Slam Dunk Tome 18:

Slam Dunk, Vol. 18 Takehiko Inoue, 2011-10-04 The best selling series from Eisner nominated Takehiko Inoue one of Japan's greatest manga creators. Winning isn't everything in the game of basketball but who wants to come in second? It takes dedication and discipline to be the best and the Shohoku High hoops team wants to be just that. They have one last year to make their captain's dream of reaching the finals come true. Will they do it? In a white hot competition you need your confidence to carry you to victory. In the Shohoku vs Ryonan game Akagi still recovering from an ankle injury has his confidence shaken when Ryonan's Uozumi knocks him down. Now doubting his effectiveness Akagi begins deferring opportunities to his teammates. Ryonan seizes the chance to pull away leaving Shohoku wondering how they're going to get their mojo back. Sakuragi's going to have to try something unthinkable to get Akagi back on his feet and his head in the game.

Out in L.A. Hamish Duncan, 2023-01-17 The Red Hot Chili Peppers were going to be a one time act for a friend's album release party. Forty years later the funk rock band is one of the best known and the longest running in the United States. Everything that happened in 1983 set the course for the rest of the band's career. The scrappy band quickly rose to scene wide fame playing all over Los Angeles and gaining fans and media attention wherever they performed. Before the year was out they had played approximately thirty shows put together an early beloved repertoire recorded a blistering demo that secured them a recording contract with EMI Enigma and lost two of their founding members to a rival band. Out in L.A. is an attempt at finding out exactly what happened during that first year and exploring what it is that makes the Red Hot Chili Peppers so compelling and fresh even as they continue on their musical journey today.
