Jorgenson,2007-12-18 A gripping account of ordinary men with extraordinary courage and heroism who had one last chance to make good and one helluva war zone to do it in The new commander of the Company E 52d Infantry LRRPs Capt George Pacerelli was tough but the men s new AO was brutal It was bad enough that the provinces of Binh Long Phuoc Long and Tay Ninh bordered enemy friendly Cambodia but their vast stretches of double and triple canopy jungle were also home to four crack enemy divisions including the Viet Cong s notorious 95C Regiment Only the long range patrols could deliver the critical strategic intelligence that the 1st Cav so desperately needed Outmanned outgunned far from safety these LRRPs stalked the enemy to his lair staging bold prisoner snatches and tracking down hidden jungle bases Hiding in ambush surrounded by NVA these teams either pulled off spectacular escape and evasion maneuvers in running firefights or died trying      Vietnam Firebases 1965-73 Randy E. M Foster,2012-08-20 Artillery fire support bases of the Freeworld forces played a critical role in the conduct of operations during the Vietnam War They served to lay down high volume fire on enemy firing sites supported friendly infantry operations and executed harassing fire missions where exact targets were not known But the firebases themselves which housed a range of other facilities such as troop shelters surveillance radars and command centers had to be defended against ground attack and as a result became significant fortifications in their own right This book describes the design development and operational history of the fire support bases throughout the conflict

Death in the Midnight Sky: Flying the Mighty Gunship in Combat Joe Berardino,2017-07-06 Death in the Midnight Sky By Joe Berardino I closed my eyes raised my chin to heaven and felt the words surround me They filled my heart with love encouragement and boundless hope I dreamt of marching over Russian tanks freeing the Jews in Europe opening schools in Africa My chest filled with pride I knew I could do anything I could live the dream of my young President My fate was sealed I knew I had to become part of the greatest challenge of my generation the new generation Patriotism served as the inspiration for Joe Berardino s tour in Vietnam flying the mighty gunship Like countless other American servicemen hard work perseverance and tenacity became ingrained in Joe s character allowing him to accomplish his life s goals including earning a scholarship to attend Michigan State University Death in the Midnight Sky is about the bravery and honor of the U S serviceman about their honor and integrity and about their inherent truth and honesty      **Returning Fire** Col. James W. Booth,2011-09-28 This book is the factual story of the development of armed helicopters in the US Army and their first employment in combat The story is dramatically told by the courageous men who lived it flying daily into enemy infested areas facing murderous fire from automatic and anti aircraft weapons In late 1961 the US Government deployed five Transportation Helicopter Companies H 21 lift ships to South Vietnam to increase the mobility of South Vietnamese ground forces The Viet Cong quickly recognized that the H 21s were unarmed and began shooting at them endangering the lives of American crewmen A helicopter company equipped with 25 UH 1 helicopters had been cobbled together on Okinawa by the

Commander US Army Pacific Believing the company was soon to be deployed to Vietnam the men assigned to the unit armed its helicopters by scrounging weapons systems left over from WW II and Korea stored in Army Air Force depots in Okinawa Machine guns and 2 75 inch rockets were jury rigged onto the UH 1s Officially designated the Utility Tactical Helicopter Company but widely known as the UTT the company deployed to Saigon in September 1962 After some jurisdictional squabbles with the Air Force over roles and missions UTT began combat operations in October It quickly became widely known for professionalism and the courage of its crew members Such was its fame that for years South Vietnamese military personnel called all armed helicopters UTT Unfortunately over its years in RVN the Company endured frequent designation changes UTT 68th 197th 334th Armed Helicopter Company Why remains a mystery even today The Companys legacy is strong and endures today Armed helicopters are a major component of US Army combat forces The current Army Apache program over 600 is a direct descendent Additionally the Marines and Navy have strong armed helicopter programs as does every major military power in the world Ironically it all began with a small group of courageous men mounting scavenged weapons mostly outmoded on helicopters originally designed for medical evacuation This is their story Airman ,1969

**Gunship Pilot** Robert F. Hartley,2015-02-24 It was 1968 and Robert Hartley was on his first combat mission in Vietnam as copilot of a helicopter gunship As he and his platoon leader flew over the A Shau Valley a Chinook helicopter engulfed in flames suddenly came into view Hartley noticed tiny black smoking objects exiting the tail ramp of the aircraft Seconds later he realized those objects were men escaping the flames and plunging to their deaths It was in that moment that he silently wondered How the hell did I get here Mr Hartley was still wet behind the ears when he was tossed into the cauldron of Americas most unpopular war as an attack helicopter

gunship pilot As he shares a gripping birds eye view of battles that took him from the Demilitarized Zone in the north to the Mekong Delta in the south Mr Hartley compellingly details how he learned to rely on his superior training and equipment to follow through with his mission to kill the enemy and save the lives of his fellow soldiers below Gunship Pilot provides an unforgettable glimpse into two combat tours of duty in Vietnam as a helicopter pilot soaring high above rice paddies and jungles attempts to fulfill his duty of protecting Americas warriors on the ground **Primer of the Helicopter War**
