Surprising Insights From The Unchurched And Proven Ways To Reach Them:

Surprising Insights from the Unchurched and Proven Ways to Reach Them Thom S. Rainer, 2009-08-08 We've read all the hot books on evangelism we've attended scores of seminars and still we're not reaching the unchurched Eighty to ninety percent of churchless Americans will never darken our culturally relevant seeker sensitive doors What are we missing Maybe we've been asking the wrong people Instead of consulting the unchurched masses it's time we heard what the small but important minority who have recently begun attending a church have to say What made the difference for them What critical factors helped spark their faith in Jesus and drew them into the community of believers Thom S Rainer dean of the Billy Graham School of Missions Evangelism and Church Growth shares the results and conclusions of his school's groundbreaking survey of the formerly unchurched At last here are proven insights into what evangelistically effective churches are doing right Flying in the face of much contemporary wisdom the answers will surprise you This is truly one of the most valuable resources you can own as a church leader Filled with charts graphs and other visual aids plus an abundance of true life accounts this book explodes common myths about the unchurched You'll discover Why pastors and doctrinal preaching are critical The enormous influence of family and relationships Which things matter more than we'd thought and which matter less What causes visitors to return The traits of unchurched reaching leaders How to preach effectively to the unchurched How to become a church for the unchurched And much much more This eye opening compendium of information includes reproducible appendices that can help you fine tune or even restructure your church From one of the nation's foremost authorities on evangelism and church growth here are insights and tools that will change the way you think of and deal with and win unchurched men and women who long to connect with God Photocopyable material includes Unchurched Reaching Readiness Inventory Church Health Survey THE EVANGELISM HANDBOOK Edward D. Andrews, 2017-01-07 *Soul Whisperer* Gary Comer, 2013-02-19 What if we changed the face of evangelism In a time when so many have a negative perception of evangelism what if a new model was entirely biblical loaded with skills and more effective *Soul Whisperer* shifts the emphasis from telling to a drawing paradigm It develops biblically the pattern of Jesus who did not give static presentations but rather customized his words to each hearer By learning his ways our words too can have pinpointed impact Christians will discover how to draw out first in order to read their friends and discern the relevant appeal of the gospel In this way the style is far more dynamic It adapts Understanding the non believer's unique starting point will determine a distinct path By creating a conversation about spiritual influence and what is involved in faith formation this book charts ways for Christians to go deeper in evangelistic relationships Most importantly *Soul Whisperer* infuses skills that will shape a more Christ likened missional disciple Go Fish Shonn Keels, 2022-01-04 *Go Fish* addresses one of the greatest challenges in the American evangelical church today APATHY Research reveals a very small percentage of the church is actively engaged in the mission of God This research also points out many in the church are comfortable with

their disobedience to the Great Commission Go Fish is an actual Doctor of Ministry research project and it offers an answer for the church today This resource is academic Biblical and practical **C. S. Lewis: Anti-Darwinist** Jerry

Bergman,2016-11-11 It is commonly believed that C S Lewis was a theistic evolutionist a conclusion based on a few statements that he made in The Problem of Pain and Mere Christianity A careful study of his writings reveals not only that for most of his life he was not a theistic evolutionist but strongly opposed Darwinism especially towards the end of his life

Branded Faith Rajkumar Dixit,2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In *Branded Faith* Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in *Branded Faith* a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society [How to Teach a Nation to Read](#) Dr.

FUNDAMENTALS OF THE CHRISTIAN FAITH Edward D. Andrews,Reuben Archer Torrey,2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is

not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies **The Reality of Christianity: Being a Christian-Believer** Lida,2019-04-17 What The What Is Going On At Church Have you ever been in a room and everyone is smiling but you re not You feel as though something is missing and wrong Today people are esteeming culture tradition and ethnicity above the Church with lukewarm standards and dismissal of any Scripture that requires humility meekness and change in character and behavior The Church is missing accountability for Righteous living You know there is confusion when people try to make Christianity synonymous with other religions People are trying to merge Christianity with other ideologies and beliefs in order to substantiate lifestyle choices root comes from the pit of Hell Christianity is unique and set apart from all other faiths and religions Christianity has the GODhead a personal Saviour Jesus Christ fully GOD and fully human the indwelling power of the Holy Spirit inside of Christian Believers and GOD the Father who is the mastermind over all things living and non living The GODhead is all power all present and all knowing As Christian Believers we must come out of complacency to be an example of Jesus Christ to the world because people are lost They need to know about the path of Christianity to the GODhead Christianity is the way to bring order to all of this chaos and show the right path to everlasting life I pray that this book will bring you to the Cross and strengthen your walk in Christianity Motivate yourself to put Faith N Motion and begin to show What The What you are doing by Faith because without Faith it is impossible to please GOD This book is written by Faith
