 II,2007-10-18 Contrived Disingenuous Phony Inauthentic Do your customers use any of these words to describe what you sell
 or how you sell it If so welcome to the club Inundated by fakes and sophisticated counterfeits people increasingly see the
 world in terms of real or fake They would rather buy something real from someone genuine rather than something fake from
 some phony When deciding to buy consumers judge an offering s and a company s authenticity as much as if not more than
 price quality and availability In Authenticity James H Gilmore and B Joseph Pine II argue that to trounce rivals companies
 must grasp manage and excel at rendering authenticity Through examples from a wide array of industries as well as
 government nonprofit education and religious sectors the authors show how to manage customers perception of authenticity
 by recognizing how businesses fake it appealing to the five different genres of authenticity charting how to be true to self and
 what you say you are and crafting and implementing business strategies for rendering authenticity The first to explore what
 authenticity really means for businesses and how companies can approach it both thoughtfully and thoroughly this book is a
 must read for any organization seeking to fulfill consumers intensifying demand for the real deal *Book Review Index*
