Slovenija Portrait A Portrait:

The Geography of Slovenia Drago Perko, Rok Ciglič, Matija Zorn, 2019-07-01 This book is the first to give a comprehensive and detailed overview of the complete geography of Slovenia in English Only very few countries even considerably larger ones can boast the landscape diversity found in Slovenia since the Alps the Pannonian Basin the Dinaric Alps and the Mediterranean meet and interweave in this small corner of Central Europe as do Germanic Hungarian Slavic and Romance cultural influences The book provides a systematical overview of physical and human geographical elements of Slovenia from landforms to cultural characteristics Special attention is given to landscape diversity to the presentation of Slovene landscape types and regions to some particularities and interesting facts of Slovenia and to the position of Slovenia in the World The book also illustrates some other important geographical phenomena processes and interactions between nature and society in nowadays Slovenia This volume appeals to researchers as well as students in the field of regional geography It can also serve as a source for complete background information as well as a field guide for Slovenia Smiling Slovenia Vladislav Bevc, 2008 Smiling Slovenia s collection of articles and essays on Slovenia s current political scene boldly declares its dissenting view from the political mainstream beginning with a declaration of a dozen prominent intellectuals presenting their views of Slovenia s political situation Topics range from recent Slovenian history Slovenia s role in the breakup of Yugoslavia foreign policies including liaisons with the Islamic terrorists to modern day Slovenian American relations and Slovenia s admission into the European Union This book shows that Slovenia although outwardly westernized is still deeply rooted in its communistic legacy However prominent intellectuals and democratic politicians strive to hold Slovenia to the highest European cultural ethical political legal and economical standards in public life a goal that may take several generations to achieve Some authors observe that transparency achieved by the present conservative coalition government has already established a state of affairs where return to the old ways of a crypto government would be impossible even if the leftist parties returned to power *The A to Z of Slovenia* Leopoldina Plut-Pregelj, Carole Rogel, 2010-05-20 The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism This is done through a detailed chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on some of the more significant **Historical Dictionary of Slovenia** Leopoldina Plut-Pregelj, Gregor Kranjc, Žarko Lazarevic, Carole Rogel, 2018-02-22 The expanded third edition of the Historical Dictionary of Slovenia covers personalities and events that have made a mark on Slovenia in the more than a decade since the last edition This includes new entries related to Slovenia s first 13 years as a member of NATO and the EU changing diplomatic relations with its neighbors and other global states and institutions a new crop of politicians who have upended the political status quo entries related to Slovenia s worst 21st century recession 2008 2013 nationwide protests against corruption and many other developments This third edition of Historical Dictionary of Slovenia contains a chronology an introduction

appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Slovenia

The Impact of European Institutions on the Rule of Law and Democracy Matej Avbelj, Jernej Letnar Cernic, 2020-04-30 Since 2010 the European Union has been plagued by crises of democracy and the rule of law which have been spreading from Central and Eastern Europe CEE catching many by surprise This book argues that the professed success of the 2004 big bang enlargement mirrored the Potemkin villages erected in the new Member States on their accession to Europe Slovenia is a prime example Since its independence and throughout the accession process Slovenia has been portrayed as the poster child of the New Europe This book claims that the widely shared narrative of the Slovenian EU dream is a myth In many ways Slovenia has fared even worse than its contemporary constitutionally backsliding CEE counterparts The book s discussion of the depth and breadth of the democratic crises in Slovenia should contribute to a critical intellectual awakening and better comprehension of the real causes of the present crises across the other CEE Member States which threaten the viability of the EU and Council of Europe projects It is only on the basis of this improved understanding that the crises can be appropriately addressed at national transnational and supranational levels

OECD Territorial Reviews: Slovenia 2011 OECD, 2011-11-18 This review finds that despite its relatively small size Slovenia is a good illustration of the potential of regional development policy Its internal diversity openness and experience of rapid structural change all reinforce the need for efficient reallocation of resources
