Women's Imprisonment at the Millennium

PAT CARLEN

Sledgehammer Womens Imprisonment At The Millennium

**Yvonne Jewkes, Ben Crewe, Jamie
Bennett**

Sledgehammer Womens Imprisonment At The Millennium:

Analysing Women's Imprisonment Pat Carlen, Anne Worrall, 2013-01-11 In both the UK and the rest of the world there have been rapid increases in the numbers of women in prison which has led to an acceleration of interest in women's crimes and the social control of women and women's experience of both prison and the criminal justice system is very different to men's. This text is concerned to address the key issues relating to women's imprisonment contributing at the same time to an understanding of prison issues in general and the historical and contemporary politics of gender and penal justice. What are women's prisons for? What are they like? Why are lone mothers, ethnic minority and very poor women disproportionately represented in the women's prison population? Should babies be sent to prison with their mothers? These are amongst the issues with which this book is concerned. **Analysing Women's Imprisonment** is written as an introductory text to the subject aiming to guide students of penology carefully through the main historical and contemporary discourses on women's imprisonment. Each chapter has a clear summary, concepts to know, essay questions and recommendations for further reading and will help students prepare confidently for seminars, course examinations and project work. **Vulnerable**

Victimizations Phil Mulvey, Shelly L. Clevenger, 2023-09-06 This edited volume showcases research on vulnerable victimizations or more specifically on individuals and/or populations that due to their status have less power in society, are socially controlled in unique ways in the criminal legal system or are members of marginalized groups with specialized considerations surrounding their victimization experiences such as LGBTQIA individuals, immigrants, incarcerated persons, children and females. The scholarship focuses on the overall victimization experience and at the same time is also centered on the victimization experiences of historically ignored and/or marginalized groups. Victimization of vulnerable individuals in the United States is increasing at a moment when marginalized groups continue to confront legislative and policy reforms that would undermine their liberty. It is as important now as it has ever been for the field of victimology to consider those who historically may not have the loudest or any voice to spotlight and investigate their experiences. **Vulnerable Victimizations** will be a key resource for academics, researchers and advanced students of Victimology, Criminology and Criminal Justice. The chapters included in this book were originally published in **Victims Offenders**. **Fifty Key Thinkers in Criminology** Keith Hayward, Shadd Maruna, Jayne Mooney, 2009-12-04 **Fifty Key Thinkers in Criminology** brings the history of criminological thought alive through a collection of fascinating life stories. The book covers a range of historical and contemporary thinkers from around the world offering a stimulating combination of biographical fact with historical and cultural context. A rich mix of life and times detail and theoretical reflection is designed to generate further discussion on some of the key contributions that have shaped the field of criminology. Featured profiles include Cesare Beccaria, Nils Christie, Albert Cohen, Carol Smart, W. E. B. DuBois, John Braithwaite. **Fifty Key Thinkers in Criminology** is an accessible and informative guide that includes helpful cross referencing and suggestions for further reading. It is of value to all students of criminology and of interest to those in

related disciplines such as sociology and criminal justice

Spaces of Care Loraine Gelsthorpe, Perveez Mody, Brian

Sloan, 2020-04-16 The collection examines the ways in which the emerging interdisciplinary study of care provokes a reassessment of the connections and disjuncture between care and governance ethics and public personal and professional identities Evolving from a project coordinated by the Cambridge Socio Legal Group Spaces of Care brings together leading international scholars to articulate what we may consider to be a useful analytic of care Lawyers anthropologists sociologists and criminologists reflect on specific aspects of conceptualising caring relations in spaces These spaces include communities of care and abandonment self care and kinship care spaces as gaps in care the meanings of marketised care and the ways in which care is constructed and constrained in different ways in venues such as homes prisons workplaces and virtual spaces Common themes include temporality historical specificity and the dynamics of care across time and place subjectivity including different experiences of care the economies of care including the commodification of care public and private manifestations of care privatised care disruptions of care which generate vulnerabilities with regard to continuities of care eligibility those deemed to be deserving and undeserving of care relationalities of care collective and individual agency in caring relations kinship care and technologies and imaginaries of care as in new notions of care forged by those in online virtual worlds such as Second Life

A Criminological Imagination Pat Carlen, 2017-07-05 A Criminological Imagination

contains a selection of key articles from Pat Carlen's research studies of magistrates courts and women's imprisonment together with a range of other articles on social control discourse analysis ideology punishment criminology and critique They are all informed by an assumption that while criminal justice must remain imaginary in societies based upon unequal and exploitative social relations one task of a criminological imagination might be to suggest why this is so and how things could be otherwise This is an invaluable collection for anyone interested in crime justice and injustice and the social political and academic contexts in which knowledge of them is constructed

Punishment and Social Control Stanley

Cohen, 2017-07-05 While crime law and punishment are subjects that have everyday meanings not very far from their academic representations social control is one of those terms that appear in the sociological discourse without any corresponding everyday usage This concept has a rather mixed lineage After September 11 has become a slogan that conveys all things to all people but carries some very specific implications on interrogation and civil liberties for the future of punishment and social control The editors hold that the already pliable boundaries between ordinary and political crime will become more unstable national and global considerations will come closer together domestic crime control policies will be more influenced by interests of national security measures to prevent and control international terrorism will cast their reach wider to financial structures and ideological support the movements of immigrants refugees and asylum seekers will be curtailed and criminalized taken for granted human rights and civil liberties will be restricted In the midst of these dramatic social changes hardly anyone will notice the academic field of punishment and social control being drawn closer to political

matters Criminology is neither a pure academic discipline nor a profession that offers an applied body of knowledge to solve the crime problem Its historical lineage has left an insistent tension between the drive to understand and the drive to be relevant While the scope and orientation of this new second edition remain the same in recognition of the continued growth and diversity of interest in punishment and social control new chapters have been added and several original chapters have been updated and revised *Handbook on Prisons* Yvonne Jewkes,Ben Crewe,Jamie Bennett,2016-02-23 The second edition of the Handbook on Prisons provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international perspectives The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The Handbook on Prisons Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment *Criminology* Eamonn Carrabine,2009 This fully revised textbook ground in original research is a clear and insightful introduction to the key topics studied in undergraduate criminology courses Accessible and user friendly it is essential reading for all criminology students

Gender, Crime and Victimisation Pamela Davies,2010-11-15 Gender Crime and Victimisation is a thoughtful and thought provoking book exploring gender patterns in both offending and victimisation It offers a thorough examination of how these patterns in society are variously established and represented researched explained and responded to by policy makers and criminal justice agencies Bringing together key theory research and policy developments the book combines perspectives on the study of criminology with those of victimology and gender studies drawing particularly on the influence of feminism It analyses processes of criminalisation and social control and their structural biases It explores fears anxieties and worries about crime as well as particular vulnerabilities to crime The book employs a range of learning devices to support the student reader including o Chapter overviews o Case studies and examples o Study questions o Further reading at the end of each chapter o A comprehensive glossary Comprehensive and robust Gender Crime and Victimisation provides a stimulating and topical overview that will appeal to undergraduates Resisting Carceral Violence Bree Carlton,Emma K.

Russell,2018-12-05 This book explores the dramatic evolution of a feminist movement that mobilised to challenge a women s prison system in crisis Through in depth historical research conducted in the Australian state of Victoria that spans the 1980s and 1990s the authors uncover how incarcerated women have worked productively with feminist activists and community coalitions to expose critique and resist the conditions and harms of their confinement *Resisting Carceral Violence* tells the story of how activists through a combination of creative direct actions reformist lobbying and legal challenges forged an anti carceral feminist movement that traversed the prison walls This powerful history provides vital lessons for service providers social justice advocates and campaigners academics and students concerned with the violence of incarceration It calls for a willingness to look beyond the prison and instead embrace creative solutions to broader structural inequalities and social harm *Gender And Crime: A Reader* Evans, Karen,Jamieson, Janet,2008-07-01 Law **The Queer Outside in Law**

Senthorun Raj,Peter Dunne,2020-11-30 This book contributes to current debates about queer outsides and queer outsiders that emerge from tensions in legal reforms aimed at improving the lives of lesbian gay bisexual transgender intersex and queer people in the United Kingdom LGBTIQ people in the UK have moved from being situated as outlaws through prohibitions on homosexuality or cross dressing to respectable in laws through the emerging acceptance of same sex families and self identified genders From the partial decriminalisation of homosexuality in the Sexual Offences Act 1967 to the provision of a bureaucratic mechanism to amend legal sex in the Gender Recognition Act 2004 bringing LGBTIQ people inside the law has prompted enormous activist and academic commentary on the desirability of inclusion focused legal and social reforms Canvassing an array of current socio legal debates on colonialism refugee law legal gender recognition intersex autonomy and transgender equality the contributing authors explore queer outsiders who remain beyond the law s reach and outline the ways in which these outsiders might seek to come within and or stay outside law Given its scope this modern work will appeal to legal scholars lawyers and activists with an interest in gender sex sexuality race migration and human rights law *Global Lockdown* Julia Sudbury,2014-03-18 Global Lockdown is the first book to apply a transnational feminist framework to the study of criminalization and imprisonment The distinguished contributors to this collection offer a variety of perspectives from former prisoners to advocates to scholars from around the world The book is a must read for anyone concerned by mass incarceration and the growth of the prison industrial complex within and beyond U S borders as well as those interested in globalization and resistance **Marking Time in the Golden State** Candace

Kruttschnitt,Rosemary Gartner,2005 In recent decades the nature of criminal punishment has undergone change in the United States This case study of women serving time in California in the 1960s and 1990s examines key points in this recent history The authors begin with a look at imprisonment at the California Institution for Women in the early 1960s when the rehabilitative model dominated official discourse They compare women s experiences in the 1990s at the California Institution for Women and the Valley State Prison when the recent get tough era was near its peak Drawing on archival data

interviews and surveys their analysis considers the relationships among official philosophies and practices of imprisonment women s responses to the prison regime and relations between women prisoners The experiences of women prisoners reflected the transformations Americans have witnessed in punishment over recent decades but they also mirrored the deprivations and restrictions of imprisonment

Prisons and Imprisonment Cormac Behan, Abigail Stark, 2023-01-01 This textbook examines prisons and imprisonment Historically prisons and prisoners have been a source of interest to the general public However despite near universal acceptance of imprisonment as a feature of society we know relatively little about the reality of prison life or the effects it has on individuals and communities Using academic scholarship empirical research government papers policy reports and accounts from lived experiences of the institution this book analyses the complexities and contradictions of prison life the place of the prison in twenty first century society and its prospects for the future This book will introduce readers to key debates surrounding the use of imprisonment and challenge readers to interrogate conventional perspectives on an institution that reflects the society in which it is situated

Researching Gender Violence Tina Skinner, Marianne Hester, Ellen Malos, 2013-01-11 In this edited collection leading authors in the field draw on their experience to address key methodological questions and challenges that have arisen from the recent proliferation of research projects and government funded initiatives on violence against women Topics include evaluation research and feminist methodology using quantitative and qualitative approaches ethics safety and access in sensitive research interviewing practitioners perpetrators policy makers and survivors including children women and young people utilising discourse analysis to interpret data undertaking cross national and comparative research practical guidelines for practitioners academics wishing to consult with women survivors gearing research to facilitate positive change in policy and practice and using the media for dissemination increased focus on gender related violence politically and academically this book addresses head on the complex methodological issues involved leading experts in the field as contributors

Mental Health in Prisons Alice Mills, Kathleen Kendall, 2018-11-19 This book examines how the prison environment architecture and culture can affect mental health as well as determine both the type and delivery of mental health services It also discusses how non medical practices such as peer support and prison education programs offer the possibility of transformative practice and support By drawing on international contributions it furthermore demonstrates how mental health in prisons is affected by wider socio economic and cultural factors and how in recent years neo liberalism has abandoned criminalised and contained large numbers of the world s most marginalised and vulnerable populations Overall this collection challenges the dominant narrative of individualism by focusing instead on the relationship between structural inequalities suffering survival and punishment Chapter 2 of this book is available open access under a CC BY 4 0 license via link [springer.com](https://www.springer.com)

Criminology Eamon Carrabine, Pam Cox, Isabel Crowhurst, Anna Di Ronco, Pete Fussey, Anna Sergi, Nigel South, Darren Thiel, Jackie Turton, 2020-03-24 Comprehensive critical and accessible Criminology A Sociological Introduction offers an authoritative

overview of the study of criminology from early theoretical perspectives to pressing contemporary issues such as the globalisation of crime crimes against the environment terrorism and cybercrime Authored by an internationally renowned and experienced group of authors in the Department of Sociology at the University of Essex this is a truly international criminology text that delves into areas that other texts may only reference It includes substantive chapters on the following topics Histories of crime Theoretical approaches to crime and the issue of social change Victims and victimisation Crime emotion and social psychology Drugs alcohol health and crime Criminal justice and the sociology of punishment Green criminology Crime and the media Terrorism state crime and human rights The new edition fuses global perspectives in criminology from the contexts of post Brexit Britain and America in the age of Trump and from the Global South It contains new chapters on cybercrime crimes of the powerful organised crime life course approaches to understanding delinquency and desistance and futures of crime control and criminology Each chapter includes a series of critical thinking questions suggestions for further study and a list of useful websites and resources The book also contains a glossary of the criminological terms and concepts used in the book It is the perfect text for students looking for a broad critical and international introduction to criminology and it is essential reading for those looking to expand their criminological imagination

The Psychology of Female Violence Anna Motz, 2016-12-05 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Understanding Prisons: Key Issues in Policy and Practice Andrew Coyle, 2005-12-16 Few people can talk about prisons with the authority and experience that Andrew Coyle brings to his subject A former prison governor an academic author an international activist and a practical reformer Professor Coyle knows prisons inside and out home and abroad past and present In *Understanding Prisons* he uses his impressive expertise to guide researchersthrough the changing world of the English prison The result is an accessible up to date and highly informative book that will be welcomed by studentsand practitioners alike David Garland NYU author of *The Culture of Control* Andrew Coyle has drawn on his lifelong experience of governing prisons in Scotland and England and as the former Director of the International Centre for Prison Studies Kings College London studying prisons worldwide He has written a comprehensive account of the use of imprisonment and the character of prisons He persuasively argues that our continued extensive use of imprisonment cannot simply be explained or justified by the incidence of crime and could otherwise His book merits close attention Rod Morgan Chairman Youth Justice Board There are over nine million men women and children in prison around the world and the number of people in prison in England and Wales has increased significantly in recent years Yet in many respects prison remains the last secretive public institution in our society *Understanding Prisons* provides a unique in depth examination of prisons how they function what they achieve and their historical and political context The book Describes how prisons developed into their present form Looks at who is sent to prison and what happens to them while they are there Explains how the prison system and staff in England and Wales are organised Examines how order and control is maintained

and how high security prisons operate Looks at prisoners families and the wider community Offers a future vision of the prison system This is essential reading for criminology and sociology students and researchers criminal justice practitioners the media and members of the public who are interested in learning more about the closed world of the prison

Sledgehammer Womens Imprisonment At The Millennium Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sledgehammer Womens Imprisonment At The Millennium has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sledgehammer Womens Imprisonment At The Millennium has opened up a world of possibilities. Downloading Sledgehammer Womens Imprisonment At The Millennium provides numerous advantages over physical copies

of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sledgehammer Womens Imprisonment At The Millennium has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sledgehammer Womens Imprisonment At The Millennium. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sledgehammer Womens Imprisonment At The Millennium. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sledgehammer Womens Imprisonment At The Millennium, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sledgehammer Womens Imprisonment At The Millennium has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sledgehammer Womens Imprisonment At The Millennium Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before
