Survival On A Westward Trek 1858 1859:

Survival on a Westward Trek, 1858-1859 John Jones, Dwight La Vern Smith, 1989 When gold was discovered in the Fraser River country of British Columbia in the 1850s St Paul Minnesota became the departure point for the plunge westward as was St Louis for the American gold rushes Minnesotans soon caught the fever Nine young men set out in July of 1858 for the goldfields of British Columbia Struggling through inhospitable territory losing their way and barely surviving the winter battered remnants of the splintered party straggled out into the Oregon country in the spring apparently having abandoned their dream of gold One of the few available accounts of Canadian overlanders in the gold rush this book is the journal of John Jones a member of the party Occasionally he sent a narrative letter of their progress to newspapers back in Minnesota but the bulk of this book is Jones informative daily entries portraying the agony and the drama of this frustrated trek Beyond its intrinsically readable and informative value the Jones journal has significance as a historical document It is the earliest Canadian gold rush account and it stands alone for the year 1858 Maskepetoon Hugh A. Dempsey, 2011-02-01 As a leader Maskepetoon was respected for his skill as a hunter his generosity and his wisdom He was considered a lucky chief a man who found buffalo on the edge of the plains who avoided unnecessary conflicts with enemies but protected his camp like a mother grizzly her cubs And in the turbulent mid 1800s that s exactly the kind of leader the Rocky Mountain Cree needed Maskepetoon followed his own inclinations for peace and friendship He formed allegiances with missionaries and guided settlers through the Rockies Yet if necessary he could kill with impunity rule with an iron hand and show no mercy where he believed none should be shown He transformed his people from woodland trappers to buffalo hunters and from woodsmen to prairie dwellers always keeping their interests at heart Hugh A Dempsey s account of the legendary chief and his life includes insights from the Cree people of today including descendants of Maskepetoon and new information on the chief of the same name who lived in the United States during this time **Montana, the Magazine of Western History** ,1993 *Journal of the West* Lorrin L. Morrison, Carroll Spear Morrison, 1991 **Alberta History** ,1989 Oregon Historical Quarterly Oregon Historical Society, 1990 *The Bloomsbury Review* ,1989 Has also occasional unnumbered supplements **San Francisco Review of Books** ,1989 America, History and Life ,1992 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide *The American West* ,1990-02
