

THE SLOW REIGN OF CALAMITY JANE

by
Gillian Robinson

Slow Reign Of Calamity Jane

Karin Nielsen-Saines

Slow Reign Of Calamity Jane:

The Slow Reign of Calamity Jane Gillian Robinson, 1994 Martha Calamity Jane Canary was born in Princeton Missouri in 1848 and grew up to become the Wild West's most remarkable woman. Renowned for her strange beauty and notorious for her hard drinking lifestyle, Calamity Jane married Wild Bill Hickok and was buried near him at Deadwood, South Dakota, where she once burned down the hotel in a fit of despair and later nursed the victims of a smallpox epidemic. Sinner and saint, lover and killer, her courage is still legendary. *Calamity Jane* James D. McLaird, 2012-11-27 Forget Doris Day singing on the stagecoach. Forget Robin Weigert's gritty portrayal on HBO's *Deadwood*. The real Calamity Jane was someone the likes of whom you've never encountered. That is until now. This book is a definitive biography of Martha Canary, the woman popularly known as Calamity Jane. Written by one of today's foremost authorities on this notorious character, it is a meticulously researched account of how an alcoholic prostitute was transformed into a Wild West heroine. Always on the move across the northern plains, Martha was more camp follower than the scout of legend. A mother of two, she often found employment as waitress, laundress, or dance hall girl and was more likely to be wearing a dress than buckskin. But she was hard to ignore when she'd had a few drinks and she exploited the aura of fame that dime novels created around her, even selling her autobiography and photos to tourists. Gun-toting, swearing, hard drinking Calamity Jane was all of these to be sure. But whatever her flaws or foibles, James D. McLaird paints a compelling portrait of an unconventional woman who more than once turned the tables on those who sought to condemn or patronize her. He also includes dozens of photos, many never before seen depicting Jane in her many guises. His book is a long-awaited biography of Martha Canary and the last word on Calamity Jane. Calamity Jane Richard W. Etulain, 2015-08-25 This exhaustive bibliographical reference will be the first stop for anyone looking for Calamity Jane in print, film, or photograph and wanting to know how reliable those sources may be. Richard W. Etulain, renowned western U.S. historian and the author of a recent biography of this charismatic figure, enumerates and assesses the most valuable sources on Calamity Jane's life and legend in newspapers, magazines, journals, books, and movies, as well as historical and government archives. Etulain begins with a brief biography of Martha Canary, aka Calamity Jane, 1856-1903, then analyzes the origins and growth of her legends. The sources Etulain shows reveal three versions of Calamity Jane. In the most popular one, she was a Wild Woman of the Old West who helped push a roaring frontier through its final stages. This is the Calamity Jane who fought Indians, marched with the military, and took on the bad guys. Early in her life, she also hoped to embody the pioneer woman seeking marriage and a stable family and home. A third, later version made of Calamity an angel of mercy who reached out to the poor and nursed smallpox victims; no one else would help. The hyperbolic journalism of the Old West, as well as dime novels and the stretchers Calamity herself told in her interviews and autobiography, shaped her legends through much of the twentieth century. Many of the sensational early accounts of Calamity's life, Etulain notes, were based on rumor and hearsay. In illuminating the role of the *Deadwood* Dick dime novel series and

other pulp fiction in shaping what we know or think we know of the American West Etulain underscores one of his fascinating themes the power of popular culture The product of twenty years labor sifting fact from falsehood or distortion this bibliography and reader s guide includes brief discussions of nearly every item s contents along with a terse entertaining evaluation of its reliability

Calamity Karen Jones,2020-02-04 A fascinating new account of the life and legend of the Wild West s most notorious woman Calamity Jane Martha Jane Canary popularly known as Calamity Jane was the pistol packing rootin tootin lady wildcat of the American West Brave and resourceful she held her own with the men of America s most colorful era and became a celebrity both in her own right and through her association with the likes of Wild Bill Hickok and Buffalo Bill Cody In this engaging account Karen Jones takes a fresh look at the story of this iconic frontierswoman She pieces together what is known of Canary s life and shows how a rough and itinerant lifestyle paved the way for the scattergun alcohol fueled heroics that dominated Canary s career Spanning Canary s rise from humble origins to her role as heroine of the plains and the embellishment of her image over subsequent decades Jones shows her to be feisty eccentric transgressive and very much complicit in the making of the myth that was Calamity Jane
