Slab Rat:

Slab Rat Ted Heller, 2001-12-19 In the pitch perfect tradition of the very best of Nick Hornby Martin Amis and Christopher Buckley comes *Slab Rat* a razor sharp highly comic novel of lethal ambition and office politics Zachary Arlen Post is an up and coming editor at *It* magazine one of the glossiest jewels in the glittery publishing crown of Versailles Publishing The son of a well regarded architect and an eccentric Palm Beach socialite Zack was educated at an exclusive boarding school and has studied at Colgate Berkeley and Liverpool University He is an excellent golfer and has a talent for translating Plautus from the original Latin Or maybe not He is really Allen Zachary Post the son of a garment center bookkeeper from Queens and a pool supply salesman from Long Island But for Zack his background is too prosaic for a slightly lazy but very ambitious magazine editor who wants to move up at *It* Even though Zack has concocted a background that is more in keeping with the privileged world he wants to be a part of than the truth his ascent up the masthead has stalled Try though he might and maybe he is too lazy to try that hard he just cannot seem to get promoted Enter Mark Larkin a determined Harvard educated hire who understands how the corporate game is played Mark says the right things he lunches with the right people and he pitches the right stories A snob thriving in a world of snobs he begins to get noticed and to Zack's dismay is promoted quickly Zack realizes that something must be done Mark Larkin must be destroyed To complicate his life further Zack finds himself involved with two women One is a cool or is she just ice cold English beauty with a hyphenated last name and vague family connections to Winston Churchill The other is an eager sweet natured intern whose father is the magazine's barracuda corporate counsel Zack is torn between the style and hyphen of one and the good natured substance of the other In *Slab Rat* Ted Heller uses the magazine industry as a laboratory in which to dissect human nature He has written a biting outrageous story of how the rats that battle for dominance amid New York's skyscrapers or slabs survive and triumph and the price they must pay to win Full of dark comedy and a ruthless satire of office life and death *Slab Rat* is a novel rich with the wicked pleasures of the heart **Highway Focus**, 1979 Red Books British Fire Prevention Committee, 1920

Love Monkey Kyle Smith, 2009-10-13 Many men aim high Tom Farrell dares to be average While his friends accumulate wedding rings mortgages and even alarmingly babies Tom still lives alone in his rented apartment with nothing but condiments and alcohol in his refrigerator He spends Saturday mornings watching cartoons and eating Cocoa Puffs out of an Empire Strikes Back bowl and devotes the rest of the weekend to his other favorite hobbies sports and girls His credo to think and act like a thirteen year old boy at all times has worked well enough to land him a decent job writing headlines for the New York Tabloid But neither his personal life nor his professional life has any forward momentum he's occupied the same cubicle since the first George Bush was president and is currently between girlfriends At thirty two it starts to occur to him There's a fine line between picky and loser Enter a sly beautiful coworker named Julia After a few torrid dates Tom is hooked She's like cleaning behind my refrigerator A once in a lifetime thing But the closer he gets to Julia the more elusive she becomes Frustrated Tom seeks the dubious advice of his buddy Shooter a shallow sexual gladiator and wonders why he keeps getting into arguments with Bran his smart sarcastic default date But then tragedy strikes and everyone's attitudes toward life and love change and even Tom begins to see himself in a new light By turns riotous and tenderhearted Kyle Smith's Love Monkey is the most candid and excruciatingly funny exploration of the male mind and libido since High Fidelity
