State Of Israel A Historical Economic:

The State of Israel Galina Stepanovna Nikitina,1973 **Nation, State and the Economy in History** Alice Teichova,Herbert Matis,2003-05-08 Originally published in 2003 this book addresses the rarely explored subject of the reciprocal relationships between nationalism nation and state building and economic change Analysis of the economic element in the building of nations and states cannot be confined to Europe and therefore these diverse yet interlinked case studies cover all continents Authors come to contrasting conclusions some regarding the economic factor as central while others show that nation states came into being before the constitution of a national market The essays leave no doubt that the nation state is an historical phenonemon and as such is liable to expiry both through the process of globalisation and through the development of a cyber society which evades state control By contrast developments in southeastern Europe the former USSR and parts of Africa and the Far East show that building the nation state has not run its course **Booms and Busts: An Encyclopedia of Economic History from the First Stock Market Crash of 1792 to the Current Global Economic Crisis** Mehmet Odekon,2015-03-17 This timely and authoritative set explores three centuries of good times and hard times in major economies throughout the world More than 400 signed articles cover events from Tulipmania during the 1630s to the U S federal stimulus package of 2009 and introduce readers to underlying concepts recurring themes major institutions and notable figures Written in a clear accessible style Booms and Busts provides vital insight and perspective for students teachers librarians and the general public anyone interested in understanding the historical precedents causes and effects of the global economic crisis Special features include a chronology of major booms and busts through history a glossary of economic terms a guide to further research an appendix of primary documents a topic finder and a comprehensive index It features 1 050 pages three volumes 8 1 2 X 11 topic finder photos chronology glossary primary documents bibliography and index *Jews in the Soviet Union: A History* Gennady Estraiikh,2022-12-20 This book describes the joy and problems in life of the multilayered Soviet Jewish society during the years between Josef Stalin s demise in March 1953 and Moscow s breaking of diplomatic relations with Israel in June 1967 [Comprehending Antisemitism through the Ages: A Historical Perspective](#) Armin Lange,Kerstin Mayerhofer,Dina Porat,Lawrence H. Schiffman,2021-08-23 This volume traces the history of antisemitism from antiquity through contemporary manifestations of the discrimination of Jews It documents the religious sociological political and economic contexts in which antisemitism thrived and thrives and shows how such circumstances served as support and reinforcement for a curtailment of the Jews social status The volume sheds light on historical processes of discrimination and identifies them as a key factor in the contemporary and future fight against antisemitism [Settler Economies in World History](#) Christopher Lloyd,Jacob Metzger,Richard Sutch,2013-01-08 Settler Economies in World History is a comparative wide ranging historical study of the experience of the modern settler societies that have followed a distinctive economic and institutional path to the present from their neo European origins **Israel**

Anita Shapira,2014-08-05 A history of Israel in the context of the modern Jewish experience and the history of the Middle East

Land Rights, Ethno-nationality and Sovereignty in History Stanley Engerman,Jacob Metzger,2004-08-02 The complex relationships between ethno nationality rights to land and territorial sovereignty have long fed disputes over territorial control and landed rights between different nations ethnicities and religions These disputes raise a number of interesting issues related to the nature of land regimes and to their economic and political implications The studies drawn together in this key volume explore these and related issues for a broad variety of countries and times They illuminate the diverse causes of ethno national land disputes and the different forms of adjustment and accommodation to the power differences between the contesting groups This is done within a framework outlined by the editors in their analytical overview which offers contours for comparative examinations of such disputes past and present Providing conceptual and factual analyses of comparative nature and wealth of empirical material both historical and contemporary this book will appeal to economic historians economists political scientists sociologists anthropologists and all scholars interested in issues concerning ethno nationality and land rights in historical perspective

The Arab Minority In Israel's Economy Noah Lewin-epstein,Moshe Semyonov,2019-07-11 The Arab Minority in Israel s Economy considers the Arab population as an integral albeit disadvantaged part of Israeli society Using data from a thirty year period the book looks at Arab participation in the economy especially in the labor market showing how significant socioeconomic inequality persists despite a fundamental tenet of Israel s declaration of independence asserting equality of political and social rights of all its citizens Taking an ethnic competition perspective the authors explore the extent of inequality uncovering the institutional and social processes that influence it They examine the role of local labor markets and individual human resources giving special attention to the growing labor force participation of Arab women They also consider the gains of the majority Jewish population that have resulted from competition and economic discrimination against Arabs Although the Arab community in Israel has been studied in the past this book is unique in its detailed analysis of employment activity within and outside of the Arab sector and in examining both Arabs and Jews within the stratification system The book fosters deeper understanding of Israeli society and of multi ethnic societies more generally
