Showtym Adventures 2: Cameo, the Street Pony Kelly Wilson,2018-01-29 In the second Showtym Adventure Kelly receives an unbroken pony Will she gain the confidence to train and ride her When nine year old Kelly Wilson outgrows her pony her mum surprises her with a beautiful steel grey mare that she spotted trotting down the street tied to the back of a truck But there s a catch Cameo has never been ridden While her sisters Vicki and Amanda are jumping higher than ever before Kelly

must face her fears on an untested pony Will Cameo ever be ready for competitions And will the girls ponies hold their own against the purebreds at the Royal Show This exciting story of setbacks and success in which Vicki Kelly and Amanda Wilson first experience the thrill of serious competition is inspired by the Wilson sisters early years **On The Trail Of Negro Folk-Songs** Dorothy Scarborough,2022-06-02 How often have I overheard alluring snatches of song only to be baffled by denial when I asked for more Kindly black faces smile indulgently as at the vagaries of an imaginative child when I persist in pleading for the rest Nawm honey I wa and n and t singing nothing nothing a tall How often have I been tricked into enthusiasm over the promise of folk songs only to hear age worn phonograph records but perhaps so changed and worked upon by usage that they could possibly claim to be folk songs after all or Broadway echoes or conventional songs by white authors Yet cajolements might be in vain even though all the time I knew by the uncanny instinct of folk lorists that there were folk songs there And even when you get a song started when you are listening with your heart in your ear and the greed of the folk lorist in your eye you may lose out If you seem too much interested the song retreats draws in like a turtle and s head and no amount of coaxing will make it venture back And there is something positively fatal about a pencil Songs seem to be afraid of lead poisoning Or perhaps the pencil is secretly attached by a cord a vocal cord to the singer and s tongue It must be so for otherwise why has it so often happened that when I distrustful of my tricky memory to hold a precious song have sneaked a pencil out to take notes the tongue has suddenly jerked back and refused to wag again Yet that is not always the case for sometimes the knowledge that his song is being written down inspires a bard with more respect for it and he gives it freely *Pony Tracks* Frederic Remington,2021-04-26 In *Pony Tracks* Frederic Remington captures the rugged essence of the American West through a series of compelling essays and vignettes illustrated with his signature artwork The book deftly intertwines personal narrative with vivid descriptions of frontier life highlighting themes of adventure nature and the indomitable spirit of the cowboy Remington s prose is characterized by its rich imagery and evocative language that beckons readers into a world of untamed landscapes and the colorful characters who inhabit them all contributing to the literary movement of American realism at the turn of the 20th century Frederic Remington was not only a prolific writer but also a renowned painter and sculptor revered for his depictions of the American West His formative years spent in the rural landscapes of New York and his extensive travels through the Western frontier shaped his artistic vision and informed his writing Engaging with the culture of cowboys and Native Americans Remington sought to document the vibrant often harsh realities of life on the range showcasing his deep appreciation for the American spirit and its mythology *Pony Tracks* is an essential read for anyone passionate about American history literature and art Remington s unique narrative style and authentic perspective invite you to explore the charm and grit of the West making this book a valuable addition to the library of both casual readers and scholars alike Methodist Magazine and Review ,1901 **The Blind Pony** Jeanne Betancourt,1997 The Pony Pals are faced with the challenge of helping a friend deal with her pony going blind They each
