Skydark Spawn:

SKYDARK SPAWN James Axler, 2014-01-15 **BLIND FORTITUDE** Survival in America's nuke blasted frontier is both a curse and a salvation for Ryan Cawdor and his warrior companions. Though the basic needs of existence must be fought for and won with blood each day alive means another chance to seek refuge and a better way of life in a hostile and brutal world where hope still fires the human heart. **FOUL IMPETUS** In the relatively untouched area of what was once Niagara Falls Ryan and his fellow wayfarers find the pastoral farmland under the despotic control of a twisted baron and his slave breeding farm. Ryan, Mildred and Krysty are captured by the baron's sec men and pawned into the cruel frenzy of their leader's grotesque desires. JB Jak and Doc enlist the aid of outlanders to organize a counter strike but rescue may come too late for them all. In the Deathlands you are sentenced to your destiny from the moment of birth. *Palaces of Light* James Axler, 2012-05-01 Remnants of America's past are littered across the postapocalyptic landscape but little remains of the predark ideals of law and order. Survival is a blood quest and lethal force the means to power. Still a handful retains their humanity among the coldhearts and in a world where nothing lasts forever hope is a commodity as precious as jack. Steeped in beauty and mysticism the canyons of Mesa Verde, Colorado survived the blast that altered the American West. Hired to track a group of missing children Ryan Cawdor and his band follow the trail to a legendary city carved in stone older and stronger than the nukocaust. The inhabitants of the palaces of light are more than warriors and survivors they are masters of mind games that prey on illusion. And true believers in a metaphysical endgame poised to push the companions over the edge of reality into certain death. Thunder Road James Axler, 2008-09-01 *Thunder Road* by James Axler released on Sep 01 2008 is available now for purchase. *Lost Gates* James Axler, 2011-11 Baron Crabbe is dangerously high on legends of the Trader and rumors of a secret cache. His ace in the hole is Ryan Cawdor and his band his prisoners. Ryan knows the truth and it won't help Crabbe. But the only option is to play along with the crazed baron's scheme. Original Eden's Twilight James Axler, 2009-06-01 Rumors of an untouched predark ville in the mountains of West Virginia lure traders in search of unimaginable wealth. They're coming from all directions the good the bad the worst. Ryan and his warrior group join in although it means an uneasy truce with an old enemy going back to days of spilled blood and the legacy of the Trader. But as their journey to a place called Cascade reveals more of Deathlands' darkest secrets it remains to be seen if this place will become their salvation or their final resting place. **Haven's Blight** James Axler, 2012-01-03 Stranded in Haven the fetid swamplands of the Louisiana Gulf Ryan and his band of rebels are forced to help Baron Blackwell save Haven from a genetic blood curse when Krysty Wroth is injured and her fate hangs in the balance. **Perception Fault** James Axler, 2011-07-01 The ravaged landscape that was America two centuries ago is now blighted by post nuclear holocaust savagery. Still there remain pockets of preDark technology that may offer undiscovered paths to reclaiming the future. Ryan Cawdor and his companions have faced most kinds of horror that Deathlands can deliver and survived. This merciless place can break even

the strongest but it has yet to destroy hope Denver offers a glimpse of that very hope a power plant electricity food and freedom But the city is caught in a civil war between two would be leaders and their civilian armies Challenged by both sides to do their bidding Ryan discovers a third player in the quest to control the mile high city a secret enclave of White Coats with the strength and technology to pursue a twisted agenda of their own *Alpha Wave* James Axler,2009-09-01 In the postapocalyptic world of Deathlands the past and its way of life are as obsolete as myth Now the days are filled with death violence and little promise Still the human spirit endures and a group of intrepid warrior survivalists dare to believe that out there something better is on offer If they live long enough to find it Across the flat plains of the Dakotas an iron horse shrieks and rumbles across refurbished tracks Inside the boxcars Ryan Cawdor and his companions face trouble unlike any other Jak is missing Krysty is dying and the train is loaded with sec men whitecoats and a horrifying experiment a baron with psionic abilities using stolen children to fuel his mad dream for mind control of every living soul in Deathlands *Tainted Cascade* James Axler,2011-05-01 The blighted aftermath of a global nuclear showdown Deathlands exacts a blood price The living pay it the dead don t care For one legendary band of warriors this barbaric new world holds a chance for redemption the secrets of the past They roam a disfigured America searching for pre dark tech seeking the path to a future worth living Utah s Great Salt Lake Desert remains a death pit of scorching heat cannies and grim odds Ryan Cawdor and his group survive the trek there only to be drugged robbed and left for the slave trade Escaping their captors leaves them alive but stripped of their prized gear their weps J B Dix s glasses Dr Mildred Wyeth s medical kit and worse her secret codex The companions must rely on each other to challenge their enemy and settle the score *Baptism of Rage* James Axler,2010-07-01 The end of the world arrived in a nuclear rush forging the agonized remains of past and present into a new reality known as Deathlands Now life is a simple series of rules of survival where having is better than not having and anything is worth killing for But in a world that has seemingly turned against mankind the possibility of miracles can exist Of all the resources Ryan Cawdor and his group struggle to recoup hope for escaping the grim daily life and death struggle has suffered most But now reports of a ville holding the mythical waters of rejuvenation a fountain of youth appear to be true luring Doc and the others on a journey inspired by promise tainted by mistrust Hiring on as sec men with a convoy headed to the healing waters of Babyville the survivors discover the deadly price of immortality In the Deathlands the future looks like hell and delivers far worse **Hell Road Warriors** James Axler,2012-03-01 The human will to survive has sharpened to a knife edge after a century of postnuclear madness In a lawless land where firepower and savagery rule power lies with the barons and coldhearts who wield control through terror Against all odds a courageous few still fight for something better to live by honor decency and hope Emerging relatively unscathed from the apocalyptic rebirth of North America Canada hides a trove of Cold War era secret government installations known as Diefenbunkers filled with caches of weapons wags and food Ryan Cawdor and his companions agree to ride sec for a convoy headed west across the remnants of the old Trans Canada Highway to retrieve the

ultimate prize four portable nuclear reactors It s enough power to light up a ville for years a bright beacon for a new tomorrow But they have death on their tail a baron and his sec men who will stop at nothing to claim the prize as their own

Plague Lords James Axler,2008-12-01 After a century of chaos following the nukes Deathlands is forming pockets of civilization aided by predark stockpiles of weapons fuel and pieces of 21st century knowledge But these troves are hard to come by and survival remains a blood quest For Ryan Cawdor and his warrior survivalists luck is sparse chances slimmer yet hope drives them onward The sulphur teeming Gulf of Mexico is the poisoned end of the earth but loaded cargo ships ruined by skydark lure doomie and cutthroat alike Here Ryan and the others glean rumors of whole cities deep in South America that survived the blast intact But as the companions contemplate a course of action that may divide them a new horror approaches unseen on the horizon The Lords of Death are Mexican pirates raiding stockpiles with a grim vengeance When civilization hits rock bottom a new stone age will emerge with its own personal day of blood reckoning In the Deathlands the future could always be worse Now it is Time Castaways James Axler,2009-12-01 In the nuke altered America of the twenty first century time conspires against survival especially for a legendary group of warriors led by Ryan Cawdor Born and bred in Deathlands Ryan dares to unlock the secrets buried deep in the wreckage of a planet Time may be the enemy in the daily struggle to stay alive but perhaps it can reveal something better Barely escaping a redoubt hidden in an old aircraft carrier guarded by killer droids the companions emerge into the backwater world of Lake Superior s Royal Island Here metal and salt are commodities worth killing and dying for and two rival barons rule mutant infested land and water with blood will But though Ryan was hoping for honesty and fair trade he s soon in a death race to stop the secrets of the gateways from becoming an open passage to the future s worst enemies **Playfair's Axiom** James Axler,2011-03-01 A legendary warrior of nuke spawned America Ryan Cawdor understands the hard and fast rule of Deathlands Where there is life death is only a matter of time Still staying alive is the dubious luxury of being quick hard and willing to abide by a code of honor long abandoned to the wreckage of this postapocalyptic hell zone truth and fair play St Louis is a concrete jungle of fetid heat acid rains and cutthroats With J B Dix gravely wounded Ryan and his group become captive guests of a local barony Freedom lies in the success of a deal recapture a runaway teen daughter of the ailing baron But the dangerous power behind the throne rests with a self proclaimed holy man His gruesome manipulation of life and death are about to put the group in a race for their own salvation **Prodigal's Return** James Axler,2011-09-06 The landmark 100th episode of the popular series Searching for an operational redoubt Ryan and his companions go up against a ruthless band of coldhearts Seeing his long lost son is a shock especially when Dean shoots and wounds his father in a firefight Original **Doom Helix** James Axler,2010-09-01 Devastation from the nukewar shattered civilization and left a planet both primitive and ripe for rebirth or retaking While the balance of power has fallen to avaricious amoral barons a handful of humanity still holds hope of a future worth fighting for or dying to defend If a better life inside the hellground exists Ryan Cawdor and his friends will find it The

Deathlands feudal system may be hell on earth but it must be protected from invaders from Shadow Earth a parallel world stripped clean of its resources by the ruling conglomerate and its white coats Ryan and his band had a near fatal encounter with these genetically enhanced aggressors and their advanced weaponry and wags once before Only a fatal chink in enemy armor saved planet Earth from plunder Now these superhuman predators are back ready to topple the hellscape s baronies one by one

Blood Harvest James Axler,2010-03-01 The cataclysm of nuclear winter transmuted the world into a place both torturous and unforgiving But there are those with the courage and perseverance to seek out something beyond the merciless life and death struggle of Deathlands In a treacherous frontier that plays for keeps staying alive is the best victory Washed ashore in the North Atlantic Ryan Cawdor and Doc Tanner discover two islands still pristinely intact after Skydark but whose inhabitants suffer a darker more horrifying punishment A hideous strain of mutation manifests turning some into half monstrous giants with an unquenchable thirst for blood The Nightwalkers unleash a hellish feast of horror when the sun goes down Now Ryan and Doc struggle to survive this enclave of unimaginable terror trapped in a baronial conflict between the rulers of night and day with only one way out internecine war in a world of the damned Welcome to the dark side of tomorrow Welcome to the Deathlands

Desolation Crossing James Axler,2009-07-01 Survival is a dangerous enterprise in the aftermath of a nuked America Humanity perseveres but the Deathlands code is far simpler kill or be killed live or die trying Driven by the fires of hope a resilient band of warriors traverse the new frontier of the future survivors by skill and legends by reputation The legend of the trader returns in the simmering dust bowl of the Badlands the past calling out to armorer J B Dix Her name is Eula Young silent and lethal she s part of a new trading convoy quick to invite Ryan Cawdor and his band on a journey across the hostile terrain But high tech hardware fast wags flowing jack and friendly words don t tell the real story behind a vendetta that is years in the making

Apocalypse Unborn James Axler,2008-06-01 BLACK FLAME Reborn primeval in the fires of thermonuclear hell America s aftermath is one of manifest evil savage endurance and lingering hope Traversing the lawless continent on a journey without destination Ryan Cawdor seeks humanity in an inhuman world In the Deathlands life is cheap death is free and survival demands the highest price of all CIRCUS OF BLOOD Magus is a steel eyed cybernetic sociopath whose bloodlust knows no bounds Now the savage Pacific isles above a long submerged Southern California are his new arena Ryan wants a second chance to chill Magus once and for all But as the ringmaster of torture orchestrates his magnum opus a stunning sideshow is under way PreDark whitecoats believe they have found the key to turn back time and intercept the deed that erased human history

Downrigger Drift James Axler,2011-01-01 The nuclear cataclysm that maimed America altered the rules of existence The new reality guarantees a grim battle for survival but the higher human instinct to exist in peace and good will lives on Legends endure and Ryan Cawdor is a warrior of his time When the good fight needs to be won Ryan and his band take a stand In the nuke altered region of the Great Lakes Ryan and his group face the spectrum from the idyllic to the horrific of a world reborn Close to enclaves of peace and sanctuary

Deathlands most distorted spawn of humanity cannibals spread terror Against the battered shoreline of Lake Michigan an encounter with an old friend leads to a battle to save Milwaukee from a force of deadly mutant interlopers and to liberate one of their own
