Longings From Behind and Beyond The Walls Rukhsana Ayyub, 2021-08-13 Longings from Behind and Beyond the Walls by Rukhsana Ayyub A memoir about the life of my mother and other women in her family living loving and sometimes rebelling against the confines of the veils and the walls in a small town in Pakistan Conflicting desires of wanting the freedom yet longing for the protection and safety the walls provided Creating wonderful opportunities for her children yet fearing their independence A reminder that change cannot be forced unless one is ready to accept it Change is possible and the yearning to be free eventually does win even if it takes a few generations to bring about that change

Execution Geoffrey Abbott, 2006-04-04 In his own darkly humorous style Geoffrey Abbott describes the instruments used and their effectiveness and reveals the macabre origins of familiar phrases such as gone west or drawn a blank as well as the jargon of the underworld He covers everything from the preparation of the victim to the disposal of the body Execution is everything you ever wanted to know about the ultimate penalty and a lot you never thought to ask It includes such hair raising categories as Cave of Roses A rare Swedish method of execution in which the victim was confined to a cave full of snakes and poisonous reptiles Bastinado Involved the victim being caned gently and rhythmically with a lightweight stick on the soles of the feet until the mental collapse and eventual death of the victim Sewn in an Animal's Belly A living person is sewn into the belly of an animal and left to die The Spanish Donkey This method of torture consisted of seating a victim on top of a wall that resembled an inverted v with weights attached to the ankles the weights slowly increased until the victim's body split in two Iron Chair The victim is tied to

an iron armchair and pushed nearer and nearer to a blazing fire Sawn in Half Victims are secured in a standing position pinned between two wide boards fixed between a stake driven deep into the ground while two executioners one on each side would wield a long two handled saw downwards through the boards Execution is a unique fascinating look at the grim and gritty history of sanctioned death *Women's Reading in Britain, 1750-1835* Jacqueline Pearson,1999-05-27 The first broad overview and detailed analysis of female reading audiences in this period *Soul Algorithm* Sekar Manickam Retd IPS,2025-06-06 *Soul Algorithm* is a transformative journey into the unseen architecture of consciousness Blending spiritual insight with poetic depth this book reveals a dynamic inner pattern that shapes your thoughts emotions and destiny a living code unique to every soul yet echoing universal intelligence Through sixteen profound chapters it guides you to recognize the subtle calculations your soul makes in every moment unveiling intuition timing and purpose as part of a deeper design This is not just a philosophy but a mirror and a compass for those ready to navigate life with clarity presence and alignment Welcome to the remembering ***Sadika's Way*** Hina Haq,2004-05-01 The clock had started ticking for Sadika from the day she was born into her traditional Pakistani village family She must be married off to somebody while she is still a teenager or she will be considered a hopeless failure Carefully planned marriages are a long tradition in Pakistan as they are throughout South Asia where women have little social status and fewer individual rights and much of their value is measured by how good of a marriage can be arranged for them Sadika must be married off first because she is the eldest of three daughters It would be a disgrace an indelible stigma if a younger daughter was married first The enormous tension that accompanies this ancient ritual makes *Sadika's Way* at once a very funny and instructive work of fiction we watch as mothers vie with each other on their daughters behalf for the affections of the most eligible males We see them in their homes and listen to their conversations as they boast to each other about their daughters qualities real and imagined The infighting gets intense even downright nasty all fed by the desperation that grows quite naturally out of a system that literally holds the fate of women in its hands *Sadika's* coming of age and final journey to a new life involve culture clashes and family characters worthy of a modern South Asian Jane Austen This is a social comedy with serious undertones and a rare novel of manners which spans the world in both time and space ***The Seasons of Trouble*** Rohini Mohan,2015-10-20 For three decades Sri Lanka's civil war tore communities apart In 2009 the Sri Lankan army finally defeated the separatist Tamil Tigers guerrillas in a fierce battle that swept up about 300 000 civilians and killed more than 40 000 More than a million had been displaced by the conflict and the resilient among them still dared to hope But the next five years changed everything Rohini Mohan's searing account of three lives caught up in the devastation looks beyond the heroism of wartime survival to reveal the creeping violence of the everyday When city bred Sarva is dragged off the streets by state forces his middle aged mother Indra searches for him through the labyrinthine Sri Lankan bureaucracy Meanwhile Mugil a former child soldier deserts the Tigers in the thick of war to protect her family Having survived they struggle to live as the Sri Lankan state continues to attack

minority Tamils and Muslims frittering away the era of peace Sarva flees the country losing his way and almost his life in a bid for asylum Mugil stays breaking out of the refugee camp to rebuild her family and an ordinary life in the village she left as a girl But in her tumultuous world desires plans and people can be snatched away in a moment The Seasons of Trouble is a startlingly brutal yet beautifully written debut from a prize winning journalist It is a classic piece of reportage five years in the making and a trenchant compassionate examination of the corrosive effect of conflict on a people *Conscious Leadership* John Mackey, Steve Mcintosh, Carter Phipps, 2020-09-15 A WALL STREET JOURNAL BESTSELLER From Whole Foods CEO John Mackey and his coauthors a follow up to groundbreaking bestseller *Conscious Capitalism* revealing what it takes to lead a purpose driven sustainable business John Mackey started a movement when he founded Whole Foods bringing natural organic food to the masses and not only changing the market but breaking the mold Now for the first time *Conscious Leadership* closely explores the vision virtues and mindset that have informed Mackey's own leadership journey providing a roadmap for innovative value based leadership in business and in society *Conscious Leadership* demystifies strategies that have helped Mackey shepherd Whole Foods through four decades of incredible growth and innovation including its recent sale to Amazon Each chapter will challenge you to rethink conventional business wisdom through anecdotes case studies profiles of conscious leaders and innovative techniques for self development culminating in an empowering call to action for entrepreneurs and trailblazers to step up as leaders who see beyond the bottom line *The First Marine Captured in Vietnam* Donald L.
