Slavs In European History And Civilization

E Durkheim

Slavs In European History And Civilization:

The Slavs in European History and Civilization Francis Dvornik, 1962 A seminar on the history of Slavic politics international relations culture and religion during the 6th through the 19th century *The Slavs in European History and Civilization. [With Maps.]* František DVORNÍK, 1962 **The Slavs in European History and Civilization [franz.]**. Francis Dvornik, 1970 **Society and Economy in Early Modern Europe, 1450-1789** Barry Taylor, 1989 The Unknown Europe James R. Payton, 2021-11-03 The fascinating history of Eastern Europe includes highs of soaring cultural achievement and lows of almost unimaginable repression But we in the West don't know much about Eastern Europe or its history this book helps us see why We got interested when the region became a threat during the Cold War but what we learned focused on the Communist period after World War II not Eastern Europe itself or its deep history a history that continues to live in the hearts of its peoples James Payton offers an accessible treatment of the history of the region an opportunity to learn about Eastern Europeans as they are He overviews that story from pre history to the present examining eleven turning points that profoundly shaped Eastern European history His treatment considers the backgrounds to the turning points the events and the long lasting impacts they had for the various Eastern European nations This helps us understand how Eastern Europeans themselves see their history the long haul over the centuries with the influence and impact of events of the sometimes distant past shaping how they see themselves their neighbors and their place in the world **A History of Eastern Europe** Robert Bideleux, Ian Jeffries, 2007-09-12 This welcome second edition of A History of Eastern Europe provides a thematic historical survey of the formative processes of political social and economic change which have played paramount roles in shaping the evolution and development of the region Subjects covered include Eastern Europe in ancient medieval and early modern times the legacies of Byzantium the Ottoman Empire and the Habsburg Empire the impact of the region's powerful Russian and Germanic neighbours rival concepts of Central and Eastern Europe the experience and consequences of the two World Wars varieties of fascism in Eastern Europe the impact of Communism from the 1940s to the 1980s post Communist democratization and marketization the eastward enlargement of the EU A History of Eastern Europe now includes two new chronologies one for the Balkans and one for East Central Europe and a glossary of key terms and concepts providing comprehensive coverage of a complex past from antiquity to the present day *Slavs in the Middle Ages between Idea and Reality* Eduard Mühle, 2023-03-20 The book presents a new history of the Slavs during the Middle Ages Based on in depth source analysis it describes on the one hand the factual historical structures that can be discerned behind the phenomenon of the Slavs from the early Slavic population groups and their first formations of power in the 7th to 9th centuries through the Slavic speaking realms and nationes of the 10th to 12th centuries to the late medieval societies of the 13th to 15th centuries On the other hand it analyzes external Byzantine Latin and Arabic perceptions as well as Slavic self imagery with which the Slavs have been conceptualized or imagined as a cultural construct since the 6th century Mühle

further demonstrates that these images were already being instrumentalized for historical political purposes in various contexts and for different purposes in the Middle Ages East Central Europe Lawrence D. Orton,1989 **A Short History of the Yugoslav Peoples** Frederick Bernard Singleton,1985-03-21 This book provides a survey of the history of the South Slav peoples who came together at the end of the First World War to form the first Yugoslav kingdom **The Other Europe** E. Garrison Walters,1988-06-01 The Other Europe is a general history of Eastern Europe from the earliest times to the end of World War II Walters provides an informed and interpretively refreshing focus on this key region Walters objective is to acquaint the student and nonspecialist reader with the complex past of this politically and culturally important area The general lack of knowledge about Eastern Europe is in part due to the vast diversity of its lands language barriers themselves have daunted many scholars and to the fact that before the imposition of the Soviet template in 1944 45 what is now called Eastern Europe was not usually perceived as a distinct geopolitical entity The other Europe as defined by Walters encompasses Poland Czechoslovakia Hungary Romania Yugoslavia Bulgaria and Albania Today these countries form the strategic zone between Western Europe and the Soviet Union Walters emphasizes the phenomenon of nationalism because of its varied manifestations in the region and he examines the way each nation sees itself its neighbors and the world beyond The Other Europe describes the major events predominantly revolution and war that have shaped these countries national consciousnesses and their distinctive cultural heritages **The Course of Russian History, 5th Edition** Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history *American Learned Men and Women with Czechoslovak Roots* Mila Rechcigl,2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That s what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual

upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i e Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethical background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective

Russia and Eastern Europe, 1789-1985 Raymond

Pearson,1989 A Handbook of Biblical Reception in Jewish, European Christian, and Islamic Folklores Eric

Ziolkowski,2017-08-21 This first volume of a two volume Handbook treats a challenging largely neglected subject at the crossroads of several academic fields biblical studies reception history of the Bible and folklore studies or folkloristics The Handbook examines the reception of the Bible in verbal folklores of different cultures around the globe This first volume complete with a general Introduction focuses on biblically derived characters tales motifs and other elements in Jewish Mizrahi Sephardi Ashkenazi Romance French Romanian German Nordic Scandinavian British Irish Slavic East West South and Islamic folkloric traditions The volume contributes to the understanding of the Hebrew Bible Old Testament the New Testament and various pseudepigraphic and apocryphal scriptures and to their interpretation and elaboration by folk commentators of different faiths The book also illuminates the development artistry and migration of folktales opens new areas for investigation in the reception history of the Bible and offers insights into the popular dimensions of Jewish Christian and Muslim communities around the globe especially regarding how the holy scriptures have informed those communities popular imaginations

Imagology ,2007-01-01 How do national stereotypes emerge To which extent are they determined by historical or ideological circumstances or else by cultural literary or discursive conventions This first inclusive critical compendium on national characterizations and national cultural or ethnic stereotypes contains 120 articles by 73 contributors Its three parts offer 1 a number of in depth survey articles on ethnic and national images in European literatures and cultures over many centuries 2 an encyclopedic survey of the stereotypes and characterizations traditionally ascribed to various ethnicities and nationalities and 3 a conspectus of relevant concepts in various cultural fields and scholarly disciplines The volume as a whole as well as each of the articles has extensive bibliographies for further critical reading Imagology is intended both for students and for senior scholars facilitating not only a first acquaintance with the historical development typology and poetics of national stereotypes but also a deepening of our understanding and analytical perspective by interdisciplinary and comparative contextualization and extensive cross referencing

Encyclopedia of

Bohemian and Czech-American Biography Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2013-11-14 On the stroke of midnight on 1 January 2013 the inhabitants of Slovakia celebrated a major milestone in their history two decades of democratic government and personal freedom This is so far the longest period of such rule in their history This anniversary surpasses by a few months their only previous generation long experience namely in the First Czecho Slovak Republic 1918 1938 The difference of course is that the Slovaks no longer share a state with another nation but run their own affairs Slovakia is now an accepted and recognized member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world It is a member of international organization s and multilateral institutions and participates in efforts to maintain peace and enhance prosperity around the world The third edition of Historical Dictionary of Slovakia provides a thorough update of the many accomplishments that Slovakia has achieved This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Slovakia

The Routledge History Handbook of Central and Eastern Europe in the Twentieth Century Włodzimierz Borodziej, Ferenc Laczó, Joachim von Puttkamer, 2020-08-02 Intellectual Horizons offers a pioneering transnational and comparative treatment of key thematic areas in the intellectual and cultural history of Central and Eastern Europe in the twentieth century For most of the twentieth century Central and Eastern European ideas and cultures constituted an integral part of wider European trends However the intellectual and cultural history of this diverse region has rarely been incorporated sufficiently into nominally comprehensive histories of Europe This volume redresses this underrepresentation and provides a more balanced perspective on the recent past of the continent through original critical overviews of themes ranging from the social and conceptual history of

intellectuals and histories of political thought and historiography to literary visual and religious cultures to perceptions and representations of the region in the twentieth century While structured thematically individual contributions are organized chronologically They emphasize where relevant generational experiences agendas and accomplishments while taking into account the sharp ruptures that characterize the period The third in a four volume set on Central and Eastern Europe in the twentieth century it is the go to resource for understanding the intellectual and cultural history of this dynamic region

Historical Dictionary of Poland, 966-1945 Halina Lerski, 1996-01-19 The first authoritative comprehensive historical dictionary of Poland in English this volume includes over 2 000 entries on people events places and terms important to Poland s history from 966 to 1945 Entries include English and Polish language bibliographic sources The student of Polish history seeking specific information on a person or event in medieval times the troubled era leading to the late 18th century partitions of Poland and the Polish nationalist struggles before 1919 reborn Poland in the interwar years or the trauma of World War II will be amply rewarded by the accurate concise information provided in this unique historical dictionary Each of the alphabetically arranged entries is followed by pertinent bibliographic sources in both English and Polish languages A list of abbreviations a note on the Polish alphabet and a series of historical maps precede the entries Helpful cross references are provided throughout the text and in the index A general bibliography precedes the index After five years of work George Lerski completed the original manuscript in 1992 shortly before his untimely death The special editing subsequently undertaken preparatory to publication has remained faithful to the original work its concept organization and purpose

Slavs In European History And Civilization Introduction

In today's digital age, the availability of Slavs In European History And Civilization books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slavs In European History And Civilization books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slavs In European History And Civilization books and manuals for download is the cost-saving aspect. Traditional books and manuals

can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slavs In European History And Civilization versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slavs In European History And Civilization books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slavs In European History And Civilization books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slavs In European History And Civilization books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slavs In European History And Civilization books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slavs In European History And Civilization books and manuals for download and embark on your journey of knowledge?

FAQs About Slavs In European History And Civilization Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
