channeling the bewildered fascination of many observers declared that Lenny's outrageous rise and spectacular fall was the greatest story that I have ever seen in my lifetime Now for the first time Lenny tells all about his tumultuous career from battling through crippling pain to steroid use and drug addiction to a life of indulgence and excess then an epic plunge and the long road back to redemption Was Lenny's hard charging risk it all nature responsible for his success in baseball and business and his precipitous fall from grace What lessons if any has he learned now that he has had time to think and reflect Hilarious unflinchingly honest and irresistibly readable House of Nails makes no apologies and leaves nothing left unsaid
