Skin Of Our Teeth:

    The Skin of Our Teeth Thornton Wilder,1972 An Eternal Family narrowly escape one disaster after another from ancient times to the present Meet George and Maggie Antrobus married only 5 000 years their two children Gladys and Henry perfect in every way and their maid Sabina the ageless vamp as they overcome ice flood and war by the skin of their teeth Amazon   Skin of Our Teeth (Revised) Thornton Wilder,2012   *Thornton Wilder's The Skin of our Teeth* Kyle Gillette,2016-09-13 Ladies and gentlemen I m not going to play this particular scene tonight Sabina Thornton Wilder s The Skin of Our Teeth 1942 telescopes an audacious stretch of western history and mythology into a family drama showing how the course of human events operates like theatre itself constantly mutable vanishing and beginning again Kyle Gillette explores Wilder s extraordinary play in three parts Part I unpacks the play s singular yet deeply interconnected place in theatre history comparing its metatheatrics to those of Stein Pirandello and Brecht and finding its anticipation of American fantasias in the works of Vogel and Kushner Part II turns to the play s many historic and mythic sources and examines its concentration of western progress and power into the model of a white American upper middle class nuclear family Part III takes a longer view tangling with the play s philosophical stakes Gillette magnifies the play s ideas and connections teasing out historical theoretical and philosophical questions on behalf of readers scholars and audience members alike   An Analysis of The Skin of Our Teeth Mary Frances Dolan,1955   Thornton Wilder and the Puritan Narrative Tradition Lincoln Konkle,2006 Fresh examination of the works of Thornton Wilder emphasizing continuities in American literature from the seventeenth through twentieth centuries Sees Wilder as a literary descendant of Edward Taylor who drew from the Puritan worldview and tradition Includes indepth readings of Shadow of a Doubt The Trumpet Shall Sound and others Provided by publisher   **Staging the War** Albert Wertheim,2004-03-16 What happened in American drama in the years between the Depression and the conclusion of World War II How did war make its impact on the theatre More important how was drama used during the war years to shape American beliefs and actions Albert Wertheim s Staging the War brings to light the important role played by the drama during what might arguably be called the most important decade in American history As much of the country experienced the dislocation of military service and work in war industries the dramatic arts registered the enormous changes to the boundaries of social classes ethnicities and gender roles In research ranging over more than 150 plays Wertheim discusses some of the well known works of the period including The Time of Your Life Our Town Watch on the Rhine and All My Sons But he also uncovers little known and largely unpublished plays for the stage and radio by such future luminaries as Arthur Miller and Frank Loesser including those written at the behest of the U S government or as U S O musicals The American son of refugees who escaped the Third Reich in 1937 Wertheim gives life to this vital period in American history   *The Skin of Our Teeth* ,1975 The John F Kennedy Center for the Performing Arts Thornton Wilder s The Skin of Our Teeth   The American Play Marc Robinson,2009-05-26 In this brilliant study Marc Robinson explores more than

two hundred years of plays styles and stagings of American theater Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty first he explores how theater has and has not changed and offers close readings of plays by O Neill Stein Wilder Miller and Albee as well as by important but perhaps lesser known dramatists such as Wallace Stevens Jean Toomer Djuna Barnes and many others Robinson reads each work in an ambitiously interdisciplinary context linking advances in theater to developments in American literature dance and visual art The author is particularly attentive to the continuities in American drama and expertly teases out recurring themes such as the significance of visuality He avoids neatly categorizing nineteenth and twentieth century plays and depicts a theater more restive and mercurial than has been recognized before Robinson proves both a fascinating and thought provoking critic and a spirited guide to the history of American drama   *A Study Guide for Thornton Wilder's "The Skin of Our Teeth"* Gale, Cengage Learning, A Study Guide for Thornton Wilder s The Skin of Our Teeth excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs   **LIFE** ,1942-11-30 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use   *Thornton Wilder in Collaboration* Jackson R. Bryer,Judith P. Hallett,Edyta K. Oczkowicz,2018-12-17 The essays in this volume evolved from papers presented at the Second International Thornton Wilder Conference held at Salve Regina University in Newport Rhode Island in June 2015 They examine Wilder s work as both playwright and novelist focusing upon how he drew on the collaborative mode of creativity required in the theatre when writing both drama and fiction The book s authors use the term collaboration in its broadest sense at times in response to Wilder s critics who faulted him for borrowing from other earlier literary works rather than recognizing these borrowings as central to the artistic process of collaboration In exploring Wilder s collaborative efforts of different kinds the essays not only consider how Wilder worked with and revised earlier literary texts and the ideas central to those texts but also analyze how Wilder worked with and inspired other creative individuals and how recent productions of Wilder s plays both in the US and abroad have been the products of unique forms of collaboration   The Skin of Our Teeth Thornton Wilder,1997   The Skin of Our Teeth by Thornton Wilder Kara-Lynn Vaeni,2004   *Thornton Wilder* Harold Bloom,2009 Thornton Wilder had a gift for framing random and ordinary moments of life an effect he perfected for his audiences This volume gathers together some of the most respected criticism on the author s work Examined texts include Our Town and The   **The Company of the Creative** David L. Larsen, Great works and authors of the world are introduced and reviewed artistically intellectually and theologically Persons discussed include Plato Milton Dickens Shakespeare Charlotte Bronte Mark Twain and C S Lewis   **Camino Real** Tennessee Williams,2008 Now with a
