Sleeve Puppets Brenda Morton, 1978-01-01 Contains patterns and directions for sewing puppets that are held on the puppeteer's arm

Making (Almost) Instant Puppets David Currell, 2024-06-24 This wonderful book is packed with a range of quick inexpensive ways to make the main types of puppets using objects that are spare scrap recycled or easily accessible. With imagination and creative flair it explains the principles and techniques that can transform a plastic bottle into a hippopotamus hand puppet or a few cardboard rolls into a dancing marionette. Alongside the practical information it also gives staging advice so that your puppets can perform as living and believable characters. This is truly a book that will bring the magical world of puppet theatre within reach of everyone whatever their time or resource limits

**The Well-Dressed Puppet** Cheralyn Lambeth, 2014-07-11 Costumes are an integral part of any performance adding believability conveying setting or establishing the tone a fact that is no less true when your performer is a puppet. The only book of its kind. The Well Dressed Puppet will show you how to create costumes and accessories tailored specifically for your puppet that will enhance any performance. Gone are the days of ill fitting store bought clothing that restrict the movement and use of your puppet. Author Cheralyn Lambeth walks you through every step of the costume making process with detailed lists of the necessary materials equipment and patterns required to create a costume from scratch. She also shares multiple tips and information on how to modify off the rack clothing to fit any puppet. Suitable for both beginners and more advanced costumers. The Well Dressed Puppet demonstrates basic sewing and construction techniques while still providing advanced projects for customers who have already mastered those skills

 swirling everywhere was filled with floating continents majestic and majestic vast and immense The floating continents  
 seemed to be flying with the wind drifting over from afar following a kind of floating trajectory This kind of trajectory had no  
 clear traces to follow it was a bit disorderly But it also had a general direction floating along a direction the speed was  
 neither fast nor slow This is the Abyss of Death Right now Lu Shaoyou was stunned In the vast space there was no land  
 everywhere was nothing Large and small continents were floating densely covered with clouds and mist just like a fairyland  
 There was also an overwhelming pressure that made people not dare to look down on them     The Complete Book of  
Puppetry David Currell, 1975 Introduces the history of puppetry and gives instructions for making various types of puppets  
 creating stage sets and producing plays
