Sky Is Red Discerning The Signs Of The Times:

The Sky is Red Kenneth Leech,1997 Spiritual Ambitions Tom Schulte,2018-01-05 Our ambitions determine the kind of person we become and the kind of person we become determines what we will do in life And since what we do in life can have lasting even eternal results its no surprise that many of us strive to reach our ambitions Yet while we can be consumed with pursuing worldly secular ambitions for career and family our spiritual ambitions are too often left to chance as we drift through life Spiritual Ambitions How Rich Do You Want to Be in Eternity challenges us to identify our spiritual ambitions and evaluate their genuine importance to our lives Whether you want to start a ministry become a pastor or just be more mindful of Gods presence in your life author Tom Schulte shows you how to set your ambitions and listen for Gods guidance to follow the path he sets out before you To be used by God to fulfill his purpose is the greatest reward and victory we can have as Christians but first we must be the kind of person who is pleasing to God Therefore we must develop our spiritual ambitions and make them our priority in life proving to ourselves and to God that we are receptive and ready to heed the call and be touched by Gods Spirit Church and Revolution Simon Hewitt,2020-03-15 Simon Hewitt argues that Marxism and Christianity have much to learn from each other and explores four themes that can provide starting points and common ground for continuing the conversation **Atonement for a Sinless Society** Alan Mann,2016-06-30 Sin isn t relevant anymore Alan Mann takes seriously this often heard assertion and instead goes in search of the real plight at the heart of contemporary western society What he finds there is a personal pervasive and self diminishing disease impacting the lives of millions of people shame With this insight Atonement for a Sinless Society seeks a fresh encounter with the biblical narrative building a more meaningful understanding of the story of Jesus and his disciples for the world in which we live and in doing so bringing the Christian understanding of atonement into the twenty first century **Hope in the Last Days** Dave Williams,2017-05-02 Understand how ancient biblical prophecies are coming to pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied long ago are coming to pass in an extraordinary manner Hope in the Last Days reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ **Demystifying the Prophetic** Joseph Z,2024-06-04 Learn to Discern So You Won t Be Deceived Never before has culture had a greater need for clear prophetic insight while never before has so much prophetic error and controversy swirled around us to discredit legitimate prophetic voices Now more than ever true biblical prophecy must take its place at the forefront Joseph Z an international **The Coming Messiah** Elwood Mcduffie,2019-07-26 The Coming Messiah Hope for a Hurting World provides a glimpse of history and how the world arrived at this point in time by maintaining a focus on the nation of Israel God s redemptive story is woven

throughout its pages providing encouragement and hope for those who may feel they have no hope We see war and strife on every side distress among nations famine and disease and a time when evil is called good and good is called evil Yet even in the midst of extreme difficulty and persecution you can find peace you can have hope hope that can only be found in the person of Jesus Christ The Coming Messiah Hope for a Hurting World tells how you can have that hope hope that surpasses all understanding Difficult times are sure to come yet God has provided a way of escape through his dear Son Jesus Christ

Decoding the Mystery of When Will Jesus Return Raymond J. Moore, 2017-10-03 Is there a specific Bible prophecy that must first be fulfilled before the return of Jesus Christ Yes While it is true that no exact date can be set for this event the scriptures provide us with a clear context of specific world events that will create the time line for Jesus return Jesus said Of that day and hour no one knows Matt 24 36 If this was meant to be a mystery it was also meant to be revealed eventually Amos 3 7 says Surely the Lord God does nothing unless He reveals His secret to His servants the prophets This book brings to light the hidden mystery contained in the scriptures that the return of Jesus Christ should not be a surprise to those who believe Jesus also made it clear that there will be a final and specific generation who will witness the fulfillment of all remaining end of time prophecies This book brings clarity regarding the great tribulation Is it seven years or three and a half years What is the wrath of God and why and how does it play a role in the last days Beyond the general prophecies of wars famines earthquakes etc lies a great wealth of other specific and unique signs that will indicate the imminent return of Jesus Are you ready Preparing for Christ's Return Charles F. Stanley, 1999-10-01 Dr Charles Stanley's new series of Bible study guides features insights and wisdom of this beloved pastor and author Small groups and individuals who want a Bible study that's spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world Each title takes a unique fourfold approach to get the most out of Bible study time emphasizing personal identifications with the Scripture passage recognition of your emotional response reflection of the passage's meaning and application and taking steps to apply what's been learned This is a sound way to explore the Word of God God's Vineyard Israel Desiree Van Niekerk, 2013 God's Vineyard Israel is a book about God's relationship with Israel It is an exposition of Israel's spiritual condition starting with God's deliverance of Israel from slavery and His ongoing intervention in their lives up to their spiritual decline According to 1 Corinthians 10 11 Israel serves as an example for instruction for those upon whom the end of the ages have come i e those who live in the latter days Israel's turning to idolatry false gods and syncretism the fusion of holy with unholy led to their falling away from God The same falling away of the church is mentioned by Paul in the second book of Thessalonians which is indicative of the time toward the end of the age or the fulfillment of the times of the Gentiles A clear pattern emerges from those who are delivered from the kingdom of darkness into salvation and then the yearning for their previous condition After God delivered Israel from Egypt the Israelites yearned for their past Thereby the repeated exhortation from Jesus Christ and others in the New Testament serve to explain the necessity to persevere unto the end The

similarity between ancient Israel and the modern church is noteworthy and one can only understand what is and will happen to the church through the example of Israel. This instruction is not only prophetic but serves as clear instruction and warning for modern believers. An analysis of idolatry and the consequences thereof explain the past, current, and future probability of life as we know it. Contrary to world opinion of the causes and solutions to pollution, the Bible clearly states that it is the spiritual condition of mankind that determines the state of the earth. The Old Testament asserts that when Israel repented, God often relented of the calamities He intended to send to them due to their idolatry. God's Vineyard Israel makes for interesting and relevant reading for all people and often provides God's perspective rather than people's opinions or speculations. God's Vineyard Israel provides examples of God's wrath and ancient judgments with the overwhelming message that few are saved. In between the severity of God's dealings with Israel and their ongoing rebellion is chapter 4, God's solution to humanity: His Son Jesus Christ, whose coming was prophesied throughout the Old Testament, the One who embodied God's grace and love for humanity. God's Vineyard is pertaining to the times in which we live, whereby increasingly people are falling away from the truth, seeking to create their own reality. It is a book led by the Holy Spirit of God and therefore relevant to the current spiritual condition that prevails throughout the world.

Mission in Marginal Places: The Theory Michael Pears, 2016-09-01. This first book in the series presents a thought-provoking foundation for contemporary mission. Drawing on key theological, missiological, and social scientific ideas, it discusses the fundamentals that provide a basis for place-dependent, reflective praxis amongst people occupying social margins. This fascinating work re-energises debate around questions of why and how mission in marginal places should be planned and implemented.

Sharing Friendship John B. Thomson, 2016-03-03. *Sharing Friendship* represents a post-liberal approach to ecclesiology and theology generated out of the history, practices, and traditions of the Anglican Church. Drawing on the theological ethics of Stanley Hauerwas, this book explores the way friendship for the stranger emerges from contextually grounded reflection and conversations with contemporary Anglican theologians within the English tradition, including John Milbank, Oliver O'Donovan, Rowan Williams, Daniel Hardy, and Anthony Thiselton. Avoiding abstract definitions of character, mission, or friendship, John Thomson explores how the history of the English Church reflects a theology of friendship and how discipleship in the New Testament, the performance of worship, and the shape of Anglican ecclesiology are congruent with such a theology. The book concludes by rooting the theme of sharing

friendship within the self emptying kenotic performance of Jesus mission and looks at challenges to the character of contemporary Anglican ecclesiology represented by secularization and globalization as well as by arguments over appropriate new initiatives such as Fresh Expressions

A Theology of Community Organizing

Chris Shannahan, 2013-11-12 The rising importance of community organizing in the US and more recently in Britain has coincided with the developing significance of social movements and identity politics debates about citizenship social capital civil society and religion in the public sphere At a time when participation in formal political process and membership of faith groups have both declined dramatically community organizing has provided a new opportunity for small community groups marginalized urban communities and people of faith to engage in effective political action through the developments of inter faith and cross cultural coalitions of groups In spite of its renewed popularity little critical attention has been paid to community organizing This book places community organizing within debates about the role of religion in the public sphere and the rise of public theology in recent years The book explores the history methodology and achievements of community organizing engaging in a series of conversations with key community organizers in the US and Britain This volume breaks new ground by beginning to articulate a cross cultural and inter faith Theology for Community Organizing that arises from fresh readings of Liberation Theology

Voices from the Borderland

Chris Shannahan, 2016-04-01 Urban theology affirms the importance of context notably the place of the city in theological reflection However it has often been confined to particular contexts or theological camps and thus failed to engage with the fluidity of contemporary urban societies Voices from the Borderland presents an overview of urban theology arguing that the twenty first century demands a dialogical model of theology that enacts progressive change The volume draws on studies of the multicultural and multi faith British urban experience and situates these within the wider international context The works of influential theologians in the field are examined and the dialogue between theology globalisation post colonialism postmodernism and post religious urban culture critically explored The volume is unique in bringing together urban liberation theology urban black theology reformist urban theology globalisation urban theology and post religious urban theology
