## **Slaves In The Family:**

*Slaves in the Family* Edward Ball, 2017-10-24 Decades after this celebrated work of narrative nonfiction won the National Book Award and changed the American conversation about race *Slaves in the Family* is reissued by FSG Classics with a new preface by the author The Ball family hails from South Carolina Charleston and thereabouts Their plantations were among the oldest and longest standing plantations in the South Between 1698 and 1865 close to four thousand black people were born into slavery under the Balls or were bought by them In *Slaves in the Family* Edward Ball recounts his efforts to track down and meet the descendants of his family's slaves Part historical narrative part oral history part personal story of investigation and catharsis *Slaves in the Family* is in the words of Pat Conroy a work of breathtaking generosity and courage a magnificent study of the complexity and strangeness and beauty of the word family

**Slaves in the Family** Edward Ball, 1998-12 Explores the slave holding dynasty of Elias Ball a South Carolina plantation owner the history of slave uprisings and the memories of the descendants of those slaves

*The Sweet Hell Inside* Edward Ball, 2002-11-05 From National Book Award winner Edward Ball comes *The Sweet Hell Inside* the story of the fascinating Harleston family of South Carolina the progeny of a Southern gentleman and his slave who cast off their blemished roots and prospered despite racial barriers Enhanced by recollections from the family's archivist eighty four year old Edwina Harleston Whitlock whose bloodline the author shares *The Sweet Hell Inside* features a celebrated portrait artist whose subjects included industrialist Pierre du Pont a black classical composer in the Lost Generation of 1920s Paris and an orphanage founder who created the famous Jenkins Orphanage Band a definitive force in the development of ragtime and jazz With evocative and engrossing storytelling Edward Ball introduces a cast of historical characters rarely seen before cultured vain imperfect rich and black a family of eccentrics who defied social convention and flourished

**The Sweet Hell Inside** Edward Ball, 2001-10-02 With the panoramic story of one colored elite family who rises from the ashes of the Civil War to create an American cultural dynasty Edward Ball offers the historical and literary successor to his highly acclaimed *Slaves in the Family* a New York Times bestseller and winner of the 1998 National Book Award *The Sweet Hell Inside* recounts the lives of the Harleston family of South Carolina the progeny of a Southern gentleman and his slave who cast off their blemished roots and achieved affluence in part through a surprisingly successful funeral parlor business Their wealth afforded the Harlestons the comfort of chauffeurs tailored clothes and servants whose skin was darker than theirs It also launched the family into a generation of glory as painters performers and photographers in the high yellow society of America's colored upper class The Harlestons remarkable one hundred year journey spans the waning days of Reconstruction the precious art world of the early 1900s the back alleys of the Jazz Age and the dawn of the civil rights movement Enhanced by the recollections of the family's archivist eighty four year old Edwina Harleston Whitlock whose bloodline the author shares *The Sweet Hell Inside* features a portrait artist whose subjects included industrialist Pierre Du Pont a black classical composer in the Lost Generation of 1920s Paris an orphanage

founder who created a famous brass band from the ranks of his abandoned waifs a number of whom went on to burgeoning careers in jazz and a Harleston mistress who doubled as an abortionist With evocative and engrossing storytelling Edward Ball introduces a cast of historical characters rarely seen before cultured vain imperfect rich and black a family made up of eccentrics who defied social convention yet whose advantages could not protect them from segregation s locked doors a plague of early death and the stigma of children born outside marriage *The Sweet Hell Inside* raises the curtain on a unique family drama in the pageant of American life and uncovers a fascinating lost world

*The Family in Ancient Rome* Beryl Rawson, 1987 Provides a general picture of the main features of the Roman family and looks at important legal aspects such as property rights dowries divorce and the authority of the male with its links to political power

*The Family in Late Antiquity* Geoffrey Nathan, 2002-01-08 The Family in Late Antiquity offers a challenging well argued and coherent study of the family in the late Roman world and the influence of the emerging Christian religion on its structure and value Before the Roman Empire s political disintegration in the west enormous political religious and cultural changes took place in the period of late antiquity This book is the first comprehensive study of the family in the later Roman Empire from approximately 300 AD to 550 AD Geoffrey Nathan analyses the classical Roman family as well as early Christian notions of this most basic unit of social organisation Using these models as a contextual backdrop he then explores marriage children domestic servitude and other familial institutions in late antiquity He brings together a diverse collection of sources transcending traditional studies that have centred on the legal record

*Life in Black and White* Brenda E. Stevenson, 1997-11-06 *Life in the old South* has always fascinated Americans whether in the mythical portrayals of the planter elite from fiction such as *Gone With the Wind* or in historical studies that look inside the slave cabin Now Brenda E Stevenson presents a reality far more gripping than popular legend even as she challenges the conventional wisdom of academic historians *Life in Black and White* provides a panoramic portrait of family and community life in and around Loudoun County Virginia weaving the fascinating personal stories of planters and slaves of free blacks and poor to middling whites into a powerful portrait of southern society from the mid eighteenth century to the Civil War Loudoun County and its vicinity encapsulated the full sweep of southern life Here the region s most illustrious families the Lees Masons Carters Monroes and Peytons helped forge southern traditions and attitudes that became characteristic of the entire region while mingling with yeoman farmers of German Scotch Irish and Irish descent and free black families who lived alongside abolitionist Quakers and thousands of slaves Stevenson brilliantly recounts their stories as she builds the complex picture of their intertwined lives revealing how their combined histories guaranteed Loudoun s role in important state regional and national events and controversies Both the Declaration of Independence and the U S Constitution for example were hidden at a local plantation during the War of 1812 James Monroe wrote his famous Doctrine at his Loudoun estate The area also was the birthplace of celebrated fugitive slave Daniel Dangerfield the home of John Janney chairman of the Virginia secession convention a center for Underground Railroad

activities and the location of John Brown's infamous 1859 raid at Harpers Ferry. In exploring the central role of the family, Brenda Stevenson offers a wealth of insight we look into the lives of upper class women who bore the oppressive weight of marriage and motherhood as practiced in the South and the equally burdensome roles of their husbands whose honor was tied to their ability to support and lead regardless of their personal preference. The yeoman farm family's struggle for respectability and the marginal economic existence of free blacks and its undermining influence on their family life. Most important, Stevenson breaks new ground in her depiction of slave family life. Following the lead of historian Herbert Gutman, most scholars have accepted the idea that like white slaves, embraced the nuclear family both as a living reality and an ideal. Stevenson destroys this notion showing that the harsh realities of slavery even for those who belonged to such attentive masters as George Washington allowed little possibility of a nuclear family. Far more important were extended kin networks and female-headed households. Meticulously researched, insightful and moving, *Life in Black and White* offers our most detailed portrait yet of the reality of southern life. It forever changes our understanding of family and race relations during the reign of the peculiar institution in the American South. *The Ethics of the Family in Seneca* Liz Gloyn, 2017-02-15

Model mothers A band of brothers The mystery of marriage The desirable contest between fathers and sons The imperfect imperial family Rewriting the family **The Family System of the Paramaribo Creoles** Willem F.L.

Buschkens, 2014-10-22 1 1 General In this book the family life of the lower class Creole population of 1 Paramaribo will be discussed. This group which will henceforward be referred to as the lower class Creoles possesses a West Indian family system implying that the latter display all the main characteristics of the Caribbean Afro American family. The Creoles constitute a numerically important ethnic segment of the society of Surinam. This society is composed of different ethnic groups comprising besides a handful of Amerindians an immigrant population including people from many different parts of the world. It is made up of Creoles, Indians or Hindustanis as they are called in Surinam, Indonesians, Javanese, Chinese, Europeans, Lebanese and Bush Negroes, the latter of whom still live predominantly in tribes. The Creoles are the descendants of those Negro slaves brought to Surinam from Africa who did not escape from bondage by running away from the plantations into the Bush as their brothers, the Bush Negroes, did. The circumstances under which the bulk of the slaves lived were appalling. Nor were they or are they still in part at present much better for their descendants, the lower class Creoles.

Women and Slavery in the Late Ottoman Empire Madeline Zilfi, 2010-03-22 This book examines gender politics through slavery and social regulation in the Ottoman Empire during the eighteenth and nineteenth centuries      **Population History and the Family** Robert I. Rotberg, 2001 This collection looks at the many dimensions of the study of populations and population movements      *American Families* Stephanie Coontz, Maya Parson, Gabrielle Raley, 1999 This collection by leading scholars discusses race gender and class stressing their effects on American families It emphasizes the many varied formations of the family and the ways in which government policy class race and gender both past and present affect these various family formations in different ways      **All in the Family** Gaia Gianni, 2025-08-18 Gaia Gianni's All in the Family explores how children shaped the development of pseudo familial bonds or fictive kinship in Roman society during the early imperial period Previous scholarship on the Roman family has primarily emphasized the patriarchal and nuclear structure of the Roman family with children often represented as passive actors in a vacuum Believing this to be an oversimplification of how the Roman family functioned Gianni in her study focuses on the ways in which Roman families raised children and formed long term relationships with individuals outside of the nuclear family such as friends neighbors nurses and caretakers who gradually became full fledged members of the family unit Through a wide variety of literary works legal documents and funerary epitaphs for children set up by their families and caregivers Gianni borrows from modern sociological and anthropological theories to argue that children acted as catalysts or connecting nodes in the creation of fictive kinship with individuals who were not part of the biologically determined family In addition to illuminating the roles and experiences of these figures All in the Family reveals how this social network was integrated into the family both in practice and in ideology presenting a more complex view of the Roman family than the traditional nuclear structure      **Routes of Remembrance** Bayo Holsey, 2008-09-15 Over the past fifteen years visitors from the African diaspora have flocked to Cape Coast and Elmina two towns in Ghana whose chief tourist attractions are the castles and dungeons where slaves were imprisoned before embarking for the New World This desire to commemorate the Middle Passage contrasts sharply with the silence that normally cloaks the subject within Ghana Why do Ghanaians suppress the history of enslavement And why is this history expressed so differently on the other side of the Atlantic Routes of Remembrance tackles these questions by analyzing the

slave trade's absence from public versions of coastal Ghanaian family and community histories its troubled presentation in the country's classrooms and nationalist narratives and its elaboration by the transnational tourism industry Bayo Holsey discovers that in the past African involvement in the slave trade was used by Europeans to denigrate local residents and this stigma continues to shape the way Ghanaians imagine their historical past Today however due to international attention and the curiosity of young Ghanaians the slave trade has at last entered the public sphere transforming it from a stigmatizing history to one that holds the potential to contest global inequalities Holsey's study will be crucial to anyone involved in the global debate over how the slave trade endures in history and in memory *Family Or Freedom* Emily West,2012-10-18 In the antebellum South the presence of free people of color was problematic to the white population Not only were they possible assistants to enslaved people and potential members of the labor force their very existence undermined popular justifications for slavery It is no surprise that by the end of the Civil War nine Southern states had enacted legal provisions for the voluntary enslavement of free blacks What is surprising to modern sensibilities and perplexing to scholars is that some individuals did petition to rescind their freedom *Family or Freedom* investigates the incentives for free African Americans living in the antebellum South to sacrifice their liberty for a life in bondage Author Emily West looks at the many factors influencing these dire decisions from desperate poverty to the threat of expulsion and demonstrates that the desire for family unity was the most important consideration for African Americans who submitted to voluntary enslavement The first study of its kind to examine the phenomenon throughout the South this meticulously researched volume offers the most thorough exploration of this complex issue to date **Augustus and the Family at the Birth of the Roman Empire** Beth Severy,2004-02-24 In this lively and detailed study Beth Severy examines the relationship between the emergence of the Roman Empire and the status and role of this family in Roman society The family is placed within the social and historical context of the transition from republic to empire from Augustus' rise to sole power into the early reign of his successor Tiberius *Augustus and the Family at the Birth of the Roman Empire* is an outstanding example of how if we examine private issues such as those of family and gender we gain a greater understanding of public concerns such as politics religion and history Discussing evidence from sculpture to cults and from monuments to military history the book pursues the changing lines between public and private family and state that gave shape to the Roman imperial system *The Family Treasury* William Arnot,2023-03-18 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Gaston County, North Carolina, in the Civil War* Robert C. Carpenter,2016-04-27 Civil War histories typically center on the deeds of generals and sweeping depictions of battle This unique study of one Southern county's war experience tells of ordinary soldiers and their wives mothers and children slaves farmers merchants Unionists and deserters through an examination of tax records The recently discovered 1863 Gaston

County North Carolina tax list provides a detailed economic and social picture of a war weary community recording what taxpayers owned cataloging slaves by name age and monetary value and assessing luxury items Contemporary diaries letters and other previously unpublished documents complete the picture describing cotton mill operations the lives of slaves political disagreements rationales for soldiers enlistments and desertions and economic struggles on the home front     *The Untold Story of a Nigerian Royal Family* Joseph O Asagba,2005 The Untold Story of a Nigerian Royal Family presents the story of the Urhobo ruling family of Okpe Kingdom and its political power in Nigeria It traces the origins and history of the Okpe people and their social and political organization Topics include The Okpe revolution of the sixteenth century and the assassination of Esezi I British Colonial rule of the kingdom late 1800s 1960 Civil war between the Okpe and Olomu of Itsekiri and the palm oil trade rivalry Urhobo Itsekiri collaboration in the slave trade and slavery in eighteenth and nineteenth century Okpe The political role played by traditional chiefs Feminists who campaigned for women s rights to participate in the council of elders The effort by HRH Esezi II to promote the democratic system of government within the Okpe council The story of the uncrowned king of Okpe Kingdom including a brief history of the Nigerian Civil War of 1967 70 The reign of HRH Orhoro I The story of the author s candidacy for Okpe King after the death of Orhoro I Nigeria oil policy Muslim Christian strife and human rights abuses
