Sketches of Algeria During the Kabyle War (Classic Reprint) Hugh Mulleneux Walmsley, 2017-12-10

Excerpt from *Sketches of Algeria During the Kabyle War*: Meeting one day with a French officer of some standing whom I had previously known in the East during the Russian campaign, I received an invitation to him in Algeria, whither he was ordered. An expedition for the final subjugation of Kabylia was talked of. Here then was an opportunity such as I had long sought for and might never meet with. But permission had to be obtained from the French Minister at War, and it was in vain I solicited that permission, though backed by the recommendation of Lord Cowley and the British Embassy. How I besieged Marshal Vaillant, and how I totally failed in moving him to grant me permission to accompany the French invading column, how through the kindness of the Chief of the Staff in Algeria I partially succeeded, would afford little interest to the reader.
