Sustainability And Spirituality:

Spirituality and Sustainability Satinder Dhiman, Joan Marques, 2016-06-13 This book aims to examine sustainability and spirituality philosophically with ethics as the balancing force The goal is to reveal the important intersection between sustainability and spirituality by using spirituality as the invisible guiding hand in the quest for sustainability The editors and contributors examine old social and economics dilemmas from a new perspective in order to provide alternative approaches to economic and social development The enclosed contributions cover a broad range of topics such as sustainable development and human happiness contemporary spirituality environmental ethics and responsibility and corporate social responsibility In addition the title features real world case studies and discussion questions that inspire self reflection and theoretical and empirical deliberation in academic courses and business seminars Contemporary approaches to economic and social development have failed to address humankind's abiding need for spiritual growth For material development to be sustainable spiritual advancement must be seen as an integral part of the human development algorithm While the policy makers and governments can play their respective role each one of us has to consciously adopt spirituality and sustainability as a way of life This book will rely on the spiritual power of individuals to heal themselves and the environment Featuring interdisciplinary perspectives in areas such as science marine biology environmental policy cultural studies psychology philosophy ecological economics and ethics this book will provide extensive insights into the complimentary fields of spirituality sustainability and ethics

Spirituality, Sustainability, and Success Christopher G. Beehner, 2024-04-23 This book offers a pragmatic approach to the benefits of spirituality and sustainability for both individual and organizational success It introduces sustainability and workplace spirituality as contemporary solutions to the challenging organizational environment The first few chapters introduce the fundamentals of spirituality workplace spirituality and sustainability The author then demonstrates how the three qualities are beneficial in achieving personal and business success Through the combination of synthesized research summaries and case studies of individuals and organizations this book offers readers a fresh perspective on the importance of spirituality and sustainability to organizational performance

Science and Spirituality for a Sustainable World Deepanjali Mishra, 2019 Spiritual masters through the ages have devised methods different than those of science for investigating the great mystery of nature by for example immersing themselves in it making use of silence stillness and solitude The scientific and spiritual quests have been the two great quests of humanity but somehow a feeling has developed that science is antagonistic to spirituality Since the whole of reality is built up of both matter and consciousness why should the quest for the understanding of order in the external world be antagonistic to the quest for the understanding of order in the inner world of our consciousness Science and Spirituality for a Sustainable World Emerging Research and Opportunities brings together theories methodologies new ideas experiences and applications emphasizing the importance of both spirituality and skill for leadership and sustainable management sensitizing leaders and

management practitioners toward the spirituality skill paradigm skill based leadership and highlighting the role of spiritual values for environmental sustainability Featuring a wide range of topics that focus on the relationship between spirituality and science such as spiritual education management practices and traditional wisdom this book is essential for researchers academicians administrators managers professionals policymakers and students **Sustainability and Spirituality** Anne Mitchell, Friends Committee on Unity with Nature.
