Landa Jocano,1976 **Ecology and Quality of Life in Urban Slums** Rekha Sinha,Udai Prakash Sinha,2007 This book attempts at upgradation of slums and squatter settlements in the cities of Munger and Bhagalpur with a view to highlight the socio economic life of the urban society in terms of environmental pollution *Urban Life in Delhi Slums* Pauline Dixon,Steve Humble,2025-08-26 This book investigates urban life in the slums of Delhi demonstrating how individuals and communities self organise to solve problems that arise in their neighbourhoods Around one quarter of the world s urban population live in informal slum and squatter settlements representing a significant economic and cultural force Despite this settlements are often perceived as marginal homogenous places overlooking the resilience and agency of the diverse actors networks and social groups working collectively within them This book draws on extensive qualitative and quantitative data from squatter and resettlement colonies in and around Delhi foregrounding the voices of residents to build a bottom up picture of place and urban development The book analyses the contexts in which households operate within their communities and the adaptiveness of individuals living in different slum types with differing levels of governance In doing so the book demonstrates the effect which different institutional agreements and governance systems have on enterprise empowerment resilience trust dignity and engaging in life that has purpose and meaning This book s detailed assessment of slum spaces and networks will be of interest to researchers across a range of fields including international development geography urban planning politics and sociology as well as to policy makers and civil society organisations **Life at the Bottom** Theodore Dalrymple,2003-03-08 Here is a searing account probably the best yet published of life in the underclass and why it persists as it does Theodore Dalrymple a British psychiatrist who treats the poor in a slum hospital and a prison in England has seemingly seen it all Yet in listening to and observing his patients he is continually astonished by the latest twist of depravity that exceeds even his own considerable experience Dalrymple s key insight in *Life at the Bottom* is that long term poverty is caused not by economics but by a dysfunctional set of values one that is continually reinforced by an elite culture searching for victims This culture persuades those at the bottom that they have no responsibility for their actions and are not the molders of their own lives Drawn from the pages of the cutting edge political and cultural quarterly *City Journal* Dalrymple s book draws upon scores of eye opening true life vignettes that are by turns hilariously funny chillingly horrifying and all too revealing sometimes all at once And Dalrymple writes in prose that transcends journalism and achieves the quality of literature *Urbanization in North-east India* Tarun Kumar Bahadur,2009-01-01 *Delinquents and Criminals: Their Social World* Helen MacGill Hughes,1970 **The Other American The Life Of Michael Harrington** Maurice Isserman,2001-03-08 Most Americans first heard of Michael Harrington with the publication of *The Other America* his seminal book on American poverty Isserman expertly tracks Harrington s beginnings in the Catholic Worke Some Food
