Serenity disgusted with her once beloved father ran away to a cult founded by a mesmerizingly handsome young man a self appointed messiah going by the grimly grandiose name of Azrael The whereabouts of Serenity pass unknown for years until the police raid Azrael s compound and discover that the cult leader lived up to his ghastly Angel of Death moniker Thinking his daughter has been murdered Charles Westover claims her life insurance and then he too vanishes Insurance companies don t like to cut a check without a body and especially don t like cutting a check to someone who is also missing Hired as a private investigator for Banner Insurance David Brandstetter quickly finds himself in a complicated maze of lies and hidden histories And Dave suspects that just like in the labyrinths of old there will be a monster at the end of it It s not all bad times and extreme hazard for our man Dave A passionate romance has entered his life with the reappearance of Cecil Harris a handsome young African American investigative reporter for the local news station looking to get to the bottom of a different kind of story

Death Claims Joseph Hansen,2022-01-11 CELEBRATING 50 YEARS OF DAVE BRANDSTETTER Death claims investigator Dave Brandstetter enters a world thespians and booksellers as he uncovers the true story behind the death of a rare book dealer in this noir spun masterpiece of California crime fiction Since a burning accident that left him painfully disfigured John Oats a well liked collectible book dealer has been self isolating at his beach house in Arena Blanca California An avid swimmer John Oats had taken to night swimming to hide his injuries from daytime beachgoers When his body is found one morning smashed against the rocks at the treacherous point near the house the authorities rule it Death by Misadventure Insurance companies don t much care for verdicts like that and therefore Medallion Insurance the policy holder for Oats s substantial life insurance policy sends out its best investigator Dave Brandstetter to poke holes in the story The night Oats died there was a dangerous storm along the coast and Brandstetter finds it hard to believe that the bookseller a lifelong swimmer would have gone out As his investigation reveals more of John Oats s sad story Brandstetter learns that the motives for murder are many But Brandstetter has his own problems to deal with Still mourning the death of his partner Rod Dave is navigating his own twilight world of grief His new lover Doug is also grieving and the two men must come to a reckoning of whether their love is an ersatz stand in for their lost partners or something more

Troublemaker Joseph Hansen,2022-01-11 Love and money are the easy motives in the death of a California beachfront nightclub owner but death claims investigator Dave Brandstetter is certain of one thing the case is going to be far from easy and the police have it all wrong Rick Wendell wouldn t hurt a flea The big jovial owner of the Hang Ten a surfing themed gay bar on the boardwalk was loved by regulars and new arrivals alike But Rick was found naked and dead with a local hustler named Larry Johns standing over him smoking gun in hand Wendell s death is ruled as a homicide and Johns is arrested Everyone thinks it s a simple open and shut case Everyone except the death claims investigator Dave Brandstetter Brandstetter a homosexual himself doesn t make the same assumptions about the crime scene and easy story it tells Larry Johns had enough time to escape had he wanted to Not to mention Johns lacked any discernable motive especially since the 200 in Wendell s wallet was

left untouched In an investigation that takes him from sun scorched hillside ranches to seedy boardwalk bars Brandstetter gets to the bottom of a twisty mystery in this hardboiled and entertaining portrait of the 70s gay culture by groundbreaking poet and award winning crime writer Joseph Hansen

**Fadeout** Joseph Hansen,2022-01-11 CELEBRATING 50 YEARS OF DAVE BRANDSTETTER With a new Introduction by Michael Nava Published fifty years ago a time when being gay was illegal in 49 out of 50 states Joseph Hansen s first Dave Brandstetter novel shattered stereotypes and redefined the Private Eye novel as we know it Five decades after its original landmark publication Joseph Hansen s Fadeout is as fresh and important as ever Preceded only by a handful of gay protagonists in crime fiction Hansen s Dave Brandstetter a ruggedly handsome World War II vet with a quick wit faultless moral compass and endless confidence shattered stereotypes and won over a large reading audience a feat previously considered impossible for queer fiction Set in the mid 1960s Fadeout centers on the disappearance of a southern California radio personality named Fox Olson A failed writer Olson finally found success as a beloved folksinger and wholesome country raconteur with a growing national audience The community is therefore shocked when Olson s car is found wrecked having been driven off a bridge and swept away in a fast moving arroyo on a rainy night A life insurance claim is filed by Olson s widow and the company holding the policy sends their best man to investigate The problem is that Olson s body was never found Not in the car Not further down the river As Dave Brandstetter begins his investigation he quickly finds that none of it adds up

**Obedience** Joseph Hansen,2023-12-19 The death of a Vietnamese immigrant brings former death claims investigator Dave Brandstetter out of retirement As an insurance investigator Dave Brandstetter built a reputation unraveling suspicious deaths Now well into middle age he has decided to retire for the sake of Cecil the young TV reporter who loves and cherishes him and has too often risked his own life for Dave s work But retirement does not come easily Dave never did it for the money He always had that Nor did he tirelessly work cases in hopes of chasing renown It was always the pursuit of the truth that drove Dave He enjoyed the truth s habit of coming into direct conflict with bigotry allowing him to surprise the small minded along the way It doesn t take much arm twisting then to get Dave back in the saddle when an old friend in the public defender s office asks him to help Andy Flanagan a shiftless young man accused of murdering a Vietnamese businessman to defend the Old Fleet a shantytown of houseboats that has been earmarked for development Beneath the surface of this oil slicked slum lurks an international conspiracy so appalling that Dave will regret postponing his retirement

**The Boy Who Was Buried This Morning** Joseph Hansen,2024-06-04 While investigating a suicide Dave Brandstetter discovers a dead reporter s final scoop Journalist Adam Streeter covered some of the most dangerous stories of the last quarter century ranging from Cambodia to

Siberia and anywhere troubled in between Fearless dashing and more than a little resourceful Streeter was renowned as much for his virtuosic writing as the shocking reality of what he uncovered along the way Why would someone who lived so purposefully and with such demonstrable bravery turn a pistol on himself Insurance investigator Dave Brandstetter has seen enough suicides to know this isn't one Suspecting treachery he digs into Adam's last story an unpublished investigation into the whereabouts of a vanished South American strongman called El Carnicero the Butcher and finds that Adam's death shows every hallmark of his bloody style Dave quickly realized that some very powerful people would like him to drop the case Dave's own lover Cecil would like to see him take it easy for once But Cecil knows Brandstetter is not so unlike the man whose death he's investigating The truth to someone like Brandstetter or Streeter is worth the ultimate price As he attempts to finish Adam's story and get to the bottom of the journalist's death Dave will find more than a few people willing to make him pay it *The Man Everybody Was Afraid Of* Joseph Hansen, 2022-02-08 CELEBRATING 50 YEARS OF DAVE

BRANDSTETTER The murder of a conservative police chief in a fishing village north of Los Angeles sends death claims investigator Dave Brandstetter into the no man's land between cops and activists in this brilliantly plotted mystery which perfectly captures California in the mid 1970s A small town Chief of Police with reactionary politics and national ambitions Ben Orton struck fear in the hearts of anyone who fell out of line in his little fiefdom of La Caleta Most recently that has included gay rights activists pushing for the hiring of a police officer from their community When big Ben is found in his backyard bludgeoned to death by a large terracotta pot the police arrest the outspoken gay owner of a local nursery Orton had a life insurance policy that brings death claims investigator Dave Brandstetter north to pry As far as Dave can tell the cops did almost nothing to investigate Orton's death and what evidence they did compile doesn't seem to add up Dave quickly learns that the pool of suspects is much deeper than the police reported Ben Orton may have seen himself as a pillar of the community but what many in La Caleta saw instead was a violent man whose commitment to enforcement didn't always also include room for the law With an ailing father in the hospital and a relationship headed toward the rocks a very distracted Brandstetter finds himself making more wrong moves than right while those on the other side of the thin blue line are making it painfully obvious his presence is not wanted *The Little Dog Laughed* Joseph Hansen, 2023-12-19 While investigating a suicide Dave Brandstetter discovers a dead reporter's final scoop Journalist Adam Streeter covered some of the most dangerous stories of the last quarter century ranging from Cambodia to Siberia and anywhere troubled in between Fearless dashing and more than a little resourceful Streeter was renowned as much for his virtuosic writing as the shocking reality of what he uncovered along the way Why would someone who lived so purposefully and with such demonstrable bravery turn a pistol on himself Insurance investigator Dave Brandstetter has seen enough suicides to know this isn't one Suspecting treachery he digs into Adam's last story an unpublished investigation into the whereabouts of a vanished South American strongman called El Carnicero the Butcher and finds that Adam's death shows every hallmark of his bloody style

Dave quickly realized that some very powerful people would like him to drop the case Dave's own lover Cecil would like to see him take it easy for once But Cecil knows Brandstetter is not so unlike the man whose death he's investigating The truth to someone like Brandstetter or Streeter is worth the ultimate price As he attempts to finish Adam's story and get to the bottom of the journalist's death Dave will find more than a few people willing to make him pay it **Skinflick ; Gravedigger ; Nightwork** Joseph Hansen,1992

**Early Graves** Joseph Hansen,2023-12-19 The brutality of the AIDS epidemic and a nation's growing homophobia set the stage for a serial killer targeting gay men in Los Angeles and Dave Brandstetter finds himself in the killer's path Dave Brandstetter's afternoon does not begin well his ex boyfriend picks him up at the airport and the ride home in bumper to bumper Los Angeles traffic is one long argument between them The insurance investigator's day gets worse when he finds a man bloody rain soaked and ice cold lying on his porch killed by a stab wound while Dave was out of town There is a serial killer loose in Los Angeles and this man is his sixth victim Like the others he had already been marked for death by the unforgiving plague known as AIDS Someone is targeting sick men in the city and Dave's search for the killer leads him into the dark side of gay Los Angeles where death comes without warning and life is a fearful dream Decades after its original publication in 1987 Early Graves remains an important literary achievement The exigence of Joseph Hansen's frontline reportage of the AIDS epidemic is as powerful as his prose craft and mystery plot are clever

**In the Beginning** Mary Jean DeMarr,1995 Others concentrate more on analysis of the subject novel itself indicating more briefly how that book relates to those which follow it Some discuss such questions as what exactly is the first novel in some rather complex series and in several cases more than one initiating book is discussed No attempt has been made to include consideration of a representative sample of the various types of detective series but a variety of authors is covered ranging from such classics as Agatha Christie Rex Stout and Dorothy L Sayers to more recent authors like James McClure Joseph Hansen and Colin Dexter

**A Country of Old Men** Joseph Hansen,2023-12-19 Dave Brandstetter's best days are behind him but for the sake of a frightened child Dave takes on his very last case The wear and tear of a life spent pursuing the truth into harm's way is catching up with Dave In fact it has already caught him The aged death claims investigator is old enough for his body to hurt even without all the compiled injuries he's sustained throughout his career Yet when presented with a puzzle like mystery Dave can't help but be drawn in Walking on the beach a friend finds a bedraggled child who claims he has witnessed a murder The victim is a drug addicted pop star and the obvious suspect is the dead man's ex girlfriend a drug addict whom the child saw standing over the body gun in hand In the final installment of Joseph Hansen's groundbreaking series Dave looks for justice once more hoping that he will also find a lasting measure of peace Over the course of twelve novels spanning four decades of American culture from the 1960s to the late 1980s Joseph Hansen gave readers one of the truly great heroes of detective fiction
