Sucheng Chan

Survivors Cambodian Refugees In The United States Asian American Experience:

Survivors Sucheng Chan, 2004-05-05 In this clear comprehensive and unflinching study Sucheng Chan invites us to follow the saga of Cambodian refugees striving to distance themselves from a series of cataclysmic events in their homeland. Survivors tracks not only the Cambodians' fight for life but also their battle for self-definition in new American surroundings. Unparalleled in scope, Survivors begins with the Cambodians' experiences under the brutal Khmer Rouge regime, following them through escape to refugee camps in Thailand and finally to the United States where they try to build new lives in the wake of massive trauma. Their struggle becomes primarily economic as they continue to negotiate new cultures and deal with rapidly changing gender and intergenerational relations within their own families. Poverty, crime, and racial discrimination all have an impact on their experiences in America, and each is examined in depth. Although written as a history, this is a thoroughly multidisciplinary study, and Chan makes use of research from anthropology, sociology, psychology, medicine, social work, linguistics, and education. She also captures the perspective of individual Cambodians. Drawing on interviews with more than fifty community leaders, a hundred government officials, and staff members in volunteer agencies, Survivors synthesizes the literature on Cambodian refugees, many of whom come from varying socioeconomic backgrounds. A major scholarly achievement, Survivors is unique in the Asian American canon for its memorable presentation of cutting-edge research and its interpretation of both sides of the immigration process.

Not Just Victims Audrey U. Kim, 2003 Not Just Victims contains twelve oral histories based on conversations with Cambodian community leaders in eight American cities: Long Beach, Philadelphia, Washington D.C., Seattle, Portland, Tacoma, and the Massachusetts towns of Fall River and Lowell. Unlike the dozens of autobiographies published by Cambodians that focus largely on their victimization, these narratives describe how Cambodian refugees have adapted to life in the United States. Sucheng Chan's extensive introduction provides a historical framework; she discusses the civil war (1970-75), the bloody Khmer Rouge revolution (1975-79), the border war during the Vietnamese occupation of Cambodia (1979-89), and the additional travails faced by those who escaped to holding camps in Thailand. The book also includes an essay on oral history and a substantial bibliography.

The Oxford Handbook of Asian American History David Yoo, Eiichiro Azuma, 2016 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area. The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II, from the experience of exclusion, violence, and racism to the social and political activism of the late twentieth century. The authors explore many of the key aspects of the Asian American experience, including politics, economy, intellectual life, the arts, education, religion, labor, gender, family, urban development, and legal history.

Asian American Culture Lan Dong, 2016-03-14 Providing comprehensive coverage of a variety of Asian American cultural forms, including folk tradition

literature religion education politics sports and popular culture this two volume work is an ideal resource for students and general readers that reveals the historical regional and ethnic diversity within specific traditions An invaluable reference for school and public libraries as well as academic libraries at colleges and universities this two volume encyclopedia provides comprehensive coverage of a variety of Asian American cultural forms that enables readers to understand the history complexity and contemporary practices in Asian American culture The contributed entries address the diversity of a group comprising people with geographically discrete origins in the Far East Southeast Asia and the Indian subcontinent identifying the rich variations across the category of Asian American culture that are key to understanding specific cultural expressions while also pointing out some commonalities Entries are organized alphabetically and cover topics in the arts education and politics family and community gender and sexuality history and immigration holidays festivals and folk tradition literature and culture media sports and popular culture and religion belief and spirituality Entries also broadly cover Asian American origins and history regional practices and traditions contemporary culture and art and other forms of shared expression Accompanying sidebars throughout serve to highlight key individuals major events and significant artifacts and allow readers to better appreciate the Asian American experience Asian American History and Culture: An Encyclopedia Huping Ling, Allan W. Austin, 2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set **Asian Americans** Xiaojian Zhao, Edward J.W. Park Ph.D., 2013-11-26 This is the most comprehensive and up to date reference work on Asian Americans comprising three volumes that address a broad range of topics on various Asian and Pacific Islander American groups from 1848 to the present day This three volume work represents a leading reference resource for Asian American studies that gives students researchers librarians teachers and other interested readers the ability to easily locate accurate up to date information about Asian ethnic groups historical and contemporary events important policies and notable individuals Written by leading scholars in their fields of expertise and authorities in diverse professions the entries devote attention to diverse Asian and Pacific Islander American groups as well as the roles of women distinct socioeconomic classes Asian American political and social movements and race relations involving Asian Americans *Cambodian American Youth, Identity, and Schooling* Vichet Chhuon, 2025-06-27 This book examines how Cambodian American high school youth reconcile

stereotypes identities and school opportunities and the ways these factors impact academic achievement and well being through ethnographic research The backdrop for Cambodian American life is intimately embedded within how Asians and Asian Americans are imagined within U S society This book argues that how Cambodian American students negotiate certain identities are in relation to perceived advantages associated with ethnic and panethnic labels across varying social contexts It highlights how the embrace of the model minority stereotype can come at a psychological cost for Asian Americans including increased feelings of internalized racism The chapters draw on ethnographic research collected across two years in one Southern California community Through students own meaning making it shows readers how Cambodian American youth are simultaneously invisible and hyper visible in their school and community which shapes access to important identities and relationships This work invites interrogation of the Asian American category itself and seeks to move the fields of Asian American and educational studies forward by critically examining not only how the model minority stereotype is constructed and imposed but also how it can be adopted and affirmed by Asian American youth themselves Practitioners who work with marginalized and underrepresented students and students of courses such as Asian American studies anthropology cultural studies and education and psychology will find this to be a helpful and enlightening text The accessible and clear writing makes this book of interest to a general audience as well

The Neuropsychology of Asian-Americans Daryl Fujii, 2011-01-11 This volume is the first comprehensive resource to assist neuropsychologists to provide culturally competent services to Asian Americans provide an optimal environment for test administration interpret tests within a cultural context and give culturally sensitive feedback and recommendations It also provides an insight of how neuropsychology is currently practiced in different Asian countries

In Defense of Asian American Studies Sucheng Chan, 2005 In Defense of Asian American Studies offers fascinating tales from the trenches on the origins and evolution of the field of Asian American studies as told by one of its founders and most highly regarded scholars Wielding intellectual energy critical acumen and a sly sense of humor Sucheng Chan discusses her experiences on three campuses within the University of California system as Asian American studies was first developed in response to vehement student demand under the rubric of ethnic studies Chan speaks by turns as an advocate and an administrator striving to secure a place for Asian American studies as a teacher working to give Asian American students a voice and white students a perspective on race and racism and as a scholar and researcher still asking her own questions The essays span three decades and close with a piece on the new challenges facing Asian American studies Eloquently documenting a field of endeavor in which scholarship and identity define and strengthen each other In Defense of Asian American Studies combines analysis personal experience and indispensable practical advice for those engaged in building and sustaining Asian American studies programs

Psychosocial Aspects of the Asian-American Experience Namkee G Choi, 2021-02-25 Discover intervention strategies for issues affecting Asian Americans This important book examines the childhood adolescence young adulthood and aging stages of Asian Americans to help

researchers and practitioners offer better services to this ethnic group Psychosocial Aspects of the Asian American Experience will help you understand the ethnic and cultural diversity within the Asian American population and offers both quantitative and qualitative research that may impact social policies and social services for Asian Americans Representing Chinese Japanese Filipinos Koreans Asian Indians Vietnamese Hmong Cambodians and native born Hawaiians this helpful book covers a wide span of individual ethnic identities in order to represent the scope of the Asian American subculture The topics and problems examined in Psychosocial Aspects of the Asian American Experience include ethnic identity acculturation and cultural orientation psychological adjustment of adoptees attitudes and behavior of adolescents regarding academic achievement social network composition depression and other mental health problems dating violence and domestic abuse substance abuse aging In addition to analyzing these problems this book also presents culturally competent intervention strategies to assist human services practitioners in offering their clients relevant services that are appropriate for their ethnic backgrounds beliefs and experiences This book is also a valuable resource for researchers policymakers and graduate students and faculty members in the areas of social work sociology psychology and ethnic studies

Survivors Cambodian Refugees In The United States Asian American Experience: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Survivors Cambodian Refugees In The United States Asian American Experience : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
