Office,1976 Literary Recordings Library of Congress. General Reference and Bibliography Division,Archive of Recorded
Poetry and Literature (Library of Congress),1966 The Poems of [William] Shakespeare ed. w. introd. a. notes by George
Wyndham William Shakespeare,1898 *The poems of Shakespeare, ed. with an intr. and notes by G. Wyndham* William
Shakespeare,1898 *Celebrating Global Warming: Magpie Poems From Cold Lake And Deadmonton* Martin Avery,
Long to Love and Memory: Poetry John Banister Tabb,2017-07-07 The exquisite poetry of John B Tabb 1845 1909 is rich
in technical precision and concise expression His keen perspective looks carefully around peers into the depths of the soul
and gazes up at the heights Little in nature escaped Father Tabb s notice flowers birdsong the beating of the rain the
passage of sun moon and stars the cycles of the seasons and the march of the years Everywhere he saw reflections and heard
echoes of the gamut of human experience loneliness and companionship losses and rewards regrets and hopes man and God
He expressed the essence of his unique vision in a profusion of small poems This collection of 244 poems most of which have
no more than eight lines displays the best of Tabb s work gathered into sets that showcase his various approaches to similar
topics With notes to help the reader with unfamiliar words and concepts Long to Love and Memory brings John B Tabb s
gems out into the light once more and sets them anew for a new century Disguised as a Poem Judith Tannenbaum,2000
Tannenbaum reminds readers not only that men and women behind bars are human and therefore deserving of our respect
and compassion but that they have much to tell us about our propensity for both barbarism and beauty Booklist *The*
Summer Confessions Ellen Bilher,2008 **Bequeathed Writings and Poems of Hermann Lauscher** Hermann Hesse,
Published in Basel in 1901 though often attributed to 1900 Hinterlassene Schriften und Gedichte von Hermann Lauscher was
presented as the posthumous papers of one Hermann Lauscher a playful literary device concealing the true author Hermann
Hesse himself Issued by a small Basel publisher Reich this book is a curious hybrid of prose and poetry half fiction and half
autobiography Hesse then in his early twenties adopted the persona of Hermann Lauscher as a kind of alter ego or fictional
narrator The volume includes Lauscher s introspective sketches reflections on art and life and interspersed poems all
purportedly found and published after Lauscher s untimely death In reality of course the work was entirely Hesse s own
creation an early experiment in blending life and art The publication history of Hermann Lauscher is notable it had a limited
release as a booklet but it succeeded in drawing critical attention Positive reviews about this book caught the eye of the
eminent publisher Samuel Fischer in Berlin who then reached out to Hesse Thus Hermann Lauscher became a turning point
it impressed the literary establishment enough to give the young writer his first big break with a major publisher Initially
dismissed as obscure Hermann Lauscher gained retrospective acclaim for its avant garde structure and psychological acuity

The work's pseudonymous framing echoing the ironic detachment of early modernism underscores Hesse's growing distrust of literary pretension. Its thematic preoccupations—artistic paralysis, the commodification of beauty, anticipate the self-referential critiques of his later novels, cementing its role as a harbinger of 20th-century literary introspection. This new edition features a contemporary translation of Hermann Hesse's early work, making his philosophical and existential literature accessible to modern readers. Enhanced by an illuminating afterword that focuses on Hesse's personal and intellectual relationship with Carl Jung, a concise biography, a glossary of essential philosophical terms integral to his writings, and a detailed chronology of his life and major works, this robust edition introduces readers to the brilliance of Hesse's literature. It captures the depth and nuance of Hesse's thought and highlights its enduring impact on contemporary culture and spiritual inquiry throughout the 20th century.

Last Summer With Maizon Jacqueline Woodson, 2002-05-27

Margaret loves her parents and hanging out with her best friend Maizon. Then it happens like a one-two punch during the summer she turns eleven: first Margaret's father dies of a heart attack, and then Maizon is accepted at an expensive boarding school far away from the city they call home. For the first time in her life, Margaret has to turn to someone who isn't Maizon—who doesn't know her heart and her dreams. Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story of nearly adolescent children, but a mature exploration of grown-up issues: death, racism, independence, the nurturing of the gifted black child, and most important, self-discovery. *The New York Times*

Kenneth Burke on Shakespeare Kenneth Burke, 2006-12-13

This volume gathers and annotates all of the Shakespeare criticism, including previously unpublished notes and lectures, by the maverick American intellectual Kenneth Burke. 1897–1993: Burke's interpretations of Shakespeare have had an impressive influence on important lines of contemporary scholarship. Playwrights and directors have been stirred by his dramaturgical investigations, and many readers outside academia have enjoyed his ingenious dissections of what makes a play function. Burke's intellectual project continually engaged with Shakespeare's works, and Burke's writings on Shakespeare in turn have had an immense impact on generations of readers. Carefully edited and annotated with helpful cross-references, Burke's fascinating interpretations of Shakespeare remain challenging, provocative, and accessible. Read together, these pieces form an evolving argument about the nature of Shakespeare's plays and poems. Included are thirteen analyses of individual plays and poems, an introductory lecture explaining his approach to reading Shakespeare, and a substantial appendix of hundreds of Burke's other references to Shakespeare. Scott L. Newstok also provides a historical introduction and an account of Burke's legacy. Burke's enduring familiarity with Shakespeare likely helped shape his own theory of dramatism, an ambitious elaboration of the *teatrum mundi* conceit. Burke is renowned for his landmark 1951 essay on *Othello*, which wrestles with concerns still relevant to scholars more than a half-century later. His ingenious ventriloquism of Mark Antony's address over Caesar's body has likewise found a number of appreciative readers, as have, albeit less frequently, his many other essays on the playwright. Burke's first and final

pieces of literary criticism both examine Shakespearean plays thereby bookending an impressive career long contribution to the field of Shakespeare studies Among the many major Shakespearean critics who have gratefully acknowledged Burke's influence are Paul Alpers Harold Bloom Stanley Cavell Ren Girard Stephen Greenblatt and Patricia Parker *Poetry for recitation* Poetry,1885 **Poetry Prescription: Words for Love** Deborah Alma,2025-01-23 This beautiful pocket sized hardback gift book contains carefully curated prescriptions in verse compiled by Deborah Alma the founder of the Poetry Pharmacy Life is lived with feeling these poems look at all the many manifestations of love For All Matters of the Heart Stimulants for Romantic Love Panaceas for the Broken Hearted for the Appreciation of Fellowship Family and for the Promotion of Tenderness Includes poems by W B Yeats Walt Whitman William Shakespeare Edna St Vincent Millay D H Lawrence and many more No bitter pills No adverse reactions The Poetry Prescription series compiled by Deborah Alma is the perfect antidote for life's ailments Inspired by the achingly cool Poetry Pharmacy shops in London and Shropshire social media favourites with a clear focus on promoting wellbeing through the written and spoken word Each of the eight themed titles offers an array of poems to inspire heal and comfort Whether you are looking to find solace for times of ill health loss and grief cope with matters of the heart need poetic inspiration for courage and confidence or want to find peace and tranquillity in wild spaces there is a collection for everyone Perfect for reading aloud or for quiet contemplation these books are a much needed balm for our busy lives **Who's Who in Twentieth Century World Poetry** Alan Parker,Mark Willhardt,2005-12-05 Publicity Title Foreword by Andrew Motion Poet Laureate 900 entries by 75 international contributors all experts in their field Covers both canonical and lesser known contemporary poets Very broad range of coverage taking in poets from all over the world The only book of its kind to look at non English language poets in such detail *Orpheus Descending and Suddenly Last Summer* Tennessee Williams,2016-02-25 Two of Tennessee Williams's most revered dramas in a single paperback edition for the first time *Orpheus Descending* is a love story a plea for spiritual and artistic freedom as well as a portrait of racism and intolerance When charismatic drifter Valentine Xavier arrives in a Mississippi Delta town with his guitar and snakeskin jacket he becomes a trigger for hatred and a magnet for three outcast souls storekeeper Lady Torrance lewd vagrant Carol Cutrere and religious visionary Vee Talbot *Suddenly Last Summer* described by its author as a short morality play has become one of his most notorious works due in no small part to the film version starring Elizabeth Taylor Katharine Hepburn and Montgomery Clift that shocked audiences in 1959 A menacing tale of madness jealousy and denial the horrors in *Suddenly Last Summer* build to a heart stopping conclusion With perceptive new introductions by playwright Martin Sherman he reframes *Orpheus Descending* in a political context and explores the psychology and sensationalism surrounding *Suddenly Last Summer* this volume also offers Williams's related essay *The Past the Present and the Perhaps* and a chronology of the playwright's life and works **The Last Summer of the World: A Novel** Emily Mitchell,2008-07-17 Absorbing Mitchell's novel is the real thing *Boston Globe* In the summer of 1918 with the Germans

threatening Paris Edward Steichen arrives in France to photograph the war for the American army There he finds a country filled with poignant memories for him early artistic success marriage the birth of two daughters and a love affair that divided his family Told with elegance and transporting historical sensitivity Emily Mitchell s first novel captures the life of a great American artist caught in the reckoning of a painful past in a world beset by war A Finalist for the New York Public Library s Young Lion s Fiction Award and named a Best Book of the Year by the Providence Journal the Austin American Statesman and the Madison Capital Times **Simile and Metaphor in Greek Poetry from Homer to Aeschylus** Arthur Leslie Keith,1914
