism and alcohol consumption at a much faster rate than similar towns For some the theatre disrupted a sense of the normal for others the theatre made life in Sullivan different and interesting breaking the restrictive bonds typically associated with small towns **Small Town America** Clifton Cedric Edom, Edom, Vi, Verna Mae Edom Smith, 1993 **Dogs Bark, but the Caravan Rolls On** Frank Conroy, 2012-09-06 A superb blend of personal essays and journalistic articles on everything from fatherhood to writing workshops to jazz musicians Chicago Sun Times At once subtle and dazzling these pieces collected from such publications as Esquire Harper's Magazine and GQ serve as both a wide ranging journey through topics like art and music and an autobiographical look into the life of one of our most acclaimed literary figures the author of such books as Stop Time and Body Soul and a director of the renowned Writers Workshop at the University of Iowa Publishers Weekly An interesting and well done anthology Conroy takes on such topics as learning to play pool fatherhood the value of now disappearing small towns in instilling family values the enthusiasms of jazz musician Wynton Marsalis and of course the Writers Workshop Library Journal Highly enjoyable and illuminating Dogs Bark is simply one of the best books published in a long long time Fort Worth Star Telegram **Dictionary of Missouri Biography** Lawrence O.
