Sketches Of The Life And Correspondence Of Nathanael Greene Two Volumes:

Sketches of the Life and Correspondence of Nathanael Greene William Johnson, 2015-02-24 This is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics The collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric It also includes riveting first person accounts of historic battles and wars Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world As with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc We believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections We hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works

Sketches of the Life and Correspondence of Nathanael Greene; Major General of the Armies of the United States, in the War of the Revolution Anonymous, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1822 edition Excerpt with regard to them be as inaccurate as they are with regard to the numbers Chap with the southern army the deficiencies in the Virginia line must have been v DEGREES DEGREES DEGREES much greater than that admitted The field return of the army of the same date with Mr Jefferson s statement gives of the Virginia brigade five hundred and thirty four rank and file fit for duty thirty metrosses and seventy four cavalry about one half the number claimed by the state The deficiency of six hundred and twenty two if with the army must be made up of noncommissioned officers musicians sick and absent on duty But it is well known that the cavalry especially never equalled one hundred instead of three Yet there was obviously no want of zeal in the government of Virginia to discharge its duty in the common cause Their legislature being in session when General Greene was moving southwardly passed a most liberal act in consequence of the requisitions which he made upon them But laws without the means of carrying them into effect can neither create or supply an army Very little aid to the southern army ever grew out of that law Yet there was one hardship which the southern department generally and Virginia in particular had at this time to complain of which has remained unnoticed although its effects were at the time very sensibly felt When Congress resolved more in the spirit of policy than of faith not to carry into effect the convention of Saratoga the troops captured with Burgoyne were marched into the interior of Virginia and here they were subsisted altogether by Virginia The subsistence of prisoners at this time required of the state two thousand rations per day and was so much subtracted from

Sketches of the Life and Correspondence of Nathanael Greene, Major General of the Armies of the United States, in the War of the Revolution, Vol. 1 of 2 (Classic Reprint) William Johnson, 2016-09-19 Excerpt from *Sketches of the Life and Correspondence of Nathanael Greene Major General of the Armies of the United States in the War of the Revolution Vol 1 of 2* This made a trip to rhode island indispensable and during the summer of 1 818 I was

occupied in exploring the private cabinets of his friends in the northern and eastern states It is impossible to express my sense of the polite attention which I received from the friends and admirers of General Greene during these researches The intelligence had preceded me that I was collecting materials for the Biography of General Greene and original documents were showered upon me from all quarters while his friends showed themselves ever ready to listen to and satisfy all those explanatory inquiries which the materials already in my hands suggested I found that the general's early correspondence had been religiously preserved and that various small collections of historical materials had been made which were now liberally communicated to me to aid in a work in the promotion of which every one manifested an individual interest I must here express my sense of the kind attentions of General Gibbs at present Governor Gibbs of Rhode Island of his brother Colonel Gibbs of long island and of the surviving brothers and nephews of General Greene also of his two early friends Colonel Ward and General Vsrnum who had passed their youth in habits of unrestrained intimacy with the subject of these Sketches and could furnish of him what may be called the delineations of the heart About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Papers of Thomas Jefferson, Retirement Series, Volume 19 Thomas Jefferson, 2023-04-18 The Retirement Series documents Jefferson's written legacy between his return to private life on 4 March 1809 and his death on 4 July 1826 During this period Jefferson founded the University of Virginia and sold his extraordinary library to the nation but his greatest legacy from these years is the astonishing depth and breadth of his correspondence with statesmen inventors scientists philosophers and ordinary citizens on topics spanning virtually every field of human endeavor *The Papers of Robert Morris, 1781-1784, Volume 2* Robert Morris, 1975-07-15 Although Robert Morris 1734 1806 the Financier of the American Revolution was a signer of the Declaration of Independence the Articles of Confederation and the Constitution a powerful committee chairman in the Continental Congress an important figure in Pennsylvania politics and perhaps the most prominent businessman of his day he is today least known of the great national leaders of the Revolutionary era This oversight is being rectified by this definitive publication project that transcribes and carefully annotates the Office of Finance diary correspondence and other official papers written by Morris during his administration as superintendent of finance from 1781 to 1784

The Life of John Marshall

Albert Jeremiah Beveridge,1919 The Life of John Marshall Albert Jeremiah Beveridge,2005-01-01 John Marshall 1755 1835 became the fourth chief justice of the U S Supreme Court despite having had almost no formal schooling and after having studied law for a mere six weeks Nevertheless Marshall remains the only judge in American history whose distinction derives almost entirely from his judicial career During Marshall s nearly 35 year tenure as chief justice he wielded the Constitution s awe inspiring power aggressively and wisely setting the Supreme Court on a course for the ages by ensuring its equal position in the triumvirate of the federal government of the United States and securing its role as interpreter and enforcer of the Constitution Marshall s judicial energies were as unflagging as his vision was expansive This four volume life of Marshall received wide acclaim upon its initial publication in 1920 winning the Pulitzer Prize that year and makes fascinating reading for the lawyer historian and legal scholar The Life of John Marshall Albert J. Beveridge,2000-08 Excerpt from The Life of John Marshall Volumes I and II 1755 1801 In making these acknowledgments I do not in the least shift to other shoulders the responsibility for anything in these volumes That burden is mine alone About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
