*Sleeping Naked Under the Moon* Kathy Keating, 2004-01-01 Kathy Keating's inspiration comes from what she sees and what she hears. She is guided by sunshine and shadows, moonlight and night sky, but mostly she is guided by the people she knows and the strength of the unbreakable circle of kitchen string that connects all of us hand to hand, truth to truth, heart to heart.

**Sex and Sex Worship (phallic Worship) a Scientific Treatise on Sex** Otto Augustus Wall, 1919 **Sex and sex worship (phallic worship)** Otto Augustus Wall, 1919 *Sex And Sex Worship* Otto Augustus Wall, 2014-06-03 Sex is at the very heart of life and this classic illustrated study of sex, its nature and function and its influence on art, science, architecture and religion, contains a wealth of information on sex beliefs, practices and worship in other cultures and periods of history stretching back to ancient times. Drawing on a wide range of sources including private collections of erotica, Wall shows how people in other times and places have dealt with the timeless themes of sexuality, male, female, love, passion, lust, desire and worship, dealing with sex as a private practice and also as public celebration. This edition first published in 2006. Routledge is an imprint of Taylor & Francis, an informa company. **Sex and Sex Worship** Otto Augustus Wall, 1922

**American Anthropologist**, 1905 *The Note She Left* Susan Hahn, 2008-04-18 Hahn's new collection wrestles with the elemental and enduring challenges of the human condition. What can we use from our spiritual heritage? How should we find relief? How, after it all, do we live? The poems are presented as a letter to the world from a woman preparing to leave it. In four sections: The Bells, The Crosses, Widdershins, and Afterword, she contrasts the hope against the dark that is embodied by an amulet or cross with the abased resignation of torture, failed prayers, and witchcraft. Though Hahn's vision is a dark one, its dramatic emotional depth speaks to a human power that, though damaged, can still engage. From The Crosses: V Cross my fingers, cross my heart, arms extended, legs together, not apart. I make of myself a cross. In my pockets, bright blue beads, small clay gods, scarabs, four leaf clovers, bejewelled mezuzahs. In my hat, cockleshells to exorcise the demons, to keep hidden the seventh chakra, the tonsure, the bald compulsion. Cross my fingers, cross my heart, arms extended, legs together, not apart. In my ears, little bells of confusion to frighten away eyes of the evil. On my breast, a foul sachet to repel the lick of the Devil. Cross my fingers, cross my heart. In my window, a glass witch ball to guard against the shatter from intruders. Cross my fingers.

**Design Research** Alexandra Lange, Jane Thompson, 2012-02-10 When Ben Thompson opened Design Research in Boston in 1953, his innovative store became synonymous with modern interior design, lighting a public spark that still burns today. Though the store itself is no longer, when the mass-produced furniture of impersonal department stores reigned supreme, this boutique retailer dared to provide a learned yet unpretentious environment for sleek design. Today, Design Research's legacy can be seen in the showrooms of Crate & Barrel and Design Within Reach. Through interviews, anecdotes, and lush photographs, Design Research documents the array of household objects and furniture introduced to the American home through the legendary store that made good design available to all. **City of Wisdom and Blood** Robert Merle, 2019-02-05 Montpellier

Hull,2022-02-05 Imagine yourself at 16 living in what is now Germany along the Rhine River during the Copper Age 5300 years ago Our hero Tor grandson of the famous Iceman of the Alps Albrecht in the novel The Kaleidoscope Effect suddenly finds himself alone when he finds his father Wor and the Thal raiding party he is with killed by an old man in their sleep There are two young girl captives escaping Thus begins a journey for this young member of the Thal clan whose ancestry goes back beyond memory of even the eldest Thal Tor s father was chief of the clan placing much responsibility on young Tor s shoulders His first decision is to return the two young angry captives they were taking back home instead of back to their encampment for trade or marriage The coming of winter makes his decision for him While taking the girls back to their village on the river Po Tor begins to think of taking one of the girls as his wife like his father did before with his mother Nila But that thought is easily foiled by her death and the death of many along the trail of life that Tor follows Instead he takes the kinship of a horse and a dog as his companions The story of Tor is one of survival in a world where one must be a member of a clan to survive especially the harsh winters But Tor is already an experienced hunter and has paid attention to many of his father and mother s ways She was as strong as his father and brought many ideas to the Thals like planting grain from her childhood on the river Po As Tor travels great distances in search of his mother he encounters many adventures and challenges that life during that time presents The only way to meet these challenges is with skill and ingenuity something that grows within him the more experienced he gets Along the way he gathers companions and lovers Having many children insured survival If you think this is an epic story of a mythical fantasy like Conan you will be disappointed Every effort has been made to make the circumstances of the time as realistic as possible given the revealing scientific information gathered from the Iceman of his life and times      *Poems for*
